Annexure 1.1**GUIDELINES AND CONDITIONS PERTAINING TO REBATE ITEM 460.02/0904.2/01.05 FOR THE IMPORTATION OF DRIED OR CRUSHED OR GROUND FRUITS OF THE GENUS CAPSICUM (0904.2) FOR THE EXTRACTION OF PAPRIKA OLEORESIN (3309.90.80)****1. PURPOSE**

- 1.1 The purpose of this document is to provide a reference and procedural guide for the application for a permit in terms of the rebate provision **460.02/0904.2/01.05** for the importation of dried, crushed or ground fruits of the genus *Capsicum* (0904.2) for the extraction of paprika oleoresin (3309.90.80).

2. SCOPE

- 2.1 The scope of this document covers the application process by applicants for a permit in terms of the above mentioned rebate provision.

3. THE PURPOSE OF THE REBATE

- 3.1 The purpose of the rebate item is to assist SACU oleoresin extractors when the SACU paprika production cannot satisfy the quantities required by the downstream paprika oleoresin extractors.

4. APPLICATION

- 4.1 Applicants must register with South African Revenue Service (SARS) as users of the rebate provision, and they must acquaint themselves with the requirements of SARS.
- 4.2 Applications for rebate permits must be addressed to the International Trade Administration Commission of South Africa, Private Bag X 753, Pretoria or delivered by hand to the DTI Campus (Block E), 77 Meintjies Street, Sunnyside, Pretoria.
- 4.3 Applications for permits must be submitted according to the requirements as outlined in the application form. If the space provided in the application form is insufficient, the format of the application form to submit the requested information must be used.
- 4.4 If all the information requested in the application form is not submitted, the application will not be considered, and will be returned to the applicant.
- 4.5 At least fourteen (14) working days must be allowed for the processing of rebate permit applications and the issuing of the rebate permit.
- 4.6 Each rebate permit issued in terms of these Guidelines will define the period during which the products concerned can be cleared with rebate of duty, and the period shall be for a calendar year, starting from the date on which the permit was issued or a shorter period as requested by the Applicant and granted by ITAC, or shorter period as decided upon by ITAC. ITAC shall bear sole discretion in this regard.
- 4.7 Rebate permits may not be transferred in any manner by the holder thereof to any other person, or be used to the benefit of any person not named in the permit.

5. Applications submitted in terms of this rebate provision will be subject to the following requirements:
 - 5.1 only the SACU paprika oleoresin extractors will qualify for a permit under this rebate provision;
 - 5.2 permits, in consultation with the National Agricultural Marketing Council, will only be issued once local production of dried or crushed fruits of the genus *Capsicum* (paprika) has been depleted;
 - 5.3 where possible, the application form must be accompanied by a letter with a date, not older than 30 days from the date of application, from the local producers as proof that the local producer(s) cannot supply sufficient quantities of the product in question;
 - 5.4 the applicant must comply with labour laws, regulations and agreements gazetted by the Minister of Labour and Bargaining Council. Proof must be provided by submitting certified copies of Bargaining Council compliance, where applicable, UIF registration as well as proof of salaries being paid;
 - 5.5 the applicant must provide, in each permit application, the number of jobs it expects to create annually as a result of the rebate. The applicant must submit to ITAC an annual report on the number of jobs it created; and
 - 5.6 the applicant must submit a Tax Clearance Certificate and VAT Certificate.
6. Any request for an amendment to a rebate permit must be forwarded to ITAC for consideration. Amendments will only be considered in the following instances:
 - a) error by ITAC on permit;
 - b) error by applicant regarding the product description or tariff subheading. This will only be processed if the request is accompanied by a confirmation from SARS.
7. Should any party misplace a permit, the applicant should submit an affidavit on a company letterhead endorsed by a Commissioner of Oath, stating that the permit was lost and the circumstances surrounding the loss of such permit. ITAC may, on the facts furnished, exercise its discretion to issue a new permit. Should the lost permit be found the applicant must return such permit to ITAC.
8. Extension of the one-year period from which the permit is valid may be granted. Extensions will only be granted where the relevant permit has not expired, and in the view of ITAC, good cause warrants extension of such permit. Such discretion shall lie solely with ITAC. Extensions will only be permitted for a period up to 3 months and the party applying for the extension must submit a letter and supporting documents to ITAC, furnishing reasons and good cause for the extension.
9. The rebate permit will be valid for twelve months from date of issue, or a shorter period as decided upon by ITAC.
10. Rebate permits may not be transferred in any manner by the holder thereof, to any other person, or be used to the benefit of any person, not named in the permits.
11. Non-compliance to the conditions of permits:

Where there is reason to believe that any condition of a permit issued, in terms of this rebate provision is not complied with, the consignment in terms of which the rebate was used can be seized by ITAC. If non-compliance is established, appropriate steps in terms of the International Trade Administration Act and the Customs and Excise Act will be taken and that may include, criminal charges, withdrawal of the permit or permits concerned and/or the rejection of future applications for permits.

