SOUTH AFRICAN HERITAGE RESOURCES AGENCY

DECLARATION OF "KADITSHWENE" CULTURAL LANDSCAPE AS A NATIONAL HERITAGE SITE

By virtue of the powers vested in the South African Heritage Resources Agency in terms of section 27(5) of the National Heritage Resources Act, 25 of 1999, SAHRA hereby declares Kaditshwene Cultural Landscape in Zeerust, North West, as a National Heritage Site.

STATEMENT OF SIGNIFICANCE

Kaditshwene is historically considered a capital of the Bahurutshe nation and the largest Batswana settlement in Southern Africa with a population of 16000 to 20000, around the early 1800's. The large population of Kaditshwene is evidenced by extensive settlement remains that include house foundations, stone walls, ash middens as well as evidence for metal working industry.

Kaditshwene presents physical remnants of an ancient civilization renowned for the smelting and mining of iron and copper. Oral testimonies tell us that the thriving Iron Age economy was based on the indigenous technique and technology of smelting of Iron and mining of Copper. In this regard, the Bahurutshe were famed for their exceptional skill as miners and smelters of iron and copper. There are visible traces of iron melting furnaces and manufactured implements.

Other strong elements of the sophisticated indigenous building techniques are evident in the built environment such as the ruins of stone walls and circular dwellings of Kaditshwene. Drawing from empirical observations on the built environment in the neighbouring villages of Lekubu and Mokgola, there are prominent recurring features of building techniques and styles similar to the circular ancient stone walls of the architectural dwellings of Kaditshwene. This denotes the perpetual transmission of indigenous knowledge system, through the recent application of the traditional skills and techniques, from the past to the present Bahurutshe generation. The indigenous knowledge system associated with the infrastructural developments of Kaditshwene underpins the historical achievements and contribution of the Bahurutshe of Zeerust to the socio-economic development of South Africa.

Tangible Heritage – Archaeological evidence

Physical evidence based on empirical observations

Intangible Heritage or Living Heritage

In terms of living heritage or intangible heritage, the cultural significance of Kaditshwene is based on interpretations emanating from the oral testimonies of the Bahurutshe community of Zeerust, particularly members of Lekubu and Mokgola villages who are currently residing close to Kaditshwene. Drawing from the rich oral history, Kaditshwene is inscribed with symbolism and meaning, and it prevails as a physical manifestation of the intangible values associated with the culture and tradition of the Bahurutse, Batswana nation of Southern Africa. The oral history constitutes a crucial aspect of the intangible heritage that could be presented juxtaposed to or complements the documented history of the site.

Sacred Site

The vast cultural landscape of Kaditshwene constitutes sacred sites such as '*Metsi a wa*', '*Liphutsieng*' and '*Tshwenyane*' (amongst others), which continue to serve as spiritual places for the expression of aspects of cultural practices (intangible heritage) such as baptism, rituals for rain making, worshipping and appeasement of ancestors. As such these sacred sites still provide the context for the perpetual transmission and expression of cultural practices amongst the current generation of Bahurutshe of Southern Africa. According to the 2003 UNESCO on the Safeguarding of Intangible Cultural Heritage ' to ensure the safeguarding, development and promotion of Intangible Cultural Heritage...adopt appropriate legal, administrative and financial measures aimed at... the transmission of such heritage through forums and spaces intended for the performance or expression thereof'(2003 UNESCO Convention).

6.(1) All financial, policy and procedural arrangements for the CPSI provided for in the PFMA or other applicable legislation shall be dealt with in terms of this legislation.

may from time to time determine in writing. These issues pertaining to innovation may include advice and recommendations on-

- (a) the contribution of innovation to the enhancement of the capacity of the state to address government priorities, sustainable development and social transformation in South Africa;
- (b) global approaches and practices in using innovation, also ICT innovation, to improve service delivery and to entrench social inclusion for the benefit of vulnerable groups in the South African society;
- (c) appropriate structures and partnerships for the entrenchment of a culture of innovation in the public service; and
- (d) policies or strategies to be implemented in support of innovation in the public service.

(3) The board performs its functions and duties as an advisory body without executive functions, duties or powers, and, in particular, has the right to-

- (a) establish its own subcommittees;
- (b) access any information held by the CPSI, except information designated in writing by the Minister from time to time as not being included in this category;
- (c) access any information in relation to the CPSI held by the Department, except information designated in writing by the Minister from time to time as not being included in this category;
- (d) receive copies of any document submitted by the executive director to the Minister or Deputy Minister in terms of this notice; and
- (e) request any employee of the CPSI to attend any meeting of the board or any of its subcommittees and to provide written or oral evidence at such a meeting and, unless the executive director in writing excuses such a person from attending that meeting, such an employee must accordingly attend the meeting and must provide written or oral evidence as requested by the board.

