**NOTICE IN TERMS OF SECTIONS 10(7) OF THE COMPETITION ACT NO 89 OF 1998
(AS AMENDED)**

SOUTH AFRICAN SQUID EXPORTERS ASSOCIATION (2013JUN0262)

EXEMPTION GRANTED

Notice was given in the Government Gazette on 20 September 2013 (Government Notice 695 of 2013) that the South African Squid Exporters Association ("SASEA") filed for exemption from the provisions of Chapter 2 of the Competition Act No 89 of 1998, as amended (the "Competition Act")¹, in terms of Section 10(1)(b) with the Competition Commission (the "Commission").

SASEA made the application in terms of section 10(3)(b)(i) and (ii) of the Competition Act, which makes provision for a firm to apply for an exemption if the purpose of their conduct is to maintain or promote exports and to promote the ability of historically disadvantaged persons to become competitive. SASEA sought the above exemption for a period of ten (10) years.

SASEA filed the application on behalf of its members requesting to be exempt from the provisions of section 4 of the Competition Act. Specifically, SASEA had requested that it and its members be permitted to collect, collate and disseminate up-to-date and current market sensitive information on the demand and supply conditions in the South African Squid market.

Notice is therefore given in terms of section 10(7) of the Competition Act that the exemption application by SASEA has been granted for the collection, collation and dissemination to its members of up-to-date and current market sensitive information for a period of **five (5) years commencing on 30 June 2014 and ending on 30 June 2019**, subject to the following conditions:

- Membership to SASEA and hence the ability to share and obtain market related information will not be exclusive and any South African Squid exporter may become a member.
- SASEA will collate and exchange real time information regarding pricing and quantity related information on a weekly basis for the three month period December to February and on a monthly basis for the five month period July to November. Information regarding the condition of the market and pricing and quantity information relating to international competitors and international market conditions will be collated and exchanged on an ad hoc basis. This information will be available to all members.
- There will be no direct contact between members of SASEA in regard to sharing market sensitive information. Sharing of market sensitive information may only take place through SASEA.
- An independent person will be appointed, within a period of one (1) year, to verify and disseminate the information and ensure anonymity for all information circulated amongst SASEA members.

¹ Competition Commission case no. 2013Jun0262.

- Members of SASEA will use the information given above in respect of their own independent business decisions including squid prices and inventory.

The Commission's analysis of the exemption application found that the conduct by SASEA would amount to a contravention of section 4(1)(b)(i) and (ii) of the Competition Act, a *per se* contravention which does not allow for efficiency justifications.

In relation to the grounds upon which SASEA relied for their application, the following findings were made:

- In terms of section 10(3)(b)(i), the purpose of the exemption must be the promotion or maintenance of exports. The Commission found that the conduct sought to be exempt would contribute to this objective.
- In terms of section 10(3)(b)(ii), the purpose of the exemption must be the promotion of *small businesses* or *firms* controlled by *historically disadvantaged persons* ("*HDPs*"). The Commission found that SASEA failed to demonstrate that the conduct would contribute to this objective.

The Commission's investigation revealed that South African exporters are at a clear disadvantage when negotiating with foreign buyers due to information asymmetry. Foreign buyers possess greater information regarding market conditions, which is used to depress the price South African exporters can fetch. Therefore the exempt conduct will provide South African exporters with a platform to overcome these information asymmetries that exist in relation to the foreign market, thus strengthening their bargaining position and improving their competitiveness.

The Commission also considered submissions received from a number of stakeholders in the Squid industry. The submissions were mixed, with some supportive of the application and others not. The Commission is however satisfied that the concerns raised have been adequately addressed.

Notice is therefore given in terms of section 10(8) of the Competition Act that any person with a substantial financial interest affected by the abovementioned decision may appeal the decision to the Competition Tribunal in the prescribed manner.

No. 831

31 October 2014

NOTICE IN TERMS OF SECTION 10(7) OF THE COMPETITION ACT 89 OF 1998 (AS AMENDED):

CONDITIONAL EXEMPTION GRANTED TO: AFRICAN MARINE PRODUCTS (PTY) LTD; CAPE LOBSTER EXPORTERS ASSOCIATION; OVENSTONE AGENCIES (PTY) LTD; PREMIER FISHING SA (PTY) LTD; OCEANA LOBSTER LTD (HEREINAFTER COLLECTIVELY REFERRED TO AS "THE APPLICANTS")

EXEMPTION GRANTED

Notice was given in the Government Gazette on 20 September 2013 (Government Notice 695 of 2013) that the Applicants applied to the Competition Commission (the "Commission") for an exemption from the application of the provisions of Chapter 2 of the Competition Act, in terms of Section 10(1)(a) of the Competition Act 89 of 1998, as amended (the "Competition Act") for purposes of marketing and exporting of lobster (includes both the South Coast and West Coast Rock Lobster) in foreign markets.