Annexure 1.5**GUIDELINES FOR ISSUING A REBATE PERMIT UNDER REBATE ITEM 312.01/6001.92/01.06 FOR OTHER PILE FABRICS, KNITTED OR CROCHETED, OF MAN-MADE FIBERS USED FOR THE MANUFACTURE OF FOOTWEAR WITH UPPERS OF TEXTILE MATERIALS**

1. Applicants must register with South African Revenue Service (SARS) as users of rebate provision 312.01/6001.92/01.06, and they must acquaint themselves with the requirements of SARS.
2. Applications for permits must be addressed to the International Trade Administration Commission of South Africa (ITAC), Private Bag X 753, Pretoria or delivered by hand to the DTI Campus, (Block E), 77 Meintjies Street, Sunnyside, Pretoria.
3. Applications for permits must be submitted according to the requirements of the application form concerned. If the space provided in the application form is insufficient, please use the format of the application form to submit the requested information.
4. If all the information requested in the application form is not submitted, the application will not be considered, and it will be returned to the applicant.
5. At least fourteen (14) working days should be allowed for the processing of applications and the issuing of permits, provided that all necessary information has been submitted to ITAC.
6. Each rebate permit issued defines the period during which the goods concerned can be cleared under the rebate. The period shall be no longer than one calendar year, and commences on the date on which the permit is issued. The permit may be issued for a specific, shorter period as requested by the applicant or as decided upon by ITAC.
7. If an applicant intends to apply for a subsequent permit for which the period of validity should commence on the day after the expiry date of the permit issued in terms of paragraph 6, this must be clearly indicated in a new application. The application must be submitted to ITAC at least one month prior to the expiry date of the previous permit as permits cannot be issued with retrospective effect.
8. Rebate permits issued will be subject to the following conditions:
 - 8.1 the applicant must “manufacture end products as described in the rebate provision” to such an extent that there is a visible permanent change in the fabrics, and a change in tariff heading;

 - 8.7 the applicant must consult with local manufacturers of textile fabrics and/or the industry association to confirm if they are able to supply a reasonable quantity of fabrics as required;
 - 8.8 the applicant can request the manufacturer to respond within fourteen (14) days of their receipt of the request. Should the local manufacturers of textile fabrics not be able to supply the quantity requested, the applicant need to obtain a confirmation letter from the manufacturer stating that they are not able to supply. The letter in its original form must be submitted with the application form;
 - 8.9 if the manufacturer does not provide such a confirmation letter, ITAC will write a letter to the manufacturer informing them of the application and requesting them to confirm their production and production capacity. The manufacturer will then be afforded seven (7) working days to respond to this letter. Should the manufacturer respond within the afforded period, the information provided will be taken into account during the decision making process;
 - 8.10 should, after receipt of the manufacturer's response, or in the absence of such, information be available that reflects that the manufacturer is unable to supply the quantity of fabrics required, ITAC will issue a permit; and
 - 8.11 based on the information available to it, regarding whether or not a local manufacturer can supply the quantity of fabrics required, ITAC will decide whether to issue a permit.
9. Rebate permits may not be transferred in any manner by the holder thereof, to any other person, or be used for the benefit of any person, not named in the permits.
 10. Applicants making use of Cut, Make and Trim (CMT), should attach to the application the following information:
 - a) name of the CMT;
 - b) Tax Clearance Certificate & VAT certificate;
 - c) Certificate of Compliance obtainable from the Bargaining Council;
 - d) job profile of the CMT; and
 - e) provide ITAC with production volumes to be carried out by the CMT (The applicant should note that manufacturing by the CMT should not exceed 30 per cent of its own manufacturing volume as indicated in a permit issued by ITAC.
 11. The applicant should take responsibility for all compliance issues, as non-compliance will result in the appropriate steps being taken.
 12. Any request for an amendment to a rebate permit must be forwarded to ITAC for consideration. Amendments will only be considered in the following instances:

