**DEPARTMENT OF HIGHER EDUCATION AND TRAINING  
DEPARTEMENT VAN HOËR ONDERWYS EN OPLEIDING**

**No. 999****12 December 2014**

**APPOINTMENT OF MEMBERS OF THE MINISTERIAL COMMITTEE TO  
DEVELOP A STRATEGIC POLICY FRAMEWORK ON DISABILITY FOR THE  
DEPARTMENT OF HIGHER EDUCATION AND TRAINING**

I, Bonginkosi Emmanuel Nzimande, Minister of Higher Education and Training, in accordance with the Public Finance Management Act, 1999 (Act No.1 of 1999) and Regulation 20 thereof and read with the Further Education and Training Act, 2006 (Act No. 16 of 2006), the Adult Education and Training Act (Act No. 52 of 2000), the Higher Education Act, 1997 (Act No. 101 of 1997) and the White Paper on Post -School Education and Training (2012) hereby announces the appointment of a Ministerial Committee that will develop a Strategic Policy Framework for Disability in the Post-School Education and Training System.

**The purpose of the Ministerial Committee will be:**

- (a) To develop a Strategic Policy Framework on Disability for Colleges, Technical and Vocational Education and Training Colleges, Community Colleges and Higher Education Institutions of all types;
- (b) To ensure that the diverse field of disability is catered for in the Post-School Education and Training System as articulated in the White Paper on Post –School Education and Training.

**The main tasks of the Ministerial Committee will be:**

- 1. Conduct an overview of available disability policies at departmental and institutional levels and identify gaps in the provision of services for persons with disabilities in PSET system;
- 2. Consult published government commissioned reports , national plans and strategic plans that address issues of Disability both in the country as well as in the higher education and training system;
- 3. To identify areas that require targeted research in order to determine the extent or prevalence of disability in order to inform departmental strategic responses;

4. Identify the key challenges in transforming Post -School Education and Training institutions to universally accessible sites that are disability friendly and recommend solutions to these;
5. To identify areas that require collaboration between the Department of Basic Education and Higher Education and Training in order to fast-track effective and appropriate placement in post school institutions of youth with disabilities across the country, including career development services and reviewing the admission requirements to PSET institutions (taking into account that people with disabilities cannot be subjected to the same admission requirements for students without disabilities).
6. Investigate current institutional funding allocations, norms, standards and mechanisms and assess their impact on the provision of education and training for people with disabilities. In this regard, the Ministerial Committee must also take into account the work to be undertaken by **the Ministerial Committee to review of funding frameworks for Further Education and Training Colleges and Adult Learning Centres, Government Gazette No. 38053, Notice No. 772, 3 October 2014** (copy of the said Gazette available on DHET intranet);
7. To closely follow developments related to the **Draft Social Inclusion Policy Framework of the Department of Higher Education and Training (Government Gazette No. 37928, Notice No. 681 of 21 August 2014)** as the draft social inclusion policy framework also makes reference to the inclusion of students with disabilities in the PSET system (copy of the said Gazette available on DHET intranet).
8. To **study the implementation of the National Student Financial Aid Scheme Bursary** for students with disabilities and establish its effectiveness in supporting students from low socio –economic backgrounds;
9. To study the responsiveness of the skills development strategies of the DHET to issues related to training of persons with disabilities for various occupations;
10. To address the need to expand the categories of students with disabilities in the post-school education and training system with the aim of improving levels of access and diversity in participation.
11. Consider gradual approaches in terms of qualification types, institutional programme qualifications mix, clustering of provision in high costs qualifications to selected TVET Colleges and Universities of all types taking into account geographical inequalities in the country;
12. To identify areas that require inter-departmental collaboration for curriculum development purposes and specifically identify the role of sister departments in the realisation of the priorities articulated in the Strategic Policy Framework on Disability.
13. To identify and develop benchmarks for the provision of basic IT packages, (both hardware and software) to facilitate access to information for academic development for institutions in the 21st Century;

14. To propose benchmarks for sports development and participation for students with disabilities in post -school education and training institutions.
15. To address the professionalisation of Disability Support Service in public Universities of all types and public Technical and Vocational Education and Training (TVET) Colleges and propose norms and standards for Disability Support Services units.
16. To develop a strategic implementation plan to support the framework.

The **Strategic Policy Framework on Disability** must take into account all aspects of access, equity, success and provisioning of post-school education and training and any other resource requirements.

