3. Notices brought into GPW by "walk-in" customers on electronic media can only be submitted in Adobe electronic form format. This means that any notice submissions not on an Adobe electronic form that are submitted by the customer on electronic media will be **rejected**. Where a customer walks into GPW with a stack of hard copy notices delivered by a messenger on behalf of a newspaper the messenger must be referred back to the sender as the submission does not adhere to the submission rules.
5. All notice submissions that do not comply with point 2 will be charged full price for the notice submission.

**ANNEXURE "X"**

AGREEMENT OF SETTLEMENT IN REGARD TO THE PROPERTY BEING THE SUBJECT OF THE APPLICATION BY THE NDPP IN THE KWAZULU-NATAL DIVISION OF THE HIGH COURT, UNDER CASE No. 13814/2013

*In this matter, "The Parties" refers to:*

**The State**

Represented herein by the National Director of Public Prosecutions (The Applicant, herein and in the main application);

In turn represented herein by The Regional Head, The Asset Forfeiture Unit, KwaZulu-Natal,

and

Ukwanda Farm (Pty) Ltd (the First Respondent herein and in the main application)

and

Firstrand Bank Ltd (interchangeably referred to as FNB or the Seventh Respondent, herein and in the main application)

(who is cited as a party hereto having a beneficial interest in the property in question)

**Whereas**

Pursuant to the Application in terms of Section 48 of the prevention of Organised Crime Act, 121 of 1998, for an order forfeiture to the State of certain property, the parties relevant to such dispute being the parties hereto formally agree and bind themselves to the terms of this agreement in anticipation of the High Court matter being resolved by way of formal agreement.

**And whereas**

A draft consent Court order has already been drawn which order is to the satisfaction of the relevant parties and contains such directions, orders, or terms which are necessary to give effect to the terms of this agreement. This Agreement and all conditions included therein shall be included in that order as Annexure "X" thereto.

## ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

### And whereas

This agreement has been brought about with a view to the parties arriving at a mutually beneficial outcome as opposed to one in which each stands to lose either reputational means or financially.

### And whereas

The participation of the NPA and the AFU in KwaZulu-Natal as party hereto, demonstrates and confirms that the parties hereto are all recognized as having been unwittingly or unintentionally drawn into the process of the POCA application through circumstances largely, or to a greater or lesser degree, beyond their immediate control, and this agreement is designed to remedy their respective positions to the benefit of all by regularizing the original LRAD grant awarded to the First Respondent subject to all conditions precedent thereto and as described in this agreement.

### And whereas

The parties record that this agreement is concluded with a view to creating and arriving at “win / win” scenario for the Department of Rural Development and Land Affairs (“DRDLR”), for FNB, and for the shareholders and beneficiaries of Ukwanda Farm (Pty) Ltd. It seeks to rectify the reputational loss suffered by the participants to the original purchase and allocation of the property; to turn this farm and the grant in terms of which the farm was originally acquired with the financial assistance of the DRDLR into a positive example of the DRDLR’s land redistribution programme rather than the converse and to meet the objectives of the said land redistribution programme, and lastly it seeks to avoid there being a financial loss incurred by FNB as well as the DRDLR, and against this background the parties agree and undertake to act with the utmost good faith to achieve this.

### Now therefore

*The parties agree as follows:*

1. An order shall be taken in the High Court under Case No. 13814/2013, in terms of the provisions of Section 50 (1) (b) of the Prevention of Organized Crime Act 121 of 1998 (the POCA), declaring the movable and immovable property described in Annexure B to the Notice of Motion (“The Property”) in that matter as being forfeited to The State, AND incorporating the terms and conditions contained herein and making these terms and conditions an order of Court.

2. A copy of this document shall be annexed to the Order as Annexure “X” thereto.

3. The parties likewise agree that the application already launched by FNB under Case No. 9582/14, has been postponed *sine die* pending the resolution of the above-mentioned Court application, and the fulfillment of the further terms of this agreement as more fully described herein below, and in particular clauses 10.4 and 10.6 below.