- a) error by ITAC on permit;
 - b) error by applicant regarding the product description or tariff subheading. This will only be processed if the request is accompanied by a confirmation from SARS.
- 13 Should any party misplace a permit, the applicant should submit an affidavit on a company letterhead, endorsed by a Commissioner of Oaths, stating that the permit was lost and the circumstances surrounding loss of such permit. ITAC may, on the facts furnished, exercise its discretion to issue a new permit. Should the lost permit be found, the applicant must return such permit to ITAC.
- 14 Extension of the one year period from which the permit is valid may be granted. Extensions will only be granted where the relevant permit has not expired, and in the view of ITAC, good cause warrants extension of such permit. Such discretion shall lie solely with ITAC. Extensions will only be permitted for a period up to 3 months and the party applying for the extension must submit a letter and supporting documents to ITAC, furnishing reasons and good cause for the extension.
- 15 Non-compliance to the conditions of permits:
- Where there is a reason to believe that any condition of a permit issued, in terms of this rebate provision is not complied with, the consignment in terms of which the rebate was used can be seized by ITAC. If non-compliance is established, appropriate steps in terms of the International Trade Administration Act and the Customs and Excise Act will be taken and that may include, criminal charges, withdrawal of the permit or permits concerned and/or the rejection of future applications for permits.

Annexure 1.6

GUIDELINES, RULES AND CONDITIONS PERTAINING TO TEXTILE FABRIC IMPORTED IN TERMS REBATE ITEMS 320.01/5407.61/01.06, 320.01/5903.20.90/01.08 AND 320.01/5907.00.90/01.08 FOR THE MANUFACTURE OF UPHOLSTERED FURNITURE

1. Applicants must register with South African Revenue Service (SARS) as users of rebate provisions 320.01/5407.61/01.06, 320.01/5903.20.90/01.08 and 320.01/5907.00.90/01.08, and they must acquaint themselves with the requirements of SARS.
2. Applications for permits must be addressed to the International Trade Administration Commission of South Africa (ITAC), Private Bag X 753, Pretoria or delivered by hand to the DTI Campus, (Block E), 77 Meintjies Street, Sunnyside, Pretoria.
3. Applications for permits must be submitted according to the requirements as set out in the application form. If the space provided in the application form is insufficient, please use the format of the application form to submit the requested information.
4. If all the information requested in the application form is not submitted, the application will not be considered, and it will be returned to the applicant.

5. At least fourteen (14) working days should be allowed for the processing of applications and the issue of permits, provided that all necessary information has been submitted to ITAC.
6. Each rebate permit issued defines the period during which the goods concerned can be cleared under the rebate. The period shall be for a calendar year, and commences on the date on which the permit was issued. The permit may be issued for a shorter period as requested by the applicant, or as decided upon by ITAC.
7. If an applicant intends to apply for a subsequent permit for which the period of validity should commence on the day after the expiry date of the permit issued in terms of paragraph 6, this must be clearly indicated in a new application. The application must be submitted to ITAC at least one month prior to the expiry date of the previous permit as permits cannot be issued with retrospective effect.
8. Rebate permits issued will be subject to the following conditions:
 - 8.1 there should be an intention by the applicant to “manufacture end products as described in the rebate provision” to such an extent that there is a visible permanent change in the fabrics, and a change in tariff heading;
 - 8.2 ITAC will, if it deems this necessary, physically inspect the equipment and manufacturing process prior to the issue of a rebate permit, and at least 70 per cent of manufacturing must be done by the applicant and may not be outsourced;
 - 8.3 the applicant must comply with labour laws and agreements gazetted by the Minister of Labour;
 - 8.4 an applicant must, together with his application submit proof of registration and a Certificate of Compliance obtainable from the relevant Bargaining Council;
 - 8.5 the applicant must submit a Tax Clearance Certificate and VAT Certificate;
 - 8.6 the applicant must provide in each permit application the number of jobs it expects to create annually as a result of the rebate. The applicant will submit to ITAC an annual report on its job creation performance;
 - 8.7 the applicant(s) need to consult with the local manufacturers of upholstery furniture fabric and industry associations to confirm if the domestic industry is able to supply a reasonable quantity of fabrics as required;
 - 8.8 the applicant can request the local manufacturer and/or the industry association to respond within 14 days of their request. Should the local manufacturers of upholstered furniture fabrics not be able to supply the quantity requested, the applicant(s) need to obtain a confirmation letter stating that the domestic industry is not able to supply. The original letter needs to be submitted with the application form;
 - 8.9 If the local manufacturer refuses to provide such a confirmation letter, ITAC will write a letter to it informing it of the application and requesting it to confirm the domestic industry’s production and production capacity. The manufacturer will then be allowed 7 days to respond to this letter. Should the manufacturer respond within the 7 day period, the information provided will be taken into account during the decision making process; and