(4) The board, through its chairperson, may at any time with or without the agreement or support of the management of CPSI, directly approach the Minister and submit any relevant report on any matter related to the board's functions.

(5) The Minister may at any time direct the board in writing to establish a particular subcommittee, but this does not prevent the board from establishing its own subcommittees as provided for in subparagraph (3)(a), or the chairperson of the board from appointing the chairperson of such a subcommittee.

(6) The Minister must appoint board members based on the overriding principle of selection based on merit determined by an assessment of -

- (a) the objectives and operations of the CPSI;
- (b) the competencies collectively required by the board, including the relevant qualifications, skills, expertise and experience relating to innovation and public service delivery challenges;
- (c) the range of clients of the CPSI and their needs; and
- (d) the demographics of the Republic of South Africa.

(7) The Minister may appoint no more than eight members to the board, excluding the executive director and three senior managers of the CPSI who are *ex officio* members of the board.

(8) The Minister must appoint-

- (a) any board member, other than a member of management of the CPSI, as chairperson of the Board;
- (b) any board member, other than a member of management of the CPSI, as deputy chairperson of the board.

(9) The Minister may not appoint a person to the board-

- (a) who is a member of Parliament or of a provincial legislature, a member of Cabinet or a Deputy Minister, a member of a house or council of traditional leaders, or a member of a municipal council;
- (b) whose spouse, life partner, business partner or associate holds an office in or is employed by or has any other interest whatsoever in a company or other entity which also provides goods or renders services to the CPSI;

- (c) who is disqualified to act as a director of a company in terms of section 69 of the Companies Act, 2008 (Act No. 71 of 2008);
- (d) who has been convicted, whether in the Republic or elsewhere, of an offence involving dishonesty, or of any other offence for which such a person has been sentenced to imprisonment without the option of a fine; or
- (e) who is an unrehabilitated insolvent.

(10) A board member, other than a member of management of the CPSI-

- (a) serves as board member on the terms and conditions determined by the Minister; and
- (b) may resign by giving one month's written notice to the Minister.

(11) The board serves at the pleasure of the Minister, and the Minister may at any time-

- (a) dissolve the board and appoint a new board; or
 - (b) terminate board membership of an individual board member,
- but the Minister must, when so dissolving the board or terminating board membership of an individual board member, immediately provide any affected board member with written reasons for the dissolution or termination, as the case may be.

(12) The Minister must upon appointing the board, for public information and in any appropriate manner, publish the names of the board members together with any relevant information on the background of board members.

(13) The management of the CPSI may attend any meeting of the board or of its subcommittees and must receive all documents tabled or distributed at any such meeting, but may not, without the consent of the chairperson, speak at such a meeting.

(14) The board determines its own meeting rules, proceedings and procedures.

(15) Without in any way derogating from the provisions of any relevant legislation, the board must adopt a code of ethical conduct.

(16) The meetings, minutes and reports of the board or any of its subcommittees are confidential, unless-

- (a) the Minister or the chairperson of the board in writing directs otherwise; or
- (b) no strategic or commercial interests of the CPSI or the state are likely to be compromised in the event of their publication.

(17) The board does not vote on matters before it, but must strive to render advice to the Minister based on sufficient consensus. If an individual board member, other than a member of management of the CPSI, strongly differs from what appears to be the board's consensus, he or she may record his or her dissent and the reasons for such dissent, and such dissenting opinion must be recorded in the minutes and included in any report on the relevant matter to the Minister.

(18) The views, advice and recommendations of the board do not represent those of the management of the CPSI, unless specifically stated so in the minutes or reports of the board.

(19) The CPSI shall provide all reasonable facilities and administrative, secretarial and logistical support required by the board, and the executive director must after consultation with the chairperson of the board designate a particular employee of the CPSI as secretary to the board.

(20) The CPSI, in accordance with subparagraph (23), is responsible, and the executive director accountable, for the board's expenses.

(21) The management of the CPSI in the absence of other board members do not constitute the board.

(22) The quorum for a meeting of the board or any of its subcommittees is half of the members of the board or subcommittee.

NOTICE 597 OF 2011

Date: 17 August 2011

COMPETITION COMMISSION**NOTICE IN TERMS OF SECTION 10(7) OF THE COMPETITION ACT 89 OF 1998 (AS AMENDED): WCCPF GRANTED UNCONDITIONAL EXEMPTION**

On 20 October 2010, the Western Cape Citrus Producers Forum (herein referred to as "WCCPF"), on behalf of its members, applied to the Competition Commission ("the Commission"), in terms of Section 10(1)(b) of the Act, to be exempted from certain provisions of Section 4 of the Competition Act, No.89 of 1998, as amended ("the Act"). The exemption was sought for a period of five (5) years, ending on 30 June, 2016.

