1. As soon as possible after property is attached, the *curator bonis* must assess, in consultation with the representative of the National Director of Public Prosecutions, the cost and other implications of holding the property and determine the most appropriate management of each asset, including the cost of administering the asset and any possible depreciation in its value. In particular, the *curator bonis* must consider:

1.1 whether a motor vehicle subject to a credit agreement should be returned to the credit provider, realised early with the consent of the Defendant or otherwise, stored for later realisation or whether the Defendant's ownership equity in the vehicle should be bought out;

1.2 whether a business is viable and the best strategy for its management, including an early sale of the business or its stock;

1.3 whether it is more advantageous to store movables or release them to the Defendant, subject to suitable arrangements to preserve their value;

1.4 whether fixed property can be sold with the consent of the owner;

1.5 whether a sale of movable assets by private treaty or to a person dealing in such property is not a more cost-effective method of realising the asset than at public auction.

Method of disposing of assets

2. The *curator bonis* must use the most cost-efficient method of disposing of an asset and, if necessary, must actively market the asset and solicit offers.

3. The *curator bonis* should only resort to a sale at public auction where there is no less expensive or effective method of realising the asset.

4. Where there is an existing offer for the asset, any sale at public auction shall be subject to a reserve price equal to the amount of the existing offer.

Service providers engaged by the *curator bonis* in the performance of his mandate

5. The *curator bonis* must either:

5.1 Engage a service provider approved by the National Director of Public Prosecutions at a tariff agreed between the National Director of Public Prosecutions and that service provider,

5.2 engage a service provider at a rate that does not exceed the approved tariff set out below; or

5.3 obtain prior written quotations from 3 similar service providers before selecting the most appropriate quotation, and in his next quarterly report thereafter, provide the quotations and reasons for selecting the service provider at that tariff.

6. If the *curator bonis* intends to appoint a service provider to manage a going concern, the *curator bonis* must obtain the prior approval of the National Director of Public Prosecutions, failing which the manager's fees shall be assumed to be for the *curator bonis*' account.

7. The *curator bonis* must obtain the prior approval of the National Director of Public Prosecutions before engaging the services of any attorney or advocate for either litigious or non-litigious work, failing which the legal fees shall be assumed to be for the *curator bonis*' account.

Quotations and accounts by service providers

8. If a quotation is required, it must itemise the various services to be rendered and show the rate or other method used to calculate the amount of the quotation.

ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

- 9.1 any fee for removing the assets, and the rate at which this is calculated;
- 9.2 any storage fees, and the rate at which this is calculated;
- 9.3 any fee for inspecting or valuing the assets, and the basis on which it is calculated;
- 9.4 any fee for cleaning the assets, and the rate at which this is calculated;
- 9.5 any advertising costs;
- 9.6 the fees of the auctioneer, and the basis on which these are calculated.

- 10.1 be itemised;
- 10.2 show the rate or other method used to calculate the amount due;
- 10.3 be supported by a certificate that the account is a true and proper reflection of the work done and that no hidden profits have been made.

Tariffs

11. The following maximum tariffs are approved:

- 11.1 The fees of an auctioneer shall not exceed 7,5% of the proceeds from the sale of immovable property and 10% of the proceeds from the sale of movable property;
- 11.2 the fees of a valuer of immovable property shall be whichever is the lesser of the basis *ad valorem* tariff and the time charge prescribed from time to time by the South African Council for the Property Valuers Profession in terms of the Property Valuers Profession Act;
- 11.3 the fees for the valuation of movable property shall not exceed the fee for appraisers prescribed from time to time by the Master of the High Court in terms of the Administration of Estates Act;

12. In his final *curator bonis*' report or when requesting any draw down on expenses from the National Director of Public Prosecutions, the *curator bonis* shall certify that the expenses claimed were incurred solely in the execution of his mandate in terms of the Order of Court.

Kickbacks

13. A *curator bonis* who, directly or indirectly, accepts or agrees or offers to accept from any other person any gratification in relation to the performance of any part of his mandate, whether for his or her benefits or for the benefit of another person, other than an interim payment by the National Director of Public Prosecutions or a fee approved by the Master of the High Court, shall in his first report to the Master thereafter declare:

Legal costs

15. The *curator bonis* shall only pay legal costs for any person subject to curatorship if ordered to do so by a Court or with the prior written consent of the National Director of Public Prosecutions. If such costs are to be taxed, the National Director of Public Prosecutions shall be given notice of the taxation and be entitled to attend and make representations.

16. Litigious costs incurred by the *curator bonis* within the course of scope of his mandate shall be taxed and the National Director of Public Prosecutions shall be given notice of the taxation and be entitled to attend and make representations.
