NOTICE 369 OF 2015**INTERNATIONAL TRADE ADMINISTRATION COMMISSION
CUSTOMS TARIFF APPLICATIONS****LIST 04/2015**

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following application concerning the Customs Tariff. Any objection to or comments on this representation should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001. Attention is drawn to the fact that the rate of duty mentioned in this application is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

CONFIDENTIAL INFORMATION

The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.

These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:

- ❑ Each instance where confidential information has been omitted and the reasons for confidentiality;*
- ❑ A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- ❑ In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties.

The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons. If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due).

Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.

INCREASE IN THE GENERAL RATE OF CUSTOMS DUTY ON:

Large bore welded steel pipes classifiable under tariff headings 7303, 7304, 7305, and 7306, from free of duty and 10% ad valorem to 15% ad valorem.

APPLICANT:

Hall Longmore Pty (Ltd)
2 Osborne Road
Wadeville
Private Bag X024
Wadeville 1422
South Africa

Enquiries: ITAC Ref: 11/2014, Enquires: Ms Lufuno Maliaga/ Mr Pfarelo Phaswana, Tel: 012 394 3835/3628 or email lmaliaga@itac.org.za/ pphaswana@itac.org.za.

REASONS FOR THE APPLICATION:

The applicant submitted, inter alia, the following reasons for the application:

- Hall Longmore (Pty) Ltd has recently invested a substantial amount in upgrading its Electric Resistance Welded (ERW) mill to ensure that the SACU market can be serviced at the right quality. This investment contributed to retaining jobs locally. However, the local industry cannot be sustainable in the face of low priced imports;
- Hall Longmore (Pty) Ltd manufacturers bore welded steel pipes classifiable under tariff headings 7305 and 7306. However, there are close substitutes which compete directly with these products. These include ductile and seamless pipes which are classifiable under tariff subheadings 7303.00, 7304.19, 7304.23 and 7304.29. Therefore, the Commission must also consider these substitutes for an increase in the general rate of customs duties; and
- The domestic market share has declined even though Hall Longmore (Pty) Ltd is the only manufacturer of ERW steel pipe range in SACU.

PUBLICATION PERIOD:

Representation should be made **within four (4) weeks** of the date of notice.

CONTINUING PROFESSIONAL DEVELOPMENT

The Allied Health Professions Council of South Africa (AHPCSA), having consulted with the Professional Boards for Homeopathy, Naturopathy, and Phytotherapy (PBHNP), Chiropractic and Osteopathy (PBCO), Therapeutic Aromatherapy, Therapeutic Reflexology, Therapeutic Massage Therapy (PBARM) and for Ayurveda, Chinese Medicine and Acupuncture and Unani-Tibb (PBACMU), announces the following requirements for Continuing Professional Development for the cycle 1 July 2015 to 30 June 2017:

REQUIREMENTS FOR CONTINUING PROFESSIONAL DEVELOPMENT

1. As from 01 July 2015, all registered practitioners and therapists, whose names appear on the registers kept in terms of Section 14 of the Allied Health Profession Act 63 of 1982 (as amended) 'the Act', are required to comply with the conditions of continuing professional development laid down in this Board Notice or any subsequent Board Notice as a prerequisite for such practitioner to retain his or her registration in terms of the Act.

2. For the purposes of complying with the requirements of continuing professional development the following conditions shall apply:
 - 2.1 CPD will run over a **two (2) year cycle** with all registered practitioners and therapists in the professions of Ayurveda, Chinese Medicine and Acupuncture, Chiropractic, Osteopathy, Therapeutic Aromatherapy, Therapeutic Massage Therapy, Therapeutic Reflexology and Unani-Tibb required to accumulate **40 Continuing Education Units (CEUs) per cycle** and all registered practitioners in the professions of Homeopathy, Naturopathy, Phytotherapy required to accumulate **60 Continuing Education Units (CEUs) per cycle**;
 - 2.2 Any person, who is registered as a practitioner or a therapist for the first time after 1 July of a particular year, will commence with his / her CPD programme immediately. CEU values will be calculated on a pro-rata basis for the remainder of that year;
 - 2.3 Registered practitioners and therapists in the professions of Ayurveda, Chinese Medicine and Acupuncture, Chiropractic, Osteopathy, Therapeutic Aromatherapy, Therapeutic Massage Therapy, Therapeutic Reflexology and Unani-Tibb who accumulate more than 40 CEU values in a cycle will be permitted to carry over a **maximum of 10 CEUs** to the next cycle; registered practitioners in the professions of Homeopathy, Naturopathy, Phytotherapy who accumulate more than 60 CEU values per cycle will be informed in a subsequent board notice as to the maximum number of CEUs permitted to be carried over into the next cycle;
 - 2.4 Registered practitioners and therapists shall be required to obtain a **minimum of two (2) CEUs** in AHPCSA specific Jurisprudence and Ethics per CPD cycle, while the balance of CEUs may be acquired at a single level or across all levels; and
 - 2.5 Registered practitioners and therapists who are registered in more than one Allied Health profession will be informed in a subsequent board notice as to the CEU requirement for multiple registrations.
3. CEUs are linked to a hierarchy of learning activities based on whether the outcome is measurable or not, or is a structured learning programme. The prescribed units in 2 above shall be accumulated by way of different educational or developmental activities approved by the AHPCSA in any of the following levels of activities:
 - 3.1 **Level one** activities with non-measurable outcomes;
 - 3.2 **Level two** activities with measurable outcomes; and
 - 3.3 **Level three** activities with formally structured learning programmes.

