NATIONAL CREDIT REGULATOR

TENDER REFERENCE No. NCR075/03/11

TENDER ADVERTISEMENT FOR DEBT COUNSELLOR MONITORING SERVICES

The National Credit Act regulates consumer credit in South Africa. Amongst a broad range of consumer credit matters, the NCA specifically makes provision for debt-re-organisation of over-indebted consumers. The NCA mandates the National Credit Regulator to register debt counsellors and to monitor and regulate activities in the debt counselling industry. It also empowers the NCR to propose any conditions of registration on Debt Counsellors for the objects and purposes of the Act.

The National Credit Regulator (NCR) seeks to appoint qualified and experienced service providers to facilitate the effective implementation of debt counselling as envisaged by the Act and to enable the NCR to assess and monitor compliance of the debt counsellor with the NCA; their conditions of registration as set out through the provisions of section 48 (3) of the NCA; and to Regulations.

Suitably qualified service providers will be contracted on a piecemeal basis to provide the NCR with this service so that the NCR can reach its objectives in terms of enforcing Compliance to the NCA (Tender Reference No. NCR075/03/11) and to safeguard the rights and interests of consumers and credit providers in the provision of debt counselling services.

This will also ensure that the NCR is able to gather the necessary statistics and information in order to monitor trends in over-indebtedness, to monitor the effectiveness of debt counselling services and be able to report to the Minister as required by the Act.

Interested parties are invited to download the terms of reference including the tender documents from the NCR website: www.ncr.org.za (Tenders and the news). Submissions are due by 29 April 2011 at 11h00 sharp.

For any questions regarding the tender, please contact: Procurement@ncr.org.za or (011) 554-2646.
