NAMC REQUESTING COMMENTS / INPUTS FROM ROLE PLAYERS

APPLICATION FOR A STATUTORY LEVY FOR MARKET DEVELOPMENT / CONSUMER EDUCATION PROGRAMME ON APPLES AND PEARS (POME FRUIT) IN TERMS OF THE MARKETING OF AGRICULTURAL PRODUCTS ACT, ACT NO 47 OF 1996

HORTGRO Services applied on behalf of the SA Apple and Pear Producers' Association (SAAPPA), to the Minister of Agriculture, Forestry and Fisheries, in terms of section 10 of the Marketing of Agricultural Products Act, Act 47 of 1996 (MAP Act), for the continuation of the current statutory levies on market development, to be implemented for a new four year period.

Apples and Pears:

A levy (excluding VAT) per standard 12,5 kg export carton or the equivalent rate per kilogram on all other sizes of export (all classes) cartons of apples and pears (pome), to the amount of:

- R0.30 for 2012;
- R0.32 for 2013;
- R0.35 for 2014; and
- R0.35 for 2015.

It is proposed that the current statutory levy for marketing development purposes on exported pome fruit to the United Kingdom (UK) and Europe Union (EU), which was only implemented on 11 March 2010 for a two year period, be expanded to include other markets e.g. other European countries and the Middle & Far East.

The focus will be to maintain the progress made in the key traditional UK and EU markets, but also to reach other markets in order to address the market development needs of a wider group of producers and exporters.

The particulars as required by section 10 of the Act to be included in a request for a statutory measure, are as follows:

- The statutory levies that are requested, would relate to export apples and pears.
- Producers and exporters (on behalf of the producer from which the apples and pears to be exported have been procured) will be directly affected by this measure.
- According to the applicant, the level of support for the proposed statutory measure on export pome fruit has been tested and sufficient support has been showed by directly affected groups.
- The proposed statutory levies will apply to the whole of the Republic of South Africa.
- According to the applicant, the statutory levies is needed by SAAPA to fund a market development and consumer education campaign for export apples and pears. The strategy is based on maintaining progress made in the key traditional UP en EU markets, whilst expanding to other markets in partnership with producer - and exporter groups to ensure focused market growth globally. The statutory levies applied for, will further key government objectives of job creation, food security and rural development, as well as the objectives of the MAP Act as stipulated in section 2(2) thereof.
- The measure will be administrated by HORTGRO Services, on behalf of DFPT Finance, a company incorporated under section 21 of the Companies Act, 1973 (Act 61 of 1973).
- The application is for a period of four years, to be implemented on 1 November 2011. It should be borne in mind that the levies will, in terms of the MAP Act, be subject to evaluation and review by the National Agricultural Marketing Council (NAMC) at least every two years. Furthermore, the MAP Act provides for the application to be made for the repeal of statutory measures.

Directly affected groups are hereby invited to lodge any comments regarding the proposed statutory measure to the NAMC on or before 16 September 2011, to enable the Council to finalise its recommendation to the Minister in this regard.

Submissions should be in writing and be addressed to:

NOTICE 576 OF 2011**INTERNATIONAL TRADE ADMINISTRATION COMMISSION****CUSTOMS TARIFF APPLICATIONS****LIST 07/2011**

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following applications concerning the Customs Tariff. Any objection to or comments on these representations should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001. Attention is drawn to the fact that the rate of duty mentioned in these applications is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

CONFIDENTIAL INFORMATION

The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.

These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:

- ❑ Each instance where confidential information has been omitted and the reasons for confidentiality;*
- ❑ A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- ❑ In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties.

The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due). Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.