4. In terms of this agreement, the parties agree and accept that the immovable and movable property defined in Annexure B to the Notice of Motion of the Application, under Case No. 13814/2013, presently owned by the First Respondent shall by agreement become forfeited to the State, subject to the State’s recognition and protection of the rights of FNB as creditor with preferential rights in the immovable property described in Annexure B to the Notice of Motion in the event that the First Respondent fails to discharge the security FNB holds against the immovable property in question as is a condition precedent to the fulfillment of this agreement.

5. The parties agree that the DRDLR shall not take transfer of title to the immovable property described in Annexure B to the Notice of Motion, pursuant to the forfeiture order, as, in terms hereof, the said immovable property shall remain registered to the First Respondent subject to fulfillment and compliance by the First Respondent with the further terms and conditions contained herein, and in particular with those terms that stand as conditions precedent to regularise the original grant with which the property was acquired with the financial assistance of the DRDLR. Accordingly, registration of title and registered transfer of such title shall remain unaffected subject to full compliance by the First Respondent with the said further terms and conditions and the conditions precedent contained herein.

6. The First Respondent shall be afforded a period of 4 months from the date of the order herein being taken to comply with all the said terms and conditions, failing which, the Applicant shall be entitled to, and specifically in the event that the security which FNB holds against the immovable property has not been discharged by the First Respondent in the interim:

6.1 apply under the same court case number and on the same papers for the re-appointment of Eugene Nel NO as *curator bonis* to:

6.1.1 assume control of the property, movable and immovable and to take it into his control as property having been forfeited to the State;

6.1.2 sell the property (both movable and immovable) by way of public auction, in the event that any or all of the livestock may have been sold by the *curator bonis* at the time of such in application, the proceeds of the sale thereof shall also be forfeited to the State;

6.1.3 deduct his fees and expenditure which were approved by the Master of the High Court from the proceeds of the sale of the immovable property described in Annexure B to the Notice of Motion;

6.1.4 after the deduction of his fees and expenditure from the proceeds of the sale of the immovable property described in Annexure B to the Notice of Motion, to pay from the proceeds of the sale of the immovable properties to FNB (the Seventh Respondent), the balance remaining as a result of the covering mortgage bond number 021606/2012;

6.1.5 deposit the remaining proceeds of the sale of the immovable properties, if any, subsequent to the payment to FNB as per paragraph 6.1.4 above, together with the proceeds of the sale of the movable properties described in Annexure B to the Notice of Motion, into the Criminal Assets Recovery Account established under Section 63 of the POCA.

6.2 The First Respondent agrees not to oppose the said application and agrees to be liable for the costs incurred in the event that such an application has to be brought by the Applicant;

**ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**

7. The parties agree and recognize that but for certain procedural failings on the part of both the DRDLR at the time, as well as the First Respondent, the original acquisition of the property described in Annexure B to the Notice of Motion with the assistance of LRAD grant from the DRDLR would have been beyond criticism.

8. Principally the criticism lay in the manner in which the empowerment ownership ought to have been reflected in the company structure, and that upon rectification and property reflection of the ownership structure within the company Ukwanda Farm (the First Respondent therein), there would be nothing to stand in the way of the property being acquired with the assistance of a LRAD grant from the DRDLR to the First Respondent as originally envisaged, hence the need to regularize the granting of the original LRAD grant to the First Respondent as is now contemplated by this agreement.

9. The parties hereto agree that immediately following the implementation of the Court order by agreement, and subject to fulfillment of the conditions precedent hereto, The Applicant shall permit the First Respondent to secure additional funding or finance for the property, both movable and immovable, to enable it to discharge the FNB obligations. To do so, the property described in Annexure B to the Notice of Motion shall remain within its current ownership structure with the express condition that the First Respondent shall refrain from dissipating and or alienating any and all of the property so described pending the fulfillment of all the conditions precedent to this agreement and the order under which it has been granted.

