NOTICE 138 OF 2011**NOTICE IN TERMS OF SECTION 62(7) OF THE LABOUR RELATIONS ACT, NO 66
OF 1995****PLEASE TAKE NOTICE THAT:-**

The National Textile Bargaining Council ("the NTBC") has referred a question contemplated in section 62 (1) (a) and (b) of the Labour Relations Act, 1995 to the CCMA for determination in terms of the said section 62 under Case No. KNDB 13099-10.

TAKE NOTICE FURTHER THAT the particulars of the referral are as follows:

1. Jel-ex CC is a manufacturer and seller of bulk bags used as containers for sugar, minerals etc;
2. The bag manufacturing process includes the melting of polypropylene granules and extruding from it a plastic tape/ribbon which is woven into a plastic material used in manufacturing the bags.
3. The main question to be determined during the demarcation process is whether Jel-ex CC and its employees are employed or engaged in the textile sector and whether the Main Collective Agreement of the NTBC is binding on them;
4. Jel-ex CC and the NTBC agree that it is necessary to determine inter alia whether Jel-ex CC manufactures yarn from synthetic or man made fibres and/or whether Jel-ex CC manufactures woven cloth or fabric from such yarns.
5. Jel-ex CC and the NTBC further agree that it is particularly necessary to determine whether the granules melted during its manufacturing process are "fibres" within the meaning contemplated in the definition of the textile industry, whether the tape/ribbon manufactured during its manufacturing process is "yarn" within the meaning of the said definition and whether the material manufactured by it is "woven cloth or fabric" within the meaning of the said definition.

TAKE NOTICE FURTHER THAT the issues are to be determined under Case No. KNDB13099-10 at the offices of the CCMA, 6th Floor, Embassy Building, 199 Smith Street, Durban on a date to be determined by the Registrar.

NOTICE 141 OF 2011**INTERNATIONAL TRADE ADMINISTRATION COMMISSION****CUSTOMS TARIFF APPLICATIONS**
LIST 04/2011

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following applications concerning the Customs Tariff. Any objection to or comments on these representations should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001. Attention is drawn to the fact that the rate of duty mentioned in these applications is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

CONFIDENTIAL INFORMATION

The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.

These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:

- Each instance where confidential information has been omitted and the reasons for confidentiality;*
- A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties.

The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.