- 8.10 Should, after receipt of the manufacturers response, or in the absence of such, information be available that reflects that the manufacturer is reasonably unable to supply the quantity of fabrics required, ITAC will issue a permit.
9. Applicants making use of Cut Make and Trim (CMT) should attach the following information:
- a) name of the CMT;
 - b) Tax Clearance Certificate and VAT certificate;
 - c) Certificate of Compliance obtainable for the Bargaining Council;
 - d) job profile of the CMT; and
 - e) provide ITAC with production volumes to be carried out by the CMT (The applicant should note that manufacturing by the CMT should not exceed 30 per cent of its own manufacturing volume as indicated in a permit issued by ITAC.
10. The applicant should take responsibility of all compliance issues, as non-compliance will result in appropriate steps being taken.
11. Rebate permits may not be transferred in any manner by the holder thereof, to any other person, or be used to the benefit of any person, not named in the permits.
12. Any request for an amendment to a rebate permit must be forwarded to ITAC for consideration. Amendments will only be considered in the following instances:
- a) Error by ITAC on permit;
 - b) Error by applicant regarding the product description or tariff subheading. This will only be processed if the request is accompanied by a confirmation from SARS in this regard.
13. Should any party misplace a permit, the applicant should submit an affidavit on a company letterhead endorsed by a Commissioner of Oaths, stating that the permit was lost and the circumstances surrounding loss of such permit. ITAC may, on the facts furnished exercise its discretion to issue a new permit. Should the lost permit be found the applicant must return such permit to ITAC.
14. Extension of the one year period from which the permit is valid may be granted. Extensions will only be granted where the relevant permit has not expired, and in the view of ITAC, good cause warrants extension of such permit. Such discretion shall lie solely with ITAC. Extensions will only be permitted for a period up to 3 months and the party applying for the extension must submit a letter and supporting documents to ITAC, furnishing reasons and good cause for the extension.
15. Non-compliance to the conditions of permits:
- Where there is a reason to believe that any condition of a permit issued, in terms of this rebate provision is not complied with, the consignment in terms of which the rebate was used can be seized by ITAC. If non-compliance is established, appropriate steps in terms of the International Trade Administration Act and the Customs and Excise Act will be taken and that can include, criminal charges, withdrawal of the permit or permits concerned and/or the rejection of future applications for permits.

ANNEXURE 1.7**GUIDELINES, RULES AND CONDITIONS PERTAINING TO REBATE ITEM 312.01/6001.92/01.06; FOR OTHER PILE FABRICS, KNITTED OR CROCHETED, OF MAN-MADE FIBRES, IN SUCH QUANTITIES, AT SUCH TIMES AND SUBJECT TO SUCH CONDITIONS AS THE INTERNATIONAL TRADE ADMINISTRATION COMMISSION MAY ALLOW BY SPECIFIC PERMIT, FOR USE IN THE MANUFACTURE OF FOOTWEAR WITH UPPERS OF TEXTILE MATERIALS CLASSIFIABLE IN CHAPTER 64**