Notice is hereby given in terms of Section 10(7) of the Act, that the Commission has, in response to the above mentioned application, granted the WCCPF unconditional exemption in terms of Section 10(2)(a) of the Act for a period of **five (5) years, commencing on 30 June 2011 and ending on 30 June 2011**. The exemption will ensure that different types of citrus fruits are collectively exported to the USA market by the members of the WCCPF.

The exemption applied for and granted by the Commission covers a wide range of activities which, according to the WCCPF, are required to ensure the maintenance and promotion of citrus exports to the USA market. In particular, the exemption covers **ALL** activities by members of the WCCPF which are considered by the Commission to be in contravention of Sections 4(1)(b)(ii) of the Act.

The WCCPF based its application on the premise that the aforesaid activities are required to obtain the objective set out under Section 10(3)(b)(i) of the Act.

After the analysis of the facts, the Commission is satisfied that the WCCPF's exemption will contribute towards maintaining and promoting citrus fruit exports to the USA market. The Commission found that the exempted conduct does not have an impact on competition in the domestic market for citrus fruit.

The WCCPF or any other person with substantial financial interest affected by this decision may appeal it to the Competition Tribunal in the prescribed manner in terms of Section 10(8) of the Act.

COMPETITION COMMISSION**NOTICE IN TERMS OF SECTION 10(7) OF THE COMPETITION ACT 89 OF 1998 (AS AMENDED): CONDITIONAL EXEMPTION GRANTED**

On October 13, 2010, South African Airways ("SAA") applied to the Competition Commission ("the Commission"), in terms of Section 10(1)(a) of the Competition Act No. 89 of 1998, as amended ("the Act"), for an exemption of certain provisions of its Code Share Agreement with Qantas Airways Limited ("Qantas"). In particular, SAA has requested the Commission that it be permitted to engage in the following activities with Qantas:

- Co-ordinate their activities in respect of the direct routes between South Africa and Australia
- Divide the market by allocating territories in terms of which SAA is to operate on the route between Johannesburg and Perth, whilst Qantas will operate on the Johannesburg – Sydney sector.
- Acquire blocks of seats in various classes, on each other's aircrafts, through what is known in the airline industry as the hard block seat allocation system.

Notice is hereby given in terms of Section 10(7) of the Act, that the Commission has, in response to the application, granted SAA conditional exemption for a period of eighteen (18) months, commencing on July 01, 2011 and ending on December 31, 2012. In granting the exemption, the Commission concluded that the Code Share Agreement between SAA and Qantas constitutes a prohibited practice in contravention of Section 4(1)(b)(ii) of the Act. However the exemption was granted on the basis that the Code Share Agreement contributes towards the maintenance and promotion of exports, thus satisfying the objective contained under Section 10(3)(b)(i) of the Act.

Further, with little prospect of direct competition from a new entrant, the Commission concluded that the immediate withdrawal of the Code Share Agreement would result in absolute monopolies on the direct routes between South Africa and Australia. The Code Share Agreement is therefore necessary if SAA and Qantas are to maintain their direct airline services between the two countries. The maintenance or continuous operation of the direct services between the two countries has significantly benefited airline travellers, and also heightened the limited competitive tension that currently exists in the marketplace.

Should SAA or any other person with a substantial financial interest wish to appeal the Commission's decision regarding this exemption, they may do so by lodging a declaration in the prescribed manner to the Competition Tribunal in terms of Section 10(8) of the Act.

The exemption is granted subject to the following conditions:

- The exemption is granted on the basis of the facts put forward by SAA. Should the said facts and circumstances change materially, the Commission should be notified so that the exemption may be re-evaluated in light of the new facts/circumstances. Therefore, any amendment or addendum to the Code Share Agreement shall not be of force and effect until approved by the Commission;
- The exemption only relate to the (direct) scheduled passenger airline services provided by SAA and Qantas between South Africa and Australia. It does not extend either to the cargo services between the two airlines or indirect services that may be offered by the airlines between the two countries;
- Any new code share agreement or commercial agreement in so far as it affects SAA must be approved by the Commission;
- SAA and Qantas must price and sell their airline tickets on the routes independently of each other;
- SAA and Qantas shall not share or pool revenue with each other under the Code Share Agreement;
- SAA and Qantas must always inform passengers, at the time of ticket reservations, of the carrier that will actually be operating the flight;
- The exemption will only be applicable while SAA and Qantas together operate a minimum of ten (10) flights per week. Prior notification is required should SAA and Qantas decide to change their flying frequencies; and
- SAA and Qantas must withdraw from all IATA tariff coordination activities in relation to air fare levels between South Africa and Australia.