The Applicants sought to be exempted from certain provisions of Section 4 of the Competition Act. The exemption was sought for a period of ten (10) years. The Applicants based their application on the premise that they had engaged in information sharing of sensitive business information and sought to exempt their conduct on the basis that it was necessary to continue with that practice, and the practice of information exchange contributes to the objective of maintenance and promotion of exports, as set out in section 10(3)(b)(i) of the Competition Act.

Notice is hereby given in terms of Section 10(7) of the Competition Act, that the Commission has, in response to the above mentioned application, granted the Applicants a conditional exemption in terms of Section 10(2)(a) of the Competition Act for a period of **five (5) years, commencing on 30 June 2014 and ending on 30 June 2019**, subject to the following conditions:

- Applicants must establish a subcommittee or other body similar in structure and nature within the West Rock Lobster Association for purposes of promoting and marketing of all South African harvested lobster¹ species;
- Such a subcommittee must be established within a period of a year from the date of the granting of the exemption;
- The membership to that committee shall be open to all South African lobster harvesters and exporters, in particular SMME's and Black owned firms, thus to allow equal access to the exchanged information;
- Any information that needs to be shared relating to marketing and exporting of South Coast and West Coast Rock Lobster between and amongst the exporters of lobster will be shared within the auspices of the committee and/or in the presence as well as with the knowledge of all the members to the committee and no direct contact between the Applicants concerning sharing of information with regard to lobster exports will be allowed;
- Any discussions or information exchange that takes place amongst the members of the committee for the purposes of complying with the exemption granted will be limited to activities relating to marketing and export of lobster.

The exemption will allow for exporters of lobster fish to share and exchange information that pertains to global market conditions for the sale of lobster, prevailing prices of lobster, production plans, volumes of lobster imports in the markets they export into, joint marketing trips, catch statistics internationally and market developments. The practice of information sharing between the Applicants is considered by the Commission to be in contravention of Sections 4(1)(b)(i) and (ii) of the Competition Act.

The Commission conducted an investigation to establish whether the activities the Applicants were engaging in were necessary to satisfy the objective set out in section 10(3)(b)(i) of the Act, that is to contribute to the promotion and maintenance of exports. The Commission is satisfied that the Applicants will contribute to the promotion and maintenance of exports within the Republic, in that; the information sharing amongst the Applicants will lead to information symmetry between the South African exporters and the foreign buyers which will afford the South African exporters a leverage when negotiating and concluding sale agreements with the foreign buyers. This would allow for South

¹ It includes both the South Coast and West Coast Rock Lobster.

African exporters to fetch the best possible prices in the global market for the supply of lobster, which will contribute to tax revenues payable to the Republic, and thus contribute to the growth of the South African economy. The Commission also found that the exempted conduct does not have an impact on competition in the domestic market for the marketing of lobster fish.

In terms of section 10(8) of the Competition Act, the Applicants or any other person with substantial financial interest or affected by this decision may appeal it to the Competition Tribunal in the manner prescribed.

NOTICE 921 OF 2014**DEPARTMENT OF HIGHER EDUCATION AND TRAINING****CALL FOR COMMENT ON THE DRAFT AMENDMENT REGULATIONS FOR THE REGISTRATIONS OF PRIVATE HIGHER EDUCATION INSTITUTIONS, 2014**

I, Bonginkosi Emmanuel Nzimande, MP, Minister of Higher Education and Training, hereby publish a call for comments on the *Draft Amendment Regulations* for the registration of Private Higher Education Institutions, 2014.

The Regulations were first implemented in 2002 as a means to operationalise the legal requirements of the *Higher Education Act, 1997 (Act No 101 of 1997)* (hereafter referred to as the "Act"). The Regulations elaborate the requirements of the Act and also specify all the prescribed documentary evidence that an applicant for registration must submit in order to comply with the requirements for registration. I decided to review the Regulations which has resulted in many improvements to the administrative processes for handling applications for registration and for the annual monitoring of compliance of registered institutions. NOTICE 926 OF 2014**THE BANKS ACT, 1990 (ACT NO. 94 OF 1990 – “THE BANKS ACT”)****WITHDRAWAL OF CONSENT TO MAINTAIN A REPRESENTATIVE OFFICE OF A FOREIGN INSTITUTION IN THE REPUBLIC OF SOUTH AFRICA, IN TERMS OF SECTION 34 OF THE BANKS ACT: BANK OF CYPRUS GROUP**

Notice is hereby given, for general information, that the consent granted to Bank of Cyprus Group, by the Registrar of Banks, to maintain a representative office of a foreign institution in the Republic of South Africa was withdrawn with effect from 18 October 2014.