4. Cross Recognition of CEUs

 - 4.2 If a CPD activity has been approved for a specific profession by a specific CPD Committee or approved by another statutory health council, any AHPCSA practitioner or therapist may attend that activity for CPD purposes **if it is relevant to their specific scope of practice**. Practitioners or therapists will, therefore, not need to apply for the activity to be re-accredited by their own CPD Committee or by the Registrar in order to claim the CEUs accrued for attending that activity. Only in the event that a practitioner is **uncertain as to whether such activity falls into the relevant scope of practice** should he/she present information regarding that activity prior to it taking place for confirmation that it falls within the scope of practice of that practitioner or therapist, which confirmation will be given by the Registrar. In addition to the relevant CPD certificate issued by the service provider for such CPD activities, the practitioner is then also required to present the following information in any random audit: **name of statutory health council approving the CPD activity; statutory health council CPD registration reference; and nature and duration of that CPD activity. CEU allocation will be as per the AHPCSA Guidelines**
 - 4.3 In the case of international conferences approval shall be sought from the AHPCSA.
5. Deferment or exemption from compliance with the requirements of continuing professional development for any specific period may be granted to individual practitioners or therapists by the AHPCSA on application and submission of adequate reasons for such request and subject to any such conditions as the AHPCSA may determine.
 6. In the event of a practitioner or therapist not complying with the requirements specified in these rules within the prescribed time frames:
 - 6.1 Such an omission shall be considered an omission in terms of Section 29 of the Act, under which the AHPCSA may take disciplinary action, and
 - 6.2 The AHPCSA may impose one or more of the following sanctions on the defaulting practitioner or therapist:
 - (a) such programme of continuing professional development as may be determined by the professional board;

- (b) an examination as may be determined by the professional board;
- (c) or any other disciplinary action as set out in Section 24(1) of the Act; or
- (d) any other appropriate action as may be determined by the AHPCSA.

APPROVAL OF CONTINUING PROFESSIONAL DEVELOPMENT SERVICE PROVIDERS

7. Any person, institution, body, facility or organisation wishing to offer CPD to registered practitioners or therapists may apply to the AHPCSA for approval as a service provider.

- 7.1 An application for approval as a service provider shall be:-
- (a) submitted on the relevant application form obtainable from the AHPCSA at www.ahpcsa.co.za > Continuing Professional Development > CPD Activity/Programme/Course Application (word), duly completed;
 - (b) supported by all the documentation as set out in the guidelines for service providers, which are obtainable from the AHPCSA at www.ahpcsa.co.za > Service Provider Guidelines; and
 - (c) accompanied by the prescribed fee.
- 7.2 An application for approval as a service provider may be granted to any person, institution, body, facility or organisation complying with the requirements of these rules and guidelines for continuing professional development as issued by the AHPCSA.
- 7.3 In the event that an application for approval has been declined, the applicant may appeal against the decision.
- 7.4 The appeal referred to in (7.3) must be submitted within 3 months from date on which the application was declined and must be accompanied by the documents referred to in (7.1) and written representations in response to the decision.
- 7.5 The AHPCSA, in consultation with the professional board, may after due consideration of an appeal brought to it in terms of (7.3), grant or decline the appeal.
- 7.6 An approval granted in terms of (7.2) or (7.5) shall be valid for a period of twelve months.

IMPLEMENTATION AND APPLICATION OF CONTINUING PROFESSIONAL DEVELOPMENT

8. CPD shall apply to every person registered as a practitioner or therapist under the Act.
- 8.1 AHPCSA approved Guidelines for Continuing Professional Development are published at www.ahpcsa.co.za > Continuing Professional Development (CPD) > Guidelines.
- 8.2 Applications from any person, institution, body, facility or organisation interested in offering CPD courses for Allied Health Professions must be in the prescribed manner as per the documentation published at www.ahpcsa.co.za > Continuing Professional Development (CPD) > Service Provider Application.