**Conditions precedent**

10. The following conditions are deemed to be conditions precedent to the regularization of the original LRAD grant which financed the acquisition of the property of the First Respondent which is Ukwanda Farm (Pty) Ltd:

10.1 Ukwanda Farm (Pty) Ltd shall be a company which shall have as its shareholders the following three parties:

10.1.1 Hlengiwe Mjiyako (or her nominee) who shall hold 70% of the issued share capital of the said company;

10.1.2 The Farm Worker's Trust, which shall hold 20% of the issued share capital of the said company.

10.2 Written acknowledgement by any authorized official at the DRDLR of the compliance of the First Respondent that its shareholding structure complies herewith shall serve as sufficient proof of fulfillment of this condition precedent. The DRDLR shall serve as sufficient proof of fulfillment of this condition precedent. The DRDLR shall be entitled to make recommendations as to the structure of the shareholder entities and their beneficiaries. The DRDLR may not unreasonably delay or unreasonably refuse to grant such acknowledgement. The First Respondent shall file a certified copy of such written acknowledgment on the court file under this case number.

10.3 The First Respondent shall also give compliance to any further specific conditions deemed essential and appropriate by the DRDLR to permit it to give effect to the regularization of the original LRAD grant. This further condition or conditions, if any, shall be specified in writing and shall further stand as an additional condition or conditions precedent and the First Respondent shall file a certified copy of such written further condition of conditions, if any, on the court file under this case number.

10.4 The First Respondent shall secured and/or facilitate that the obligation to FNB, be fully discharged and extinguished, thereby cancelling and discharging the security FNB holds against the immovable property as described in Annexure B to the Notice of Motion in question pursuant to FNB having advanced or loaned such monies to the First Respondent. Upon such payment and discharge, FNB shall cause a Certificate of Discharge to be issued, signed by a duly authorized bank official, which shall serve as proof of compliance and fulfillment by the First Respondent of this condition precedent, and which shall confirm that all and any claims or security that FNB may have as against the immovable property described in Annexure B to the Notice of Motion are cancelled.

10.5 FNB further agrees that upon the issue of the Certificate of Discharge as aforementioned, it shall also ensure that a copy of such certificate is lodged both in this Court file simultaneous with a notice of withdraw of the application launched under case number 9582/2014, in that court file with no further order as to costs.

10.6 The First Respondent shall discharge the fair and reasonable fees and expenditures incurred by the *curator* in the property exercise of his duties leading up to the granting of this Order and as approved by the Master of the High Court. The *curator's* fees and disbursements shall be paid simultaneously with the payment to discharge the FNB obligation as described in 10.4 above.

11. The parties expressly agree that upon the fulfillment of the above-mentioned conditions precedent, in accordance with its original intention in August of 2009, the DRDLR shall regard the original LRAD grant as having been regularized and final in every respect and this shall be confirmed with the issue of a Letter confirming same.

12. The DRDLR shall deem the original LRAD grant awarded to the First Respondent as having been property regularized to its satisfaction and conditions set. The DRDLR shall recognize the ownership of and by the First Respondent of all the movable items listed in Annexure B to the Notice of Motion including but not limited to all vehicles, equipment, implements, and livestock. This shall also expressly include all monies and cash currently sitting with and under the care and control of the *curator bonis*, subject first to discharge of any fees or disbursements of the *curator* by the First Respondent.

13. Upon the issue of this Letter in 11 above, then all title in and to the property in question shall be deemed to vest in and with the First Respondent, to wit Ukwanda Farm (Pty) Ltd, and the First Respondent, shall be entitled to deal with the property freely as owner thereof within the confines of its role as an acquisition in terms of the Government's redistribution of land programme.

14. Upon the issuing of this Letter in 11 above, the Applicant shall give Notice of Abandonment to the First Respondent by the Applicant of the Forfeiture Order granted by consent as contemplated by Rule 41 (2) of the Uniform Rules of the High Court.

15. It is specifically recorded that by agreement the First Respondent shall not be entitled to or attempt to apply for an order as to costs in favour of the First Respondent as a result of the effective abandonment of the Forfeiture Order when the Letter described in 11 above has been issued.

## ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)

16. The First Respondent shall be entitled upon receipt of the Notice of Abandonment to apply to the above Honourable Court on the same papers and under the same case number to have the endorsement of the Registrar of Deeds on the Title Deed relating to the immovable property described in Annexure B to the Notice of Motion be removed, which application shall not be opposed by the Applicant with the express condition that each party agrees to pay their own costs.