NOTICE 927 OF 2014**COMPETITION COMMISSION****APPLICATION FOR AN EXEMPTION**

Notice is hereby given in terms of section 10(6) of the Competition Act, No. 89 of 1998, as amended ("the Competition Act"), that the Southern Africa Milk Co-operative Limited ("Samilco") has applied to the Competition Commission ("the Commission") to be exempted from the provisions of Chapter 2 of the Competition Act. Samilco is an agricultural co-operative established in terms of the Co-operatives Act, No. 91 of 1981. Samilco represents approximately 251 dairy farmers located in the Eastern Cape and Western Cape provinces of South Africa.

Subsequent to its exemption applications for the collective price bargaining and information sharing functions on behalf of its members (as described in the Notice 856 of 2013), Samilco has expanded the scope of its exemption applications to include a practice related to the aforementioned functions, namely the "equalisation function". The equalisation function is a system developed and implemented by Samilco on behalf of its members, in terms of which each milk farmer's raw milk supply contract with the milk processor stipulates a volume quota, which the milk farmer is obliged, in terms of its raw milk supply contract with the milk processor, to supply to the processor on a monthly basis ("contract volumes"). The contract volumes are agreed upon by the milk processor and the milk farmer based on the milk farmer's previous year's raw milk production and the milk processor's estimated raw milk requirements for the coming year. Farmers who produce raw milk in excess of the agreed quota ("surplus volumes") can sell some or all of such surplus volumes to the relevant processor, but at a lower price as compared to prices obtained for contract volumes.

In terms of the equalization function, Samilco assists members who have produced raw milk in excess of their contract volumes by re-distributing the surplus volume to another milk farmer in the region who has produced less than his contract volumes, thus enabling such milk farmers to meet their contract volumes. The redistribution of surplus volumes enables milk farmers with surplus raw milk to obtain contract volume prices for their raw milk instead of lower surplus volume prices.

This conduct may amount to a contravention of the provisions of sections 4(1)(a), 4(1)(b)(i) and/or 4(1)(b)(ii) of the Competition Act.

Samilco has filed an exemption in terms of which it seeks the Commission to exempt its equalisation function, on the grounds set out in section 10(3)(a) and (b)(ii) & (iv) of the Competition Act. Section 10(3)(a) and (b)(ii) & (iv) of the Competition Act state the following:

"The Competition Commission may grant an exemption in terms of subsection (2)(a) only if-

- (a) any restriction imposed on the firms concerned by the agreement or practice concerned, or category of either agreements or practices concerned, is required to attain an objective mentioned in paragraph (b); and*
- (b) the agreement or practice concerned, or category of agreements or practices concerned, contributes to any of the following*
 - (i). ...; or*
 - (ii). Promotion of the ability of small business...to become competitive; or*
 - (iii). ...; or*
 - (iv). The economic stability of any industry designated by the minister, after consulting the Minister responsible for that industry."*

In accordance to section 10(6) of the Competition Act, notice is hereby given of the abovementioned exemption application to allow interested parties to make written representations to the Commission as to why the exemption should or should not be granted. All representations must reach the Commission within 20 business days from the date of the publication of this notice.

Such representations should be directed to:

The Constitution of the Republic of South Africa (RSA) 1996 recognises 11 official languages; recognises the diminished use and status of indigenous languages and requires of the State to take practical and positive measures to elevate the status and advance the use of indigenous languages. The Constitution further requires all official languages to enjoy parity of esteem and to be treated equitably.

To this end, the Act has been promulgated to, *inter alia*, provide for the regulation and monitoring of the use of official languages by national government for government purposes, to require the adoption of a language policy by a national department, national public entity and national public enterprise and the establishment of a language unit for a national department, national public entity and national public enterprise.

The Act applies to all national public entities. The FSB is a national public entity, being so listed in Schedule 3 to the Public Finance Management Act, 1999. This Policy has therefore developed by the FSB in compliance with the provisions of the Act.

3. PURPOSE

The purpose of this Policy is to outline how FSB will comply with the provisions of the Act, and use official languages to improve service to the Public, regulated institutions and compliance levels.

AAN INKOMSTE EN ONDERHOUD**

Die Padongelukfonds maak ooreenkomstig artikel 17(4A)(a) van die Padongelukfondswet, Wet No. 56 van 1996, soos gewysig, bekend dat, met effek vanaf **31 Oktober 2014**, die bedrae waarna verwys word in subartikel 17(4)(c) aangepas word tot **R 227 400.00**, ten einde die uitwerking van VPI inflasie teen te werk.

Neem kennis: Die VPI indeks gebaseer op die nuwe "mandjie en gewigte" is gebruik om hierdie aanpassing, **effektief vanaf 31 Oktober 2014**, te bereken (met basisjaar Desember 2012 = 100). Die heraangepaste VPI indeks vir Mei 2008 was 78.1. Die VPI indeks vir Augustus 2014 was 111.0. Hierdie aanpassing was bereken deur die R 160 000 limiet te vermenigvuldig met 111/78.1
