**BOARD NOTICE 105 OF 2012****BOARD NOTICE REGARDING THE NEW FIRM FEES BASIS FOR INSPECTIONS PERFORMED IN TERMS OF SECTION 47 OF THE AUDITING PROFESSION ACT, 2005(ACT 26 OF 2005)**

Pursuant to the provisions of sections 47 and 8(2)(b) of the Auditing Profession Act, Act 26 of 2005, the Independent Regulatory Board for Auditors ("IRBA") hereby publishes for general information the following new firm basis for inspections performed.

From 1 April 2012, for all firms categorised as high or special risk (categories A and B respectively), inspections will be billed twice a year based on a percentage of the total audit and other assurance work invoiced by the firm, and declared every calendar year by the firm for each RA.

In principle, high and special risk assurance work will therefore be subject to a three year inspection cycle and billed on a biannual basis at a percentage of the total audit fee base declared.

Low risk assurance work (category C) may be inspected on a reactive basis. This means that the IRBA may inspect low risk assurance work if any information comes to the attention of the IRBA where it is deemed appropriate or necessary to perform an inspection. These inspections will be billed on a cost per hour recovery basis at a rate prescribed by the IRBA.

Re-inspections under categories A and B will also be billed separately on a cost per hour recovery basis at a rate prescribed by the IRBA.

**Inspection fee categories**

The following percentage on the high risk audit fee declared was approved by the Board:

<b>Total High Risk Audit Fee Declared CATEGORIES</b>	<b>Percentage inspection fee to be charged and payable in two instalments</b>
>R500 000 000	0.17%
>R50 000 000	0.55%