9. Applicants must register with the South African Revenue Service (SARS) as users of the rebate provision, and they must acquaint themselves with the requirements of SARS.
10. Applications for permits must be addressed to the International Trade Administration Commission of South Africa (ITAC), Private Bag X 753, Pretoria or delivered by hand to the DTI Campus, (Block E), 77 Meintjies Street, Sunnyside, Pretoria.
11. Applications for permits must be submitted according to the requirements of the attached application form. If the space provided in the application form is insufficient, please use the format of the application form to submit the requested information.
12. If all the information requested in the application form is not submitted, the application will not be considered, and it will be returned to the applicant.
13. At least (14) working days should be allowed for the processing of applications and the issuing of permits, provided that all necessary information has been submitted to ITAC.
6. The rebate permit will be valid for twelve months from the date of issue, or a shorter period as decided upon by ITAC.
7. If an applicant intends to apply for a subsequent permit for which the period of validity should commence on the day after the expiry date of the permit issued in terms of paragraph 6, this must be clearly indicated in a new application. The application must be submitted to ITAC at least one month prior to the expiry date of the previous permit as permits cannot be issued with retrospective effect.
8. Any request for an amendment to a rebate permit must be forwarded to ITAC for consideration. Amendments will only be considered in the following instances:
 - a) Error by ITAC on permit;
 - b) Error by the applicant regarding the product description or tariff subheading. This will only be processed if the request is accompanied by a confirmation from SARS in this regard.
9. Should any party misplace a permit, the applicant should submit an affidavit on a company letterhead endorsed by a Commissioner of Oath, stating that the permit was lost and the circumstances surrounding the loss of such permit. ITAC may, on the facts furnished, exercise its discretion to issue a new permit. Should the lost permit be found the applicant must return such permit to ITAC.
10. Extensions will only be granted where the relevant permit has not expired, and in the view of ITAC, good cause warrants extension of such permit. Such discretion shall

lie solely with ITAC. Extensions will only be permitted for a period up to 3 months and the party applying for the extension must submit a letter and supporting documents to ITAC, furnishing reasons and good cause for the extension.

11. Rebate permits issued will be subject to the following conditions:
 - 11.1 ITAC will, if it deems this necessary, physically inspect the equipment and manufacturing process prior to the issue of a rebate permit, and at least 70 per cent of manufacturing must be done by the applicant and therefore may not be outsourced;
 - 11.2 the applicant must comply with labour laws, regulations and agreements gazetted by the Minister of Labour and Bargaining Council. Proof must be provided by submitting copies of Bargaining Council compliance, where applicable, UIF registration as well as proof of salaries being paid;
 - 11.3 the applicant must submit a Tax Clearance Certificate and VAT Certificate;
 - 11.4 the applicant must provide in each permit application the number of jobs it expects to create annually as a result of the rebate. The applicant will submit to ITAC an annual report on its job creation performance;
 - 11.5 the applicant must consult with local manufacturers of textile fabrics and Texfed to confirm if they are able to supply a reasonable quantity of fabrics as required;
 - 11.6 the applicant can request the manufacturer to respond within fourteen (14) days of their receipt of the request. Should the local manufacturers of textile fabrics not be able to supply the quantity requested, the applicant(s) need to obtain a confirmation letter from the manufacturer stating that they are not able to supply. The original letter must be submitted with the application form;
 - 11.7 if the manufacturer does not provide such a confirmation letter, ITAC will send a letter to the manufacturer informing them of the application and requesting them to confirm the domestic industry's production and production capacity. The manufacturer will then be allowed seven (7) working days to respond to this letter. Should the manufacturer respond within the afforded period, the information provided will be taken into account during the decision making process;
 - 11.8 should, after receipt of the manufacturers response, or in the absence of such response, information be available that reflects that the manufacturer is unable to supply the quantity of fabrics required, ITAC, will issue a permit;
 - 11.9 based on the information available to it regarding whether or not a local manufacturer can supply the quantity of fabrics required, ITAC will decide whether to issue a permit;
 - 11.10 rebate permits may not be transferred in any manner by the holder thereof, to any other person, or be used to the benefit of any person, not named in the permits; and
 - 11.11 applicants making use of Cut Make and Trim (CMT) should attach the following information:
 - a) name of the CMT;
 - b) Tax Clearance Certificate and VAT certificate;
 - c) Certificate of Compliance obtainable for the Bargaining Council;

- d) job profile of the CMT; and
 - e) provide ITAC with production volumes to be carried out by the CMT (The applicant should note that manufacturing by the CMT should not exceed 30 per cent of its own manufacturing volume as indicated in a permit issued by ITAC).
12. Non-compliance to the conditions of permits:

Where there is reason to believe that any condition of a permit issued in terms of this rebate provision is not complied with, the consignment in terms of which rebate was used can be seized by ITAC. If non-compliance is established, appropriate steps in terms of the International Trade Administration Act and the Customs and Excise Act will be taken and that can include, criminal charges, withdrawal of the permit or permits concerned and/or the rejections of future applications for permits

