No new data is available to update the national poverty distribution table (Paragraph 111 of the NNSSF) In terms of Paragraph 112 of the NNSSF. The table which was published in Government Gazette No. 37230 of 17 January 2014, therefore remains the basis for the national poverty targeting in 2015:

In terms of section 39(7) of the South African Schools Act, I hereby determine all learners in quintiles 1 to 3 (60% of the public school learners nationally) to be in no fee schools for 2015.

If funds are available, and after taking into consideration the possible funding implications this may have on other poverty related programmes involving no fee schools, the PED may offer Q4 and Q5 schools no fee status at least at the threshold level of R 1,116 voluntarily. In declaring these fee charging schools as no fee schools, the PED needs to ensure all these schools are informed that they will be declared no fee schools from 1 January 2015. PEDs also need to ensure that these schools have informed parents of the change.
