NOTICE 1051 OF 2014**INTERNATIONAL TRADE ADMINISTRATION COMMISSION****EXCLUSION OF GLASS MIRRORS MADE FROM GLASS COLOURED THROUGHOUT THE MASS (TINTED GLASS) FROM THE EXISTING ANTI-DUMPING DUTIES APPLICABLE ON UNFRAMED GLASS MIRRORS ORIGINATING IN OR IMPORTED FROM THE PEOPLE'S REPUBLIC OF CHINA (PRC)**

An investigation into the alleged dumping of unframed glass mirrors was conducted in 2013 and definitive anti-dumping duties were imposed on the subject product originating in or imported from the People's Republic of China (PRC) on 26 July 2013 with retrospective effect from 8 March 2013.

The current anti-dumping duties on unframed glass mirrors were published through Notice No. R.516 of 2013 in Government Gazette No. 36684 and are as follows:

Country	Product	Rate of Anti-Dumping Duties	Date of imposition of duties
PRC	Unframed glass mirrors	40.22%	26/07/2013

THE APPLICANT

A request was received from Nelson Glass and Mirrors, an importer of unframed glass mirrors, to exclude mirrors made from tinted glass, from the anti-dumping duty applicable on unframed glass mirrors originating in or imported from the PRC. The Applicant stated that tinted glass cannot be manufactured locally from start to finish, but that the tinted glass is imported and the silver backing is applied to produce tinted mirrors.

THE PRODUCT

The unframed glass mirrors are classifiable under tariff subheading 7009.91.

PROCEDURAL FRAMEWORK

The Commission has begun an investigation in terms of section 16 of the International Trade Administration Act, 2002 (the ITA Act).

The Commission will conduct its investigation in accordance with the relevant sections of the ITA Act and the Anti-Dumping Regulations of the International Trade Administration Commission of South Africa (ADR) Both the ITA Act and the ADR are available on the Commission's website (www.itac.org.za) or from the Trade Remedies section, on request.

All interested parties are invited to submit comments on the application for the exclusion of glass mirrors made from tinted glass from the existing anti-dumping duties.

CONFIDENTIAL INFORMATION

Please note that if any information is considered to be confidential then a non-confidential version of the information must be submitted for the public file, simultaneously with the confidential version. In submitting a non-confidential version the following rules are strictly applicable and parties must indicate:

- where confidential information has been omitted and the nature of such information;
- reasons for such confidentiality;
- a summary of the confidential information which permits a reasonable understanding of the substance of the confidential information; and
- in exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless indicated to be confidential and filed together with a non-confidential version, will be placed on the public file and be made available to other interested parties.

If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the Commission in writing forthwith. Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

Subsection 33(1) of the ITA Act provides that any person claiming confidentiality of information should identify whether such information is *confidential by nature* or is

otherwise confidential and, any such claims must be supported by a written statement, in each case, setting out how the information satisfies the requirements of the claim to confidentiality. In the alternative, a sworn statement should be made setting out reasons why it is impossible to comply with these requirements.

Section 2.3 of the ADR provides as follows:

“The following list indicates “information that is by nature confidential” as per section 33(1)(a) of the Main Act, read with section 36 of the Promotion of Access to Information Act (Act 2 of 2000):

- (a) management accounts;*
- (b) financial accounts of a private company;*
- (c) actual and individual sales prices;*
- (d) actual costs, including cost of production and importation cost;*
- (e) actual sales volumes;*
- (f) individual sales prices;*
- (g) information, the release of which could have serious consequences for the person that provided such information; and*
- (h) information that would be of significant competitive advantage to a competitor;*

Provided that a party submitting such information indicates it to be confidential.”

Kindly provide the name of the person or organisation submitting comments and their full contact details.

MISS EL SWART
CHIEF EXECUTIVE OFFICER OF THE ACCOUNTING STANDARDS BOARD
DATE: 10 NOVEMBER 2014

LANGUAGE POLICY OF THE ACCOUNTING STANDARDS BOARD

1. PURPOSE

- 1.1 The purpose of this Policy is to assist the Accounting Standards Board (ASB) to give effect to the requirements of the Use of Official Languages Act.
- 1.2 The act requires the following:
 - 1.2.1 Establishment of a language unit.
 - 1.2.2 Publication of all public documents in three of the official languages.

2. GOVERNANCE AND REGULATORY FRAMEWORK

- 2.1 The regulatory frameworks considered in the development of this policy are:
 - 2.1.1 Use of Official Languages Act, and
 - 2.1.2 PANSALB survey on use of languages in South Africa published in 2002.

3. POLICY

- 3.1 The size of the ASB does not permit the establishment of a separate language unit, and as a result the office of the CEO will be deemed to be the language unit.
- 3.2 The size of the ASB does not permit the employment of translators and accordingly, all translations will be outsourced to language practitioners.
- 3.3 Based on the PANSALB survey the ASB will translate all Standards of GRAP into Afrikaans and isiZulu, being the official languages understood by most South Africans.
- 3.4 The official translation process involves the expert review of the translations. To ensure the best technical translation possible, all translations of Standards of GRAP are reviewed by experts.
- 3.5 Only one translation per language is permitted. Multiple translations into the same language would endanger comparability, transparency, and the long-term sustainability of high-quality translations.
- 3.6 The approved text of Standards of GRAP is that published by the ASB in the English language.
- 3.7 The approved text of Standards of GRAP is provided to the Human Rights Commissioner for translation into Braille.
- 3.8 The appointment of translators and reviewers will follow the supply chain management policies of the ASB.

4. IMPLEMENTATION

The policy objectives will be incorporated into the operating procedures of the ASB.

5. REPORTING

The CEO will report on progress on a quarterly basis.

6. MONITORING AND EVALUATION

Progress will be monitored on a quarterly basis.

7. POLICY REVIEW

The policy shall be reviewed when legislative changes take place.

8. ACCESS TO ASB LANGUAGE POLICY

The language policy will be published in the Government Gazette in English and translations will be made on the ASB's website in English, Afrikaans and isiZulu.

9. COMPLAINTS MECHANISM

- 9.1 Anyone who is dissatisfied with an aspect of the language policy may make a complaint, which will be dealt with in terms of Regulation 2(2) and 2(3) of the Use of Official Languages Act Regulations.
- 9.2 The complaint must be in writing, lodged within three months of the complaint arising, and provide the name, address and contact information of the person lodging the complaint.
- 9.3 The complaint may be delivered to the Chief Executive Officer of the Accounting Standards Board,

- by hand to the Accounting Standards Board, International Business Gateway, corner of New Road and Sixth Road, Midridge Office Estate, Building A, Ground Floor, Midrand;
 - by registered post to P O Box 74129 Lynnwood Ridge 0040;
 - by email to info@asb.co.za.
- 9.4 The Chief Executive Officer or his/her delegate may request additional information from the complainant or a meeting with the complainant to discuss the complaint.
- 9.5 The Chief Executive Officer will consider the complaint and make a decision no later than three months after receipt of the complaint, and inform the complainant of the decision in writing.
- 9.6 If the complainant is not satisfied with the decision, he/she may lodge an appeal with the Chairperson of the Accounting Standards Board. This must be done within one month of the decision referred to in par. 9.5 and the Chairperson will make a decision no later than three months after receipt of the appeal, and inform the complainant of the decision in writing.