#### **SUPPORT STRUCTURE FOR THE MINISTERIAL COMMITTEE**

17. The Department of Higher Education and Training will select officials who will serve as a Secretariat to the Members of the Ministerial Committee and also provide budget, co-ordinate the organization of meetings and manage related logistical issues.
18. A Departmental Reference Group will be appointed by the Director-General to consider the first draft of the Strategic Disability Framework before it can be finalised and submitted to the Minister for approval.

#### **DELIVERABLES FOR THE MINISTERIAL COMMITTEE**

19. The Ministerial Committee will provide the DHET with a process map (project plan) indicating timeframes on activities related to their work, within two weeks of the commencement of the project.
20. Submit draft report within 4 months after the date of appointment of the Ministerial Committee.
21. Submit to the Minister of Higher Education and Training its final report, **The Strategic Policy Framework on Disability** one month following submission of comments by the DHET. The Minister will be briefed timeously by the Ministerial Committee on the progress made.
22. The product of the work of the Ministerial Committee will become the property of the Department of Higher Education and Training.

## COMPOSITION OF THE MINISTERIAL COMMITTEE

The members of the Committee are:

1. Dr Anlia Pretorius (Chairperson)
2. Mr Ari Seirlis
3. Mr Jace Nair
4. Dr Moses Simelane
5. Ms Christine Koudstal
6. Ms Mercy Mhlophe
7. Ms Marina Clarke
8. Member to be designated by the Department of Social Development.

## MEETINGS

Meetings of the Ministerial Committee will be held in Pretoria on dates to be published after the first meeting of the Committee and the Secretariat.

## TIMELINES

The Committee will complete its work within 6 months after its appointment by the Minister.

The Committee can work with other key role players such as the Human Resource Development Council of South Africa (HRDC-SA), the Department of Social Development as well as the Department of Planning, Monitoring and Evaluation in the Presidency. It will have to take into account its timeframes, resources and budget allocated to it.

**STANDARDS ACT, 2008  
STANDARDS MATTERS**

In terms of the Standards Act, 2008 (Act No. 8 of 2008), the Board of the South African Bureau of Standards has acted in regard to standards in the manner set out in the Schedules to this notice.

A list of all existing South African national standards was published by Government Notice No. 1373 of 8 November 2002.

In the list of SANS standards below, the equivalent SABS numbers, where applicable, are given below the new SANS numbers for the sake of convenience. Standards that were published with the "SABS" prefix are listed as such.

**SCHEDULE 1: ISSUE OF NEW STANDARDS**

The standards mentioned have been issued in terms of section 16(3) of the Act.

Standard No. and year	Title, scope and purport
SATS 11669:2014/ ISO/TS 11669:2012	<i>Translation projects – General guidance.</i> Provides general guidance for all phases of a translation project. Its main purpose is to facilitate communication among the parties involved in a project. Addresses quality assurance and provides the basis for qualitative assessment, but does not provide procedures for quantitative measures of the quality of a translation product.
SANS 50002:2014/ ISO 50002:2014	<i>Energy audits – Requirements with guidance for use.</i> Specifies the process requirements for carrying out an energy audit in relation to energy performance. Applies to all types of establishments and organizations, and all forms of energy and energy use. Specifies the principles of carrying out energy audits, requirements for the common processes during energy audits, and deliverables for energy audits. Does not address the requirements for the selection and evaluation of the competence of bodies providing energy audit services, and does not cover the auditing of an organization's energy management system, as these are described in ISO 50003 (published in South Africa as an identical adoption under the designation SANS 50003).
SANS 50483-1:2014/ EN 50483-1:2009	<i>Test requirements for low voltage aerial bundled cable accessories – Part 1: Generalities.</i> Applies to overhead line fittings for tensioning, supporting and connecting aerial bundled cables (ABC) of rated voltage $U_0/U (U_m)$ : 0,6/1 (1,2) kV. Aims to provide a method of testing the suitability of accessories when used under normal operating conditions with low voltage aerial bundled cables (ABC) complying with HD 626. Defines the common aspects of the products.
SANS 50483-2:2014/ EN 50483-2:2009	<i>Test requirements for low voltage aerial bundled cable accessories – Part 2: Tension and suspension clamps for self supporting system.</i> Applies to overhead line fittings for tensioning, supporting and connecting aerial bundled cables (ABC) of rated voltage $U_0/U (U_m)$ : 0,6/1 (1,2) kV. Applies to tensioning devices consisting of tension and suspension clamps designed to be used for installation of self supporting ABC defined in HD 626.
SANS 60268-16:2014/ IEC 60268-16:2011	<i>Sound system equipment – Part 16: Objective rating of speech intelligibility by speech transmission index.</i> Specifies objective methods for rating the transmission quality of speech with respect to intelligibility.
SATS 61439-7:2014/ IEC/TS 61439-7:2014	<i>Low-voltage switchgear and controlgear assemblies – Part 7: Assemblies for specific applications such as marinas, camping sites, market squares, electric vehicles charging stations.</i> Defines the specific requirements of assemblies for which the rated voltage does not exceed 1 000 V in case of a.c. or 1 500 V in case of d.c, stationary or movable assemblies with enclosure, assemblies intended for use in connection with the generation, transmission, distribution and conversion of electric energy, and for the control of electric energy consuming equipment, assemblies operated by ordinary persons, assemblies intended to be installed and used in marinas, camping sites, market squares and other similar external public sites or similar sites, and assemblies intended for charging stations for electric vehicles.
SATR 61869-102:2014/ IEC/TR 61869-102:2014	<i>Instrument transformers – Part 102: Ferroresonance oscillations in substations with inductive voltage transformers.</i> Provides technical information for understanding the undesirable phenomenon of ferroresonance oscillations in medium voltage and high voltage networks in connection with inductive voltage transformers.
SANS 62282-2:2014/ IEC 62282-2:2012	<i>Fuel cell technologies – Part 2: Fuel cell modules.</i> Provides the minimum requirements for safety and performance of fuel cell modules and applies to fuel cell modules with the following electrolyte chemistry: alkaline, polymer electrolyte (including direct methanol fuel cells), phosphoric acid, molten carbonate, solid oxide, and aqueous solution of salts.
SANS 80601-2-61:2014/ IEC 80601-2-61:2011	<i>Medical electrical equipment – Part 2-61: Particular requirements for basic safety and essential performance of pulse oximeter equipment.</i> Applies to the basic safety and essential performance of pulse oximeter equipment intended for use on humans, collectively referred to as ME equipment and includes any part necessary for normal use, including the pulse oximeter monitor, pulse oximeter probe and probe cable extender. Also applies to pulse oximeter equipment, which includes pulse oximeter monitors, pulse oximeter probes and probe cable extenders which have been reprocessed.

**SCHEDULE 2: AMENDMENT OF EXISTING STANDARDS**

The standards mentioned have been amended in terms of section 16(3) of the Act. The number and date of a standard that has been superseded appear in brackets below the new number. In the case of an amendment issued in consolidated format, the edition number of the new (consolidated) edition appears in brackets below the number of the standard.

Standard No. and year	Title, scope and purport
SANS 1083:2014 (Ed. 2.4)	<i>Aggregates from natural sources – Aggregates for concrete. Consolidated edition incorporating amendment No. 4.</i> Amended to update the grading of sieve sizes and referenced standards.
SANS 1329-5:2014 (Ed. 1.5)	<i>Retro-reflective and fluorescent warning signs for road vehicles – Part 5: Retro-reflective chevron decals. Consolidated edition incorporating amendment No. 5.</i> Amended to change yellow coefficient of reflection from 35 to 100 cd/l lux per square meter.
SANS 1494:2014 (SANS 1494:2007)	<i>Two-wheeled mobile refuse bins.</i> Covers the requirements for mobile refuse bins of thermoplastic material and of nominal capacity 140 L and 240 L that are provided with two wheels for manual handling and are intended for use with mechanical lifting and tipping equipment.
SANS 15421:2014/ ISO/IEC 15421:2010 (SANS 15421:2005)	<i>Information technology – Automatic identification and data capture techniques – Bar code master test specifications.</i> Specifies the requirements and test methods for physical and related attributes of a bar code master. Covers all forms of bar code master, irrespective of the mode of origination of the initial image, intended for reproduction by conventional printing processes.
SANS 60034-8:2014/ IEC 60034-8:2014 (Ed. 3.1)	<i>Rotating electrical machines – Part 8: Terminal markings and direction of rotation. Consolidated edition incorporating amendment No. 1.</i> Amended to update the subclause on synchronous machines (6.5).
SANS 61008-1:2014/ IEC 61008-1:2013 (Ed. 3.2 and IEC corr. 1)	<i>Residual current operated circuit-breakers without integral overcurrent protection for household and similar uses (RCCBs) – Part 1: General rules. Consolidated edition incorporating amendment No. 2.</i> Amended to modify and to add the requirements for verification of the operating characteristics, to delete the clause on verification of correct operation of residual currents with d.c. components, to update the information on electromagnetic compatibility (EMC), to add and to renumber cross references accordingly, to delete the table on tripping current ranges for type A RCCBs (table 20), to include a table on test to be carried out according to IEC 61543 (published in South Africa as an identical adoption under the designation SANS 61543) (table 23), to add a note under clearances and creepage distances and to renumber the notes accordingly, and to update a procedure for measuring the insulation resistance of the main circuit.
SANS 61010-2-032:2014/ IEC 61010-2-032:2012 (SANS 61010-2-032:2003)	<i>Safety requirements for electrical equipment for measurement, control and laboratory use – Part 2-032: Particular requirements for hand-held and hand-manipulated current sensors for electrical test and measurement.</i> Specifies safety requirements for hand-held and hand-manipulated current sensors. These current sensors are for measuring, detecting or injecting current, or indicating current waveforms on circuits without physically opening the current path of the circuit being measured. They may be stand-alone current sensors or accessories to other equipment or parts of combined equipment.
SANS 62271-202:2014/ IEC 62271-202:2014 (SANS 62271-202:2007)	<i>High-voltage switchgear and controlgear – Part 202: High-voltage/low-voltage prefabricated substation.</i> Specifies the service conditions, rated characteristics, general structural requirements and test methods of high-voltage/low-voltage or low-voltage/high-voltage prefabricated substations, which are cable-connected, to be operated from inside (walk-in type) or outside (non-walk-in type) for alternating current of rated voltages above 1 kV and up to and including 52 kV on the high voltage side, and for one or more transformers for service frequencies up to and including 60 Hz for outdoor installation at locations with public accessibility and where protection of personnel is provided.
SANS 102178:2014/ ETSI TS 102178:2010 (SANS 102178:2006)	<i>Broadband Radio Access Networks (BRAN); HiperMAN; Data Link Control (DLC) layer.</i> Defines the Data Link Control (DLC) of HiperMAN to support PMP and optionally mesh network topologies. Provides the DLC functions required for fixed applications, in frequencies below 11 GHz, and nomadic and converged fixed-nomadic applications, in frequencies below 6 GHz.
SANS 300175-1:2014/ ETSI EN 300175-1:2013 (SANS 300175-1:2005)	<i>Broadband Radio Access Networks (BRAN); HiperMAN; Data Link Control (DLC) layer.</i> Defines the Data Link Control (DLC) of HiperMAN to support PMP and optionally mesh network topologies. Provides the DLC functions required for fixed applications, in frequencies below 11 GHz, and nomadic and converged fixed-nomadic applications, in frequencies below 6 GHz.

## SCHEDULE

### 1. Definitions

In these Regulations, unless the context indicates otherwise, a word or expression that is defined in the Act bears the same meaning in these Regulations, and in addition-

**“Act”** means the National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008);

**“airworthiness authorisation”** means any permission granted in terms of the Civil Aviation Act authorising an aircraft to fly;

**“National Action List”** means the national action list for the screening of dredged material proposed for marine disposal in terms of section 73 of the Act published in Government Notice 635 in *Government Gazette* 35602 of 24 August 2012;

**“dumping permit”** means a permit issued in terms of section 71(1) of the Act; and

**“emergency dumping permit”** means a permit issued in terms of section 71(1) read with section 72(1) of the Act.

### 2. Application for dumping permit

(1) An application for a dumping permit in terms of section 71(1) of the Act must—

- (a) be made to the Minister in writing on the application form obtained from the Department;
- (b) be accompanied by proof of payment of the prescribed application fee;
- (c) be accompanied by all supporting documents required to assess the application including those required by the application form and those required in terms of these regulations; and
- (d) be lodged—
  - (i) in duplicate together with any other copies as may be required;
  - (ii) electronically, if required; and
  - (iii) with the original or certified documentation in support of the application, if required.

(2) An application for a dumping permit must be submitted by no later than 90 calendar days prior to the date on which dumping is intended to take place.

(3) If an applicant fails to—

- (a) fully complete all required parts of, and provide all information required by, the application form;
- (b) comply with the requirements listed in sub-regulation (1); or
- (c) submit an application 90 calendar days prior to the intended date for the dumping;

the application will be rendered incomplete and the application will not be considered.

(4) The Minister must, within 10 days, acknowledge receipt of the application in writing.

### **3. Minimum information for assessment of applications**

(1) An applicant must, in an application for a dumping permit, provide all the information required by the application form, including the following—

- (a) the type of waste or other material intended for dumping;
- (b) a detailed description and characterisation of the waste or other material intended for dumping;
- (c) where applicable, the chemical, physical and biological composition and properties of the waste or other material intended for dumping;
- (d) full details of the identity of the applicant;
- (e) the volume or mass of the waste or other material intended for dumping;
- (f) the location of the intended disposal site;
- (g) a report on the assessment of the availability of alternatives to disposing of the waste or other material in the sea and a demonstration in the report that the dumping at sea is, in light of that assessment, the best environmentally, socially and economically viable option for disposal;
- (h) if the dumping is from a vessel or a platform—
  - (i) the name of the vessel or platform, the name of the master of the vessel or the person in charge of the platform and the name and address of its owner;
  - (ii) the flag state and official registration number of the vessel, if any; and

- (iii) overall length, extreme breadth, overall height and deadweight tonnage of the vessel or the platform;
- (i) if the dumping is from an aircraft—
  - (i) the name of the pilot-in-command and the name and address of the aircraft's owner;
  - (ii) the type, model, serial number, nationality and registration marks of the aircraft and its maximum certificated take-off weight specified by the airworthiness authorisation; and
- (j) in the case of the dumping of a vessel—
  - (i) a report on the structural integrity of the vessel; and
  - (ii) a description of the risk posed by the degradation of the vessel to the environment, human safety and surrounding infrastructure.
- (2) In addition to sub-regulation (1), an applicant must demonstrate how the following waste management options cannot be utilised to minimise the waste for dumping:
  - (a) re-use;
  - (b) off-site recycling;
  - (c) destruction of hazardous constituents;
  - (d) treatment to reduce or remove any hazardous constituents; and
  - (e) disposal on land.
- (3) In the case of an application for the dumping of dredged material, the applicant must submit, as part of its application, sediment test results that are not older than one year determined from the date that the application is submitted.

#### **4. Emergency dumping at sea**

- (1) The Minister may, on application, authorise the emergency dumping at sea of waste or other material in terms of section 71 read with section 72 of the Act in two instances:
  - (a) immediate emergency dumping where the Minister may verbally authorise emergency dumping where, in addition to the criteria in section 72(1), there is no time for the submission of a written application; or

- (b) ordinary emergency dumping in circumstances other than those contemplated in sub-regulation (1)(a), where the Minister may authorise in writing, emergency dumping if the requirements in section 72 of the Act and regulation 7 are satisfied.

## **5. Request for verbal authorisation**

- (1) A person intending to undertake immediate emergency dumping in terms of regulation 4(1)(a) must request and obtain prior verbal authorisation by telephonically contacting the Director responsible for marine pollution at the Department.
- (2) An applicant must, in the telephonic request contemplated in sub-regulation (1), provide the Director with the following information:
  - (a) location of the vessel, platform or aircraft;
  - (b) the waste or other material intended for dumping;
  - (c) full details of the identity of the applicant;
  - (d) the volume or mass of the waste or other material intended for dumping;
  - (e) the location of the intended disposal site;
  - (f) a motivation explaining the nature of the urgency and why the emergency is of such a nature that there is no time for the submission of a written application in terms of regulation 4(1)(b);
  - (g) when the emergency dumping is intended to take place; and
  - (h) any other information requested by the Director.

## **6. Immediate emergency dumping**

- (1) The recipient of a verbal authorisation to conduct immediate emergency dumping in terms of regulation 4(1)(a) must submit a written request, by application, to the Minister, on a form obtainable from the Department, within 5 days of being granted verbal authorisation to allow the Minister to consider and if appropriate, confirm the verbal authorisation in writing by issuing an emergency dumping permit in terms of regulation 4(1)(a).
- (2) The recipient of a verbal authorisation in terms of regulation 4(1)(a) who has left coastal waters after the dumping has occurred, must comply with sub-regulation (1).

- (3) The Minister must, within 2 days after receipt of the application in sub-regulation (1), acknowledge receipt of the application in writing.
- (4) An application in terms of sub-regulation (1) must contain the following information:
- (a) a fully completed application form obtainable from the Department;
  - (b) proof of payment of the prescribed application fee;
  - (c) details about the circumstances which lead to the emergency;
  - (d) a report demonstrating why the dumping was the only available option in the circumstances;
  - (e) the last point of departure and the immediate destination of the vessel, platform or aircraft at the time at which the disposal occurred;
  - (f) the latitude and longitude of the disposal site and the depth of the sea at that location;
  - (g) an extract of all portions of the log-book and manifests of the vessel, platform or aircraft related to the emergency;
  - (h) a detailed description of the circumstances under which the water or other material was disposed of and the date and time of the disposal;
  - (i) a detailed description of the actions taken to minimise danger to human life and to the receiving environment, including marine biodiversity;
  - (j) a description of the waste or other material disposed of, including information on the composition and nature of the water or other material that is sufficient to allow for the identification of the water or other material;
  - (k) material safety data sheets of the waste or other material so dumped, where applicable;
  - (l) the quantity that was disposed of;
  - (m) the form of the waste or other material, namely, whether solid, liquid or gas, and the methods used to package and contain the water or other material, if any;
  - (n) the trade name of the waste or other material, if any;
  - (o) in the case of an aircraft, a letter from the South African Civil Aviation Authority confirming that the dumping met the criteria in regulation 4(1)(a);

- (p) an estimate of the time required for the water or other material to disappear below the surface of the water; and
  - (q) where the application is made on behalf of another person, proof that the applicant is authorised to act on behalf of the person on whose behalf the application is being made.
- (5) The Minister may retrospectively revoke a verbal authorisation granted in terms of regulation 4(1)(a) where—
  - (a) the recipient of the authorisation fails to submit a written request, by application, to the Minister to confirm a verbal authorisation in writing within the time specified in sub-regulation (1);
  - (b) the recipient fails to provide all the information required by sub-regulation (3);
  - (c) the recipient fails to provide any information requested in terms of these regulations;
  - (d) the Minister is not satisfied that the dumping meets the requirements contemplated in section 72 and regulation 4(1)(a); or
  - (e) the applicant fails to pay the prescribed dumping fee.

## **7. Ordinary emergency dumping**

- (1) An application for a dumping permit in terms of regulation 4(1)(b) must be submitted to the Minister in writing and must contain the following:
  - (a) a fully completed application form obtainable from the Department;
  - (b) proof of payment of the prescribed application fee;
  - (c) a comprehensive motivation as to why—
    - (i) the proposed dumping is necessary to avert an emergency that poses an unacceptable risk to the environment or to human health or safety; and
    - (ii) there are no other alternative disposal options available;
  - (d) a report, with the necessary changes, containing the information required in terms of regulation 6(3);

- (e) in respect of a vessel, a letter from the South African Maritime Safety Authority supporting the proposed emergency dumping; and
  - (f) where the application is made on behalf of another person, proof that the applicant is authorised to act on behalf of the person on whose behalf the application is being made.
- (2) The Minister must, within 5 days, acknowledge receipt of the application in writing.

## **8. Assessment of applications**

- (1) In assessing an application for a dumping permit and an emergency dumping permit, the Minister may, in addition to those factors detailed in section 71(2), (3) and (4) of the Act, also have regard to the following;—
  - (a) whether or not the applicant has been convicted of contravening the Act, the National Environmental Management Act or any other specific environmental management act;
  - (b) whether or not the applicant has contravened conditions of prior or existing permits or authorisations granted to the applicant in terms of the Act, the National Environmental Management Act or any other specific environmental management act, including these regulations; and
  - (c) the National Action List.
- (2) The Minister may, after receiving an application submitted in terms of these regulations:
  - (a) request the applicant to provide additional specific information by a specified date;
  - (b) request the applicant to carry out further investigations and to provide that information within a specified time frame; and
  - (c) request the applicant to consult with specific organisations, authorities, persons or interested parties and submit the reports of the required consultations within a specified time.
- (3) A failure to comply with any request made in terms of sub-regulation (2) renders the application incomplete and it will not be considered.

