## SERVICES SETA

### INVITATION TO BID

The Services Sector for Education and Training Authority (SSETA) is a statutory body established through the Skills Development Act of 1998 to enable its stakeholders to advance skills levels in the sector in accordance to government's growth initiatives.

All SETAs were recently reviewed and SSETA has been re-licensed to execute its mandate for the next five years (to March 2016). The Services SETA is striving to build a system where skills production and development respond to the socio-economic needs of our country and its labour market. Such high-quality skills will in turn enhance investment and improve service delivery; read more on [www.serviceseta.org.za](http://www.serviceseta.org.za)

SSETA is inviting tenders for the development, supply and installation of a new server system and training for the SSETA IT staff. The work will require the following:

- Five (5) full time developers for a period of nine (9) months. This can either be fulfilled by 5 staff members working for the full 9 months, or by 10 staff members working for 4½ months each, or by any variation thereof.
- The Developers are to develop, configure and install integrated SETA enterprise management and administration system.

The outcome of this system will be to conduct all business transactions of the SSETA in an integrated manner across the organization and to provide a management information reporting portal for all SETAs and the needs of Department of Higher Education Training (DHET) as well as South African Qualifications Authority (SAQA). The system should be portable to other SETAs without additional development costs.

Please quote the following Reference number in all documentations: **PROC-T196**.

**Note:** No briefing session will be held.

Bid documentation is available for downloading from the SSETA website ([www.serviceseta.org.za](http://www.serviceseta.org.za)), Tenders. Questions regarding the bid can be directed to Nonhlanhla Nkadimeng on [nonhlanhlan@serviceseta.org.za](mailto:nonhlanhlan@serviceseta.org.za)

## Invitation to register on the SARS Supplier Database

*SARS hereby invites interested businesses, particularly small and micro enterprises owned by women, youth and people with disabilities, to apply for registration to be included on SARS's Supplier Database as prospective suppliers.*

**Businesses that provide the following services are encouraged to register:**

- Events Management
- Venues and Catering
- General Building Maintenance and Repairs
- Transport and Storage
- Supply and Delivery of Fuel
- Office Supplies

Preference will be given to registered suppliers when SARS issues Requests for Quotations. However, it does not necessarily follow that those suppliers who are not registered will be precluded from quoting for the supply of goods and services to SARS. It is envisaged that the Supplier Database will contribute to better and more efficient administration. The Supplier Database will be utilised in compliance with the Public Finance Management Act (PFMA), the prescripts of National Treasury relating to Supply Chain Management (SCM), as well as SARS's External Procurement Policy.

Suppliers registered on this database are by no means guaranteed contracts for goods and/or services required by SARS, nor does it imply that every supplier registered on the Supplier Database will in all instances be given the opportunity to provide a quotation to SARS. It does, however, enable SARS's purchasing department to identify potential suppliers who can be approached to submit quotations to SARS for goods and/or services as and when required.

The list of required documents can be obtained from the SARS website ([www.sars.gov.za](http://www.sars.gov.za)) under the following link: About SARS > Procurement > New Supplier Registration. Should you require any further clarity, you can contact Vilette Forwood on telephone number 012 422 4077 or Andre Taljaard on 012 422 4078.

It is imperative that potential suppliers read the registration forms carefully, complete all sections in full, sign and date the forms. An original, valid (current) Tax Clearance Certificate as well as a valid, current BBBEE certificate (issued by an accredited Verification Agency) must be submitted together with the registration form. No contract will be awarded to a supplier who has not remained tax compliant whilst registered on the Supplier Database.

The closing time and date for this Request to Register as a Supplier on the SARS Database is 10:00 am on 28 September 2012. Submit applications to:
