#### **Special Resolution 1—Amendment of the memorandum of incorporation of the Company for transaction with the International Finance Corporation**

"Resolved that the memorandum of incorporation of the Company is hereby amended, with effect from the date or which the subscription agreement entered into between the Company and the International Finance Corporation ("IFC") on 5 June 2012 ("IFC Subscription Agreement") becomes unconditional (if ever), as follows:

1. Article 1 is amended by adding the following definitions so that they appear in alphabetical order:

"1.1.7A **"Change of Control"** shall have occurred if a person (or persons acting in concert) who did not have the right before:

- (i) acquires the right to cast 50% (fifty percent) or more of the general voting rights attaching to the share capital of the company or a Key Subsidiary; and/or
- (ii) acquires the ability to appoint the majority of the directors of the company and/or a Key Subsidiary;

1.1.15A **"IFC Subscription Date"** means the date on which the International Finance Corporation becomes a shareholder of the company for the first time;

- 1.1.19A **“Key Subsidiary”** means a company:
- (i) that is a subsidiary of the company (as the term “subsidiary” is defined in the new Companies Act); and
  - (ii) whose net asset value represents more than 25% (twenty-five per cent) of the consolidated net asset value of the Assupol group of companies (as the term “group of companies” is defined in the new companies Act), but including specifically but without limitation Assupol Life;
- 1.1.20A **“Listing Date”** means the date on which the ordinary share capital of the company is listed on the JSE;
- 1.1.33A **“Related Party Transaction”** means a transaction between the company (or a Key Subsidiary) on the one hand and any of the following persons on the other hand:
- (i) any director, officer or shareholder of the company; or
  - (ii) any person or entity related to a director, officer or shareholder of the company, as the term “related” is defined in the new Companies Act;”.
2. A new article 26.23 is inserted after the existing article 26.22 to read as follows:
- “26.23 Unless compliance would result in a contravention of the new Companies Act, the following matters shall, from the IFC Subscription Date until the Listing Date, require a special resolution of the shareholders of the company:
- 26.23.1 the creation, authorization and/or issue of any equity security that ranks preferent to the ordinary shares of the company, but specifically excluding the creation, authorization and/or issue of:
- (i) the preference shares contemplated in article 56 and/or
  - (ii) any new class of preference shares created, authorized and/or issued specifically for the purposes of raising funding from a financial institution in order to assist the company to redeem preference shares issued in terms of article 56;
- 26.23.2 any disposal or transfer of shares in a Key Subsidiary that will result in the company beneficially owning (whether directly or indirectly) less than 50.1% (fifty comma one percent) of the entire issued share capital of that Key Subsidiary or resulting in any Change in Control in any Key Subsidiary;
- 26.23.3 the removal or replacement of the external auditors of the company;
- 26.23.4 amending the financial year-end of the company and/or any Key Subsidiary.”.
4. A new article 33.8 is inserted after the existing article 33.7 to read as follows:
- “33.8 Unless compliance would result in a contravention of the new Companies Act, the following matters shall, from the IFC Subscription Date up until the Listing Date, require the affirmative vote of at least 75% (seventy five percent) of the directors present at a duly convened meeting at which a quorum is present:
- 33.8.1 any amalgamation, merger, consolidation, restructuring or similar transaction that results in a Change of Control in relation to the company and/or any Key Subsidiary;
- 33.8.2 the disposal of the whole or greater part of the assets or undertaking of the Company or any Key Subsidiary;
- 33.8.3 a general compromise with the creditors of the company or of a Key Subsidiary;
- 33.8.4 an application for the winding-up of the company and/or any Key Subsidiary;

- 33.8.8 any alteration of the share capital of the company and/or any Key Subsidiary (including a subdivision or consolidation of shares), but specifically excluding the conversion of redemption of the [preference shares in accordance with article 56, the issue and allotment of further preference shares in accordance with the scheme, the issue or repurchase of any shares pursuant to an employee incentive scheme and/or any alteration of share capital that is specifically contemplated by, and authorised in terms of, the scheme;
- 33.8.9 the incurring of any long-term debts (being debts with a final repayment date in excess of five years) that will result in the total debt of the company (or Key Subsidiary, as the case may be) exceeding 30% (thirty percent) of the net asset value of the company or Key Subsidiary;
- 33.8.10 the incurring of any loan or finance outside the ordinary course of business in an amount exceeding R100 000 000 (one hundred million rand), by the company or a Key Subsidiary (or on a consolidated basis) during any financial year;
- 33.8.11 the creation or issue of any debentures, debt securities (including warrants, notes) or similar debt instruments by the company or any Key Subsidiary, other than in the ordinary course of business;
- 33.8.12 the company and/or any Key Subsidiary entering into any Related Party Transaction, other than in the ordinary course of business;
- 33.8.13 any amendment to the memorandum of incorporation of the company or any Key Subsidiary.”.
5. Article 38.1 is amended by:
- 5.1 deleting the words “Unless otherwise determined by the directors,”; and
- 5.2 deleting the words “3 (three) directors” and replacing them with the phrase “half of the number of directors in office”.
6. Article 39 is amended by:
- 6.1 adding the phrase “, to the maximum extent permitted by law [and in particular section 78 (6) of the Act],” after the phrase “Every director, manager, secretary, auditor and officer of the company shall” where it appears in the first line of article 39.1;

- 6.2 adding the phrase “, to the maximum extent permitted by law [and in particular section 78 (6) of the Act],” after the phrase “Every such person shall” where it appears in the first line of article 39.2;
- 6.3 adding a new article 39.3 after the existing article 39.2 to read as follows:  
 “39.3 The company shall take out and maintain appropriate insurance to cover potential claims that may arise in terms of this paragraph 39.”
7. Articles 5.2 and 45 are deleted.”