## 9. Decision on applications

- (1) The Minister may, in relation to an application for a permit in terms of these regulations:
  - (a) issue a dumping permit or an emergency dumping permit; or
  - (b) refuse the application.
- (2) A permit may only be issued in terms of sub-relation (1) after payment of the prescribed dumping fee.
- (3) The Minister may issue a dumping permit or emergency dumping permit subject to conditions.
- (4) A permit in terms of these regulations must be issued in writing and must include the following details:
  - (a) the identify and contact details of the permit-holder;
  - (b) the geographic location of the dumping site;
  - (c) the validity period of the permit; and
  - (d) the conditions to the permit.
- (4) Any permit issued in terms of these regulations is not transferable.
- (5) A decision to refuse a dumping permit or an emergency dumping permit must include:
  - (a) the reasons for the decision; and
  - (b) the date of the decision.

## 10. Reporting

Where dumping has not occurred in accordance with the permit, the permit-holder must immediately inform the Minister in writing and immediately provide a detailed written report to the Minister regarding the circumstances which lead to the contravention of the permit's conditions.

## 11. Offences and Penalties

- (1) In addition to any offence contained in section 79 of the Act, any person who contravenes or fails to comply with regulations 5(1), 5(2) and 10 is guilty of an offence and liable on conviction to—

- (a) imprisonment for a period not exceeding five years;
- (b) a fine not exceeding R2 million; or
- (c) both such fine and imprisonment.

## 12. Conflict and repeal

- (1) These regulations will prevail if there is any conflict between any of the provisions of these regulations and any other regulations, by-laws or other subordinate legislation relating to dumping at sea.
- (2) The regulations published in terms of the Dumping at Sea Control Act, in Government Notice R1135 in *Government Gazette* 11348 of 17 June 1988, as amended by Government Notice R956 in *Government Gazette* 16498 of 30 June 1995 are hereby repealed.

## 13. Transitional arrangements

- (1) Any permit, exemption or authorisation issued in terms of regulations repealed by these regulations shall be deemed to be a permit issued in terms of these regulations and shall remain valid until that permit, exemption or authorisation is revoked, cancelled, amended or expires.
- (2) An application for a permit or other authorisation in terms of regulations published in terms of the Dumping at Sea Control Act, in Government Notice R1135 in *Government Gazette* 11348 of 17 June 1988, as amended by Government Notice R956 in *Government Gazette* 16498 of 30 June 1995, which is pending when these regulations take effect, must despite the repeal of those regulations, be dispensed with in terms of those regulations as if those regulations were not repealed and a decision taken in terms of those regulations must be deemed to be a decision taken in terms of these regulations.

## 14. Short title and commencement

These regulations are called the Dumping at Sea Regulations and commences on the date of publication in the *Government Gazette*.

NATIONAL HOME BUILDERS REGISTRATION COUNCIL

HOUSING CONSUMERS PROTECTION MEASURES ACT 95 OF 1998

REPEAL OF THE HOME BUILDING MANUAL PART 1, 2 AND 3 OF FEBRUARY 1999

#### CALL FOR COMMENTS

The National Home Builders Registration Council ("the NHBRC") intends to repeal in terms of section 12(1) and (3) of the Housing Consumer Protection Measures Act 95 of 1998 ("the Act"), the Home Building Manual Part 1, 2 and 3 published in February 1999.

In terms of the above provisions of the Act, the NHBRC is required to publish its Home Building Manual, containing the NHBRC Technical Requirements and guidelines as prescribed by the Council and give home builders reasonable notice of any amendment or substitution of the Home Building Manual.

The decision herewith was informed by the need to ensure alignment of the Home Building Manual with other relevant legislative prescripts such as the National Building Regulations and Building Standards Act of 1977 (Act No.103 of 1977), the Occupational Health and Safety Act of 1993 (Act No. 85 of 1993) and the broader Sustainable Human Settlement developments.

A copy of the proposed Home Building Manual will be available for download at the National Home Builders Registration Council website: [www.nhbrc.org.za](http://www.nhbrc.org.za)

Interested persons are invited to submit their substantiated comments in writing on the proposed Home Building Manual to the NHBRC on or before **30 January 2015** for the attention of Dr J Mahachi, c/o Ms PJ Motapola, The National Home Builders Registration Council, P.O BOX 461, Randburg, 2125 or per fax to 086 520 4638 or e-mail to [juliam@nhbrc.org.za](mailto:juliam@nhbrc.org.za). Kindly provide the name, address, telephone, fax numbers and e-mail address of the person or organisation submitting the comments. Please note that comments received after the closing date may not be considered.