17. The DRDLR shall be entitled but not compelled to monitor the progress of and development of the farming operation on a bi-annual basis for a period of 4 years from the date of the Letter described in 11 above.

18. Any failure by the First Respondent to meet any one of the conditions precedent as set out in Clause 10 above shall constitute a material breach of its obligations and may entitle The Applicant to seek the relieve as has been described in 6 above.

19. Further to the above, and in the event of a breach as aforementioned, FNB shall be permitted to enrol the application under case number 9582/2014, for hearing without further notice to Ukwanda Farm (Pty) Ltd.

20. The First Respondent shall be permitted 4 months from the date of the Court order referred to in Clause 1 above to fulfill the conditions precedent, unless a written extension is afforded to the First Respondent in writing by the DRDLR and the Seventh Respondent signed by a duly authorized official. Should the First Respondent require such an extension, it shall not be unreasonably withheld provided the First Respondent is able to demonstrate it to be mutually beneficial and or without prejudice to the rights of both the DRDLR and or the Seventh Respondent.

21. The parties record again and agree that this agreement is concluded with a view to creating and arriving at a "win / win" scenario for the DRDLR, for FNB, and for the shareholders and beneficiaries of Ukwanda Farm (Pty) Ltd. It seeks to rectify the reputational loss suffered by the participants to the original purchase and allocation, to turn this farm and the LRAD grant with made possible its purchase into a positive example of the DRDLR's land redistribution programme rather than the converse and to meet the objectives of the Government's Land Reform programme, and lastly it seeks to avoid there being a financial loss incurred by FNB and the DRDLR, and against this background the parties agree and undertake to act with the utmost good faith to achieve this.

The parties, though and via their Counsel representing them at the hearing of the main application, confirm these terms to be included in the Court order as referred to above.

### ANNEXURE "X"

AGREEMENT OF SETTLEMENT IN REGARD TO THE PROPERTY BEING THE SUBJECT OF THE APPLICATION BY THE NDPP IN THE KWAZULU-NATAL DIVISION OF THE HIGH COURT UNDER CASE NUMBER 13814/2013

**In this matter, "The Parties" refers to:**

**THE STATE**

**Represented herein by the NATIONAL DIRECTOR OF PUBLIC PROSECUTIONS (the Applicant herein and in the main application);**

**In turn represented herein by THE REGIONAL HEAD, THE ASSET FORFEITURE UNIT, KWAZULU-NATAL,**

**And**

**UKWANDA FARM (PTY) LTD (the First Respondent herein and in the main application),**

**And**

**FIRSTRAND BANK LTD (interchangeably referred to as FNB or the Seventh Respondent herein and in the main application)**

**(who is cited as a party hereto having a beneficial interest in the property in question)**

**Whereas**

Pursuant to the Application in terms of section 48 of the Prevention of Organised Crime Act, 121 of 1998, for an order for forfeiture to the State of certain property, the parties relevant to such dispute being the parties hereto formally agree and bind themselves to the terms of this agreement in anticipation of the High Court matter being resolved by way of formal agreement.

**And whereas**

A draft consent Court order has already been drawn which order is to the satisfaction of the relevant parties and contains such directions, orders, or terms which are necessary to give effect to the terms of this agreement. This Agreement and all conditions included therein shall be included in that order as Annexure "X" thereto.

**And whereas**

This agreement has been brought about with a view to the parties arriving at a mutually beneficial outcome as opposed to one in which each stands to lose either reputational means or financially.

**And whereas**

The participation of the NPA and the AFU in KwaZulu-Natal as party hereto, demonstrates and confirms that the parties hereto are all recognized as having been unwittingly or unintentionally drawn into the process of the POCA application through circumstances largely, or to a greater or lesser degree, beyond their immediate control, and this agreement is designed to remedy their respective positions to the benefit of all by regularizing the original LRAD grant awarded to the First Respondent subject to all conditions precedent thereto and as described in this agreement.

**ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)****And whereas**

The parties record that this agreement is concluded with a view to creating and arriving at a "win/win" scenario for the Department of Rural Development and Land Affairs ("DRDLR"), for FNB, and for the shareholders and beneficiaries of Ukwanda Farm (Pty) Ltd. It seeks to rectify the reputational loss suffered by the participants to the original purchase and allocation of the property; to turn this farm and the grant in terms of which the farm was originally acquired with the financial assistance of the DRDLR into a positive example of the DRDLR's land redistribution programme rather than the converse and to meet the objectives of the said land redistribution programme, and lastly it seeks to avoid there being a financial loss incurred by FNB as well as the DRDLR, and against this background the parties agree and undertake to act with the utmost good faith to achieve this.

**Now therefore**

*The parties agree as follows:*

1. An order shall be taken in the High Court under Case Number 13814/2013 in terms of the provisions of section 50 (1) (b) of the Prevention of Organized Crime Act 121 of 1998 (the POCA), declaring the movable and immovable property described in Annexure B to the Notice of Motion ("The Property") in that matter as being forfeited to the State, and incorporating the terms and conditions contained herein and making these terms and conditions an order of Court.

2. A copy of this document shall be annexed to the Order as Annexure "X" thereto.

3. The parties likewise agree that the application already launched by FNB under Case Number 9582/14 has been postponed *sine die* pending the resolution of the above-mentioned Court application, and the fulfillment of the further terms of this agreement as more fully described herein below, and in particular clauses 10.4 and 10.6 below.

4. In terms of this agreement, the parties agree and accept that the immovable and movable property defined in Annexure B to the Notice of Motion of the Application under Case Number 13814/2013 presently owned by the First Respondent shall by agreement become forfeited to the State, subject to the State's recognition and protection of the rights of FNB as creditor with preferential rights in the immovable property described in Annexure B to the Notice of Motion in the event that the First Respondent fails to discharge the security FNB holds against the immovable property in question as is a condition precedent to the fulfilment of this agreement.

5. The parties agree that the DRDLR shall not take transfer of title to the immovable property described in Annexure B to the Notice of Motion pursuant to the forfeiture order, as, in terms hereof, the said immovable property shall remain registered to the First Respondent subject to fulfillment and compliance by the First Respondent with the further terms and conditions contained herein, and in particular with those terms that stand as conditions precedent to regularise the original grant with which the property was acquired with the financial assistance of the DRDLR. Accordingly, registration of title and registered transfer of such title shall remain unaffected subject to full compliance by the First Respondent with the said further terms and conditions and the conditions precedent contained herein.

6. The First Respondent shall be afforded a period of 4 months from the date of the order herein being taken to comply with all the said terms and conditions, failing which, the Applicant shall be entitled to, and specifically in the event that the security which FNB holds against the immovable property has not been discharged by the First Respondent in the interim:

6.1 Apply under the same court case number and on the same papers for the reappointment of Eugene Nel NO as *curator bonis* to:

6.1.1 Assume control of the property, movable and immovable and to take it into his control as property having been forfeited to the State;

6.1.2 sell the property (both movable and immovable) by way of public auction; in the event that any or all of the livestock may have been sold by the *curator bonis* at the time of such an application, the proceeds of the sale thereof shall also be forfeited to the State;

6.1.3 deduct his fees and expenditure which were approved by the Master of the High Court from the proceeds of the sale of the immovable property described in Annexure B to the Notice of Motion;

6.1.4 after the deduction of his fees and expenditure from the proceeds of the sale of the immovable property described in Annexure B to the Notice of Motion, to pay from the proceeds of the sale of the immovable properties to FNB (the Seventh Respondent), the balance remaining as a result of the covering Mortgage Bond Number 021606/2012;

6.1.5 deposit the remaining proceeds of the sale of the immovable properties, if any, subsequent to the payment to FNB as per paragraph 6.1.4 above, together with the proceeds of the sale of the movable properties described in Annexure B to the Notice of Motion, into the Criminal Assets Recovery Account established under section 63 of the POCA.

6.2 The First Respondent agrees not to oppose the said application and agrees to be liable for the costs incurred in the event that such an application has to be brought by the Applicant;

7. The parties agree and recognize that but for certain procedural failings on the part of both the DRDLR at the time, as well as the First Respondent, the original acquisition of the property described in Annexure B to the Notice of Motion with the assistance of LRAD grant from the DRDLR would have been beyond criticism.