BOARD NOTICE 89 OF 2015**FINANCIAL SERVICES BOARD****COLLECTIVE INVESTMENT SCHEMES CONTROL ACT, 2002****EXEMPTION OF A MANAGER OF A COLLECTIVE INVESTMENT SCHEME IN
SECURITIES FROM CERTAIN PROVISIONS OF THE COLLECTIVE
INVESTMENT SCHEMES CONTROL ACT, 2002**

I, Dube P Tshidi, Registrar of Collective Investment Schemes, hereby exempt, under section 22(a) of the Collective Investment Schemes Control Act, 2002 (Act No. 45 of 2002), Satrix Managers (RF)(Pty) Ltd, a manager of a collective investment scheme in securities, from certain provisions of Board Notice 90 of 2014 to the extent, and subject to, the conditions set out in the Schedule.

**D P TSHIDI****REGISTRAR OF COLLECTIVE INVESTMENT SCHEMES**

SCHEDULE

1. Definitions

In this Schedule, “**the Act**” means the Collective Investment Schemes Control Act, 2002 (Act No. 45 of 2002), any word or expression to which meaning is assigned in the Act bears that meaning, and unless the context otherwise indicates-

“**JSE**” means JSE Ltd;

“**FTSE**” means FTSE Group

“**Notice**” means Notice 90 of 2014 determined under sections 40, 45(a)(ii) and (b)(ii), 46 and 85 of the Act which prescribes, amongst others, the manner in which, and the limits and conditions subject to which, securities, classes of securities, assets or classes of assets may be included in a portfolio;

“**RESI Index**” means the FTSE/JSE Resources 10 Index (J210) as published or amended from time to time by the JSE;

“**RESI**” means Satrix RESI portfolio established in accordance with paragraph A of the deed entered into between Satrix and ABSA Bank Ltd, the trustee at that time, on 28 July 2004 in respect of a collective investment scheme in securities which is known as Satrix Collective Investment Scheme;

“**Satrix**” means Satrix Managers (RF)(Pty) Ltd, a company under the Companies Act, which is registered as a manager in accordance with the Act.

2. Background and purpose

(1) The investment policy of the RESI stipulates that the portfolio shall track the RESI Index as closely as possible by buying only resources securities in the same weightings in which they are included in the RESI Index.

(2) The RESI is required to comply at all times with the requirements of both its investment policy as indicated in the supplemental deed that established the RESI and with the limits and conditions as determined by the Notice.

(3) At the inception of the RESI the RESI Index comprised the largest 20 resources counters on the JSE by market capitalisation. The RESI Index is reviewed by the FTSE/JSE Advisory Committee on a quarterly basis and was changed to comprise the largest 10 resources counters on the JSE by market capitalisation during March 2011. The change in the composition of the RESI Index, and subsequent positive relative price performance of BHP Billiton Ltd, resulted in the RESI no longer complying with the limits and conditions as determined in Board Notice 80 of 2012, the applicable regulation at that time. As a result, Satrix applied for and was granted until 30 September 2014, an exemption from the provision of paragraph 3(10) of Board Notice 80 of 2012.

(4) During March 2015 Sasol Ltd, the third largest company by market capitalisation in the RESI Index, was reclassified to the Speciality Chemicals subsector and was consequently no longer eligible for inclusion in the RESI Index. Given the exclusion of Sasol, the quarterly index rebalancing resulted in the BHP Billiton Ltd weighting in the RESI Index increasing to 57 per cent, in contravention of the maximum weighting of 35 per cent per security prescribed in paragraph 3(10) of the Notice.

(5) In order to address the breach of paragraph 3(10) of the Notice and in an attempt to comply with the investment policy of the RESI, Satrix engaged with the JSE regarding the creation of a new resources index for the RESI that will comply with the investment limits of the Notice and the FTSE/JSE Capped Resources 10 Index was created as a result. However, the inclusion of this index in the investment policy of the RESI can only be effected through a ballot of all investors in the RESI in terms of section 98 of the Act, which process normally takes up to 11 weeks.

(6) The purpose of the exemption is to exempt Satrix with regard to the RESI from the prescribed requirements of paragraph 3(10) of the Notice to allow sufficient time for Satrix to ballot investors to effect the change in the RESI investment policy.

(7) The Registrar is satisfied that the exemption complies with the requirements of section 22 of the Act.

3. The extent of the exemption and conditions

(1) Satrix is exempted from paragraph 3(10) of the Notice in respect of the RESI subject to the weighting of BHP Billiton Ltd in the RESI Index to a maximum limit of 57 per cent.

(2) The exemption applies for the limited period specified in paragraph 4 only.

4. Commencement

This exemption comes into operation on date of publication and will cease to apply on 30 June 2015.
