The *curator bonis* must file a report with the registrar of this Honourable Court within 30 days of the granting of the preservation order which shall contain an inventory of the property taken into his custody in terms of this order, in which he shall set out the steps that have been taken by him to give effect to this order, and make any further recommendations as he may deem fit regarding any other steps he might be required to take in order to give effect to the order. The *curator bonis* must file supplementary reports containing additional relevant information as and when such reports become necessary.

Fees and expenditure of curator bonis

10. The fees and expenditure of the *curator bonis* must, in terms of section 42 (2) of the POCA, be paid from the forfeited property. In the event of no forfeiture order being granted, then such fees and expenditure must be paid by the state, provided further that interest on expenditure incurred by the *curator bonis* is paid by the state at the prime lending rate of the major financial institutions from the date of expenditure until the date of final payment.

Living and legal expenses

11. The Court may, after the granting of this order, on application by the respondent or any other person holding an interest in the property, make appropriate provision for the payment of such expenses as in the Court's determination are reasonable, out of the property subject to this order, provided that no such provision for the payment of expenses will be made unless the person concerned has disclosed to the *curator bonis* and the Court under oath all his or her interest in the property, and has provided to the *curator bonis* and the Court a full and sworn written statement of his or her assets and liabilities and provided further that the person applying for living or legal expenses satisfies the Court that—