**Reason and effect:**

The reason for Special Resolution 1 is to amend the memorandum of incorporation of the Company in accordance with the requirements of the IFC as set out in a subscription agreement concluded with the IFC on 5 June 2012. The scheme document for the demutualisation of Assupol Life provides for the possible issue of shares to institutional investors. The IFC, a member of the World Bank Group, is the first institutional investor that concluded a subscription agreement with the Company in terms whereof it will subscribe for shares in the Company for a total subscription price of R170 000 000,00. The proceeds of the subscription will be used for the redemption of preference shareholders. More details about the IFC is available on its website at [www.ifc.org](http://www.ifc.org)

The Takeover Regulation Panel (“TRP”) has exempted the subscription for shares by the IFC from the provisions of Parts B and C of Chapter 5 of the Companies Act. Interested shareholders may obtain a copy of the ruling from the Company’s registered office, or otherwise raise any objections they may have with the TRP, within five business days of delivery/publication of this notice. The TRP can be contacted on (011) 642-1301 and its physical address is at 1st Floor, Block B, Sunnyside Office Park, 32 Princess of Wales Terrace, Parktown, 2193.

*The requirements of the IFC can be summarised as follows:*

- (1) the clarification of certain matters that would require a special resolution of the shareholders of the Company (see specifically the addition of the new article 26.23)
- (2) the addition of a higher approval threshold in respect of certain board decisions (see specifically the addition of the new article 33.8); and
- (3) amendments to the proceedings of Directors to provide that a quorum for a board meeting shall at all times be half of the directors in office and that the chairperson shall not have a casting vote (see specifically the changes to article 38);
- (4) Amendments to the indemnity provisions set out in article 39 to the memorandum of incorporation to the effect that such indemnification shall be to the maximum extent permitted by law [and in particular section 78 (6) of the Companies Act 71 of 2008, as amended (“Companies Act”)]; and
- (5) the Company shall be obliged to take out and maintain appropriate insurance to cover potential claims that may arise in terms of article 39 of the memorandum of incorporation.

The amendment of the memorandum of incorporation of the Company as set out in the proposed Special Resolution 1 within 90 days of the signature date of the IFC Subscription Agreement (or such later date as the Company and the IFC may agree in writing), is one of the suspensive conditions to the IFC Subscription Agreement. If the memorandum of incorporation is not amended accordingly, the IFC Subscription Agreement will lapse and the transaction will not be implemented.

**Special Resolution 2—Amendment of the memorandum of incorporation of the Company to make provision for appointment of additional directors.**

“Resolved that the memorandum of incorporation of the Company be amended by deleting the phrase “After the first general meeting after the conversion date,” from article 30.3 and by deleting the phrase “after the conversion date” from article 30.3.3.”

**Reason and effect:**

The change to the Company’s memorandum of incorporation in the proposed Special Resolution 2 will allow the board of directors of the Company to fill the vacant human resources board position and to appoint Mr Siphwe Ndwalaza as an executive director of the Company in the capacity as Executive Director: Human Resources.

**Special Resolution 3—Amendment of the memorandum of incorporation of the Company regarding repurchases of shares and acquisition of shares by the Company’s subsidiaries.**

“Resolved that article 16 of the memorandum of incorporation of the Company be amended by:

1. deleting the phrase “by special resolution” in the fifth line of article 16.1; and
2. adding the phrase “(to the extent required by the Act)” after the word “same” in article 16.2.2.

**Reason and effect:**

The amendment to the memorandum of incorporation of the Company proposed in Special Resolution 3 will bring the requirements of the memorandum of incorporation as regards share repurchases and the acquisition by a company of shares in its holding company in line with the requirements of the Companies Act. In terms of the Companies Act the board of a company may decide that the company will repurchase its own shares or acquire shares in its holding company, subject to certain requirements such as solvency and liquidity. Only in the event of a repurchase by a company of its own shares from directors or prescribed officers of the company, or persons related to such directors or prescribed officers, or if 5% or more of the company’s shares of a particular class are to be repurchased in terms of one transaction, or an integrated series of transactions, will the approval of a special resolution of the shareholders be required. The adoption of this proposed resolution will, amongst other things, facilitate the operation of the Company’s employee share incentive scheme.

By Order of the Board.—Samuel de Beer, Company Secretary.