PROPOSED CLASSES OF WATER RESOURCES FOR THE CATCHMENTS OF THE OLIFANTS-DOORN IN TERMS OF SECTION 13(1)(a) OF THE NATIONAL WATER ACT, 1998 (ACT NO. 36 OF 1998)

SCHEDULE

1. DESCRIPTION OF WATER RESOURCE

1. The proposed classes are determined for all or part of every significant water resource within the catchments of the Olifants-Doorn as set out below:

Drainage Region: E Primary Drainage Region
River(s): Olifants and Doring River System

Drainage Region: G3 Secondary Drainage Region
River(s): Papkuil, Verlorevlei, Langvlei, Jakkalsvlei and Sandlaagte River Systems

Drainage Region: F6 Secondary Drainage Region
River(s): Brak and Sout River Systems

2. The Minister has in terms of section 12 of the National Water Act, Act No.36 of 1998 (the Act), prescribed a system for classifying water resources by promulgating Regulation 810, Government Gazette 33541 dated 17 September 2010. In terms of section 13(1) of the Act, the Minister must, as soon as reasonably practicable after the Minister has prescribed a system for classifying water resources and subject to subsection (4), by notice in the Gazette, determine for all or part of every significant water resource, a class in accordance with the prescribed classification system.
3. The Minister, in terms of section 13(1) of the Act, proposes to determine the following classes of each significant water resource for catchments of the Olifants-Doorn.

2. DETERMINATION OF THE CLASS OF WATER RESOURCES IN TERMS OF SECTION 13(1)(a) OF THE NATIONAL WATER ACT, 1998

1. A summary of the water resource classes for Integrated Units of Analysis (Figure 1) and ecological categories per quaternary catchment (Figure 2) is set out in Table 1.
2. Integrated units of Analysis are classified in terms of their extent of permissible utilization and protection as either Class I: indicating high environmental protection and minimal utilization (Doring Rangelands); or Class II indicating moderate protection and moderate utilization (Upper Olifants Irrigation, Olifants Doring Dry lands, Kouebokkeveld); and Class III indicating sustainable minimal protection and high utilization (Lower Olifants Irrigation). The Mainstream Cumulative Category refers to flows and impacts generated in the quaternary catchment plus all the upstream flows and impacts. Average tributary Incremental ecological category refers to only the proportion of flow that comes from the runoff in the segment of the river or tributary)

BOARD NOTICES RAADSKENNISGEWINGS

BOARD NOTICE 115 OF 2014

The Council for the Built Environment (CBE) is a statutory body established under the Council for the Built Environment Act no. 43 of 2000. It is an overarching body that coordinates the six built environment professional councils (architecture, engineering, landscape architecture, project and construction management, property valuation and quantity surveying - all operating within the built environment) for the purpose of promoting good conduct within the professions, transforming the professions and advising South African government on built environment related issues.

Closing Date: 17 October 2014

APPLICATIONS ARE INVITED FROM SUITABLY QUALIFIED AND EXPERIENCED CANDIDATES FOR APPOINTMENT AS A MEMBER OF THE STATUTORY AUDIT COMMITTEE OF THE COUNCIL FOR THE BUILT ENVIRONMENT

The applicant should preferably have a financial qualification (Chartered Accountant) coupled with experience in accounting and auditing principles, more specifically internal controls and risk management.

Due to the nature of the appointment, the applicant should demonstrate leadership qualities, integrity, independence, dedication and understanding of public sector entities and should possess good communication skills, analytical ability and independent judgement.

The applicant should display knowledge of the following: corporate governance principles, internal and external audit functions, the Public Finance Management Act and Treasury Regulations, management principles and ethics and their implications in respect of a statutory institution. Knowledge of Built Environment industry will be an added advantage.

The successful applicant will be one of three external members of the Audit Committee of the Council for the Built Environment. The Committee is expected to regulate and discharge all its responsibilities as contained in a charter setting out the appropriate formal terms of reference. The Committee meets at least twice per year.

The successful applicant will be remunerated for attendance of meetings according to a rate that is derived from the guidelines set out by the Office of the Auditor-General for audits done on behalf of that office and will also be reimbursed for travel expenses incurred for attending audit committee meetings.

Applications must be accompanied by an updated curriculum vitae, as well as copies of ID document and qualifications.

Suitably qualified candidates must forward applications to:
