The Astronomy Geographic Advantage Act (Act No. 21 of 2007) requires that a permanent register of interested and affected parties is compiled for each astronomy advantage area to be declared. The interested and affected parties are persons who are residing or have interests within the demarcated area to be declared. Details of each area and its demarcation will be provided separately. The register to be compiled needs to include details of the person and the interests involved. Persons in the register will be consulted when protection for astronomy is to be applied.

The details required for the permanent register are to be entered into the form that follows. The form must be completed by the entities involved within the demarcated area as follows:

- The owner or occupier of a house in a town or a settlement; or
- A farm owner or the person in control of the farming operations; or
- A person representing a family residing on a farm; or
- Local, provincial or national government entities and services, or
- Businesses selling goods or providing services, and
- Radio communication licensees operating radio base stations.

Where a person or an entity have multiple interests involved within the particular demarcated astronomy advantage area, the required information can be provided in a spread sheet form, for example in Microsoft Excel. A separate form must be provided for each of the different permanent registers for particular astronomy advantage areas. An electronic version of the application form can be provided on request.

The completed form must be sent to:

The Accounting Standards Board (the Board), at its meeting held on 25 May 2010, approved for release an invitation to comment on the proposed Standards of GRAP on *Transfer of Functions Between Entities Under Common Control and Mergers* (ED 75). The Board further approved an invitation to comment on the *Amendments to the Standards of Generally Recognised Accounting Practice (GRAP) on Consolidated and Separate Financial Statements (GRAP 6), Investments in Associates (GRAP 7) and Interests in Joint Ventures (GRAP 8)* (ED 76).

These exposure drafts will present challenges for some preparers, auditors and users of general purpose financial statements. Accordingly, the Board is grateful for the time respondents may devote to considering the issues in the exposure drafts. Comment on both these exposure drafts is invited by **30 September 2010**.