8. Principally the criticism lay in the manner in which the empowerment ownership ought to have been reflected in the company structure, and that upon rectification and proper reflection of the ownership structure within the company Ukwanda Farm (the First Respondent therein), there would be nothing to stand in the way of the property being acquired with the assistance of a LRAD grant from the DRDLR to the First Respondent as originally envisaged, hence the need to regularize the granting of the original LRAD grant to the First Respondent as is now contemplated by this agreement.

**ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**

9. The parties hereto agree that immediately following the implementation of the Court order by agreement, and subject to fulfillment of the conditions precedent hereto, the Applicant shall permit the First Respondent to secure additional funding or finance for the property, both movable and immovable, to enable it to discharge the FNB obligations. To do so, the property described in Annexure B to the Notice of Motion shall remain within its current ownership structure with the express condition that the First Respondent shall refrain from dissipating and or alienating any and all of the property so described pending the fulfillment of all the conditions precedent to this agreement and the order under which it has been granted.

**Conditions precedent**

10. The following conditions are deemed to be conditions precedent to the regularization of the original LRAD grant which financed the acquisition of the property of the First Respondent which is Ukwanda Farm (Pty) Ltd:

10.1 Ukwanda Farm (Pty) Ltd shall be a company which shall have as its shareholders the following three parties:

10.1.1 Hlengiwe Mjiyako (or her nominee) who shall hold 70% of the issued share capital of the said company;

10.1.2 The Farm Worker's Trust, which shall hold 20% of the issued share capital of the said company; and

10.1.3 The Social Development Trust, which shall hold 10% of the issued share capital of the said company.

10.2 Written acknowledgement by any authorized official at the DRDLR of compliance by the First Respondent that its shareholding structure complies herewith shall serve as sufficient proof of fulfillment of this condition precedent. The DRDLR shall be entitled to make recommendations as to the structure of the shareholder entities and their beneficiaries. The DRDLR may not unreasonably delay or unreasonably refuse to grant such acknowledgement. The First Respondent shall file a certified copy of such written acknowledgment on the court file under this case number.

10.3 The First Respondent shall also give compliance to any further specific conditions deemed essential and appropriate by the DRDLR to permit it to give effect to the regularization of the original LRAD grant. This further condition or conditions, if any, shall be specified in writing and shall further stand as an additional condition or conditions precedent and the First Respondent shall file a certified copy of such written further condition of conditions, if any, on the court file under this case number.

10.4 The First Respondent shall secure and/or facilitate that the obligation to FNB, be fully discharged and extinguished, thereby cancelling and discharging the security FNB holds as against the immovable property as described in Annexure B to the Notice of Motion in question pursuant to FNB having advanced or loaned such monies to the First Respondent. Upon such payment and discharge, FNB shall cause a Certificate of Discharge to be issued, signed by a duly authorized bank official, which shall serve as proof of compliance and fulfillment by the First Respondent of this condition precedent, and which shall confirm that all and any claims or security that FNB may have as against the immovable property described in Annexure B to the Notice of Motion are cancelled.

10.5 FNB further agrees that upon the issue of the Certificate of Discharge as aforementioned, it shall also ensure that a copy of such certificate is lodged both in this Court file simultaneous with a notice of withdrawal of the application launched under case number 9582/2014, in that court file with no further order as to costs.

10.6 The First Respondent shall discharge the fair and reasonable fees and expenditures incurred by the *curator* in the property exercise of his duties leading up to the granting of this Order and as approved by the Master of the High Court. The *curator's* fees and disbursements shall be paid simultaneously with the payment to discharge the FNB obligation as described in 10.4 above.

11. The parties expressly agree that upon the fulfillment of the above-mentioned conditions precedent, in accordance with its original intention in August of 2009, the DRDLR shall regard the original LRAD grant as having been regularized and final in every respect and this shall be confirmed with the issue of a Letter confirming same.

12. The DRDLR shall deem the original LRAD grant awarded to the First Respondent as having been properly regularized to its satisfaction and conditions set. The DRDLR shall recognize the ownership of and by the First Respondent of all the movable items listed in Annexure B to the Notice of Motion including but not limited to all vehicles, equipment, implements, and livestock. This shall also expressly include all monies and cash currently sitting with and under the care and control of the *curator bonis*, subject first to discharge of any fees or disbursements of the *curator* by the First Respondent.

13. Upon the issue of this Letter in 11 above, then all title in and to the property in question shall be deemed to vest in and with the First Respondent, to wit Ukwanda Farm (Pty) Ltd, and the First Respondent shall be entitled to deal with the property freely as owner thereof within the confines of its role as an acquisition in terms of the Government's redistribution of land programme.

14. Upon the issuing of this Letter in 11 above, the Applicant shall give Notice of Abandonment to the First Respondent by the Applicant of the Forfeiture Order granted by consent as contemplated by Rule 41 (2) of the Uniform Rules of the High Court.

15. It is specifically recorded that by agreement the First Respondent shall not be entitled to or attempt to apply for an order as to costs in favour of the First Respondent as a result of the effective abandonment of the Forfeiture Order when the Letter described in 11 above has been issued.

16. The First Respondent shall be entitled upon receipt of the Notice of Abandonment to apply to the above Honourable Court on the same papers and under the same case number to have the endorsement of the Registrar of Deeds on the Title Deed relating to the immovable property described in Annexure B to the Notice of Motion be removed; which application shall not be opposed by the Applicant with the express condition that each party agrees to pay their own costs.

17. The DRDLR shall be entitled but not compelled to monitor the progress of and development of the farming operation on a bi-annual basis for a period of 4 years from the date of the Letter described in 11 above.

**ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**

18. Any failure by the First Respondent to meet any one of the conditions precedent as set out in clause 10 above shall constitute a material breach of its obligations and may entitle the Applicant to seek the relieve as has been described in 6 above.

19. Further to the above, and in the event of a breach as aforementioned, FNB shall be permitted to enrol the application under Case Number 9582/2014 for hearing without further notice to Ukwanda Farm (Pty) Ltd.

20. The First Respondent shall be permitted 4 months from the date of the Court order referred to in clause 1 above to fulfill the conditions precedent, unless a written extension is afforded to the First Respondent in writing by the DRDLR and the Seventh Respondent signed by a duly authorized official. Should the First Respondent require such an extension, it shall not be unreasonably withheld provided the First Respondent is able to demonstrate it to be mutually beneficial and or without prejudice to the rights of both the DRDLR and or the Seventh Respondent.

21. The parties record again and agree that this agreement is concluded with a view to creating and arriving at a "win/win" scenario for the DRDLR, for FNB, and for the shareholders and beneficiaries of Ukwanda Farm (Pty) Ltd. It seeks to rectify the reputational loss suffered by the participants to the original purchase and allocation, to turn this farm and the LRAD grant which made possible its purchase into a positive example of the DRDLR's land redistribution programme rather than the converse and to meet the objectives of the Government's Land Reform programme, and lastly it seeks to avoid there being a financial loss incurred by FNB and the DRDLR, and against this background the parties agree and undertake to act with the utmost good faith to achieve this.

The parties, through and via their Counsel representing them at the hearing of the main application, confirm these terms to be included in the Court Order as referred to above.

The First Respondent shall be afforded a period of 4 months from the date of the order herein being taken to comply with all the said terms and conditions, failing which, the Applicant shall be entitled to, and specifically in the event that the security which FNB holds against the immovable property has not been discharged by the First Respondent in the interim:

6.1 apply under the same court case number and on the same papers for the re-appointment of Eugene Nel NO as *curator bonis* to:

6.1.1 assume control of the property, movable and immovable and to take it into his control as property having been forfeited to the State;

6.1.2 sell the property (both movable and immovable) by way of public auction, in the event that any or all of the livestock may have been sold by the *curator bonis* at the time of such in application, the proceeds of the sale thereof shall also be forfeited to the State;

6.1.3 deduct his fees and expenditure which were approved by the Master of the High Court from the proceeds of the sale of the immovable property described in Annexure B to the Notice of Motion;

6.1.4 after the deduction of his fees and expenditure from the proceeds of the sale of the immovable property described in Annexure B to the Notice of Motion, to pay from the proceeds of the sale of the immovable properties to FNB (the Seventh Respondent), the balance remaining as a result of the covering mortgage bond number 021606/2012;

6.1.5 deposit the remaining proceeds of the sale of the immovable properties, if any, subsequent to the payment to FNB as per paragraph 6.1.4 above, together with the proceeds of the sale of the movable properties described in Annexure B to the Notice of Motion, into the Criminal Assets Recovery Account established under section 63 of the POCA.

6.2 The First Respondent agrees not to oppose the said application and agrees to be liable for the costs incurred in the event that such an application has to be brought by the Applicant;

7. The parties agree and recognize that but for certain procedural failings on the part of both the DRDLR at the time, as well as the First Respondent, the original acquisition of the property described in Annexure B to the Notice of Motion with the assistance of LRAD grant from the DRDLR would have been beyond criticism.

8. Principally the criticism lay in the manner in which the empowerment ownership ought to have been reflected in the company structure, and that upon rectification and property reflection of the ownership structure within the company Ukwanda Farm (the First Respondent therein), there would be nothing to stand in the way of the property being acquired with the assistance of a LRAD grant from the DRDLR to the First Respondent as originally envisaged, hence the need to regularize the granting of the original LRAD grant to the First Respondent as is now contemplated by this agreement.

9. The parties hereto agree that immediately following the implementation of the Court order by agreement, and subject to fulfillment of the conditions precedent hereto, The Applicant shall permit the First Respondent to secure additional funding or finance for the property, both movable and immovable, to enable it to discharge the FNB obligations. To do so, the property described in Annexure B to the Notice of Motion shall remain within its current ownership structure with the express condition that the First Respondent shall refrain from dissipating and or alienating any and all of the property so described pending the fulfillment of all the conditions precedent to this agreement and the order under which it has been granted.

**Conditions precedent**

10. The following conditions are deemed to be conditions precedent to the regularization of the original LRAD grant which financed the acquisition of the property of the First Respondent which is Ukwanda Farm (Pty) Ltd:

**ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**

10.1 Ukwanda Farm (Pty) Ltd shall be a company which shall have as its shareholders the following three parties:

10.1.1 Hlengiwe Mjiyako (or her nominee) who shall hold 70% of the issued share capital of the said company;

10.1.2 The Farm Worker's Trust, which shall hold 20% of the issued share capital of the said company, and

10.1.3 The Social Development Trust, which shall hold 10% of the issued share capital of the said company.

10.2 Written acknowledgement by any authorized official at the DRDLR of compliance by the First Respondent that its shareholding structure complies herewith shall serve as sufficient proof of fulfillment of this condition precedent. The DRDLR shall be entitled to make recommendations as to the structure of the shareholder entities and their beneficiaries. The DRDLR may not unreasonably delay or unreasonably refuse to grant such acknowledgement. The First Respondent shall file a certified copy of such written acknowledgement on the court file under this case number.

10.3 The First Respondent shall also give compliance to any further specific conditions deemed essential and appropriate by the DRDLR to permit it to give effect to the regularization of the original LRAD grant. This further condition or conditions, if any, shall be specified in writing and shall further stand as an additional condition or conditions precedent and the First Respondent shall file a certified copy of such written further condition or conditions, if any, on the court file under this case number.

10.4 The First Respondent shall secure and/or facilitate that the obligation to FNB, be fully discharged and extinguished, thereby cancelling and discharging the security FNB holds as against the immovable property as described in Annexure B to the Notice of Motion in question pursuant to FNB having advanced or loaned such monies to the First Respondent. Upon such payment and discharge, FNB shall cause a Certificate of Discharge to be issued, signed by a duly authorized bank official, which shall serve as proof of compliance and fulfillment by the First Respondent of this condition precedent, and which shall confirm that all and any claims or security that FNB may have as against the immovable property described in Annexure B to the Notice of Motion are cancelled.

10.5 FNB further agrees that upon the issue of the Certificate of Discharge as aforementioned, it shall also ensure that a copy of such certificate is lodged both in this Court file simultaneous with a notice of withdrawal of the application launched under case number 9582/2014, in that court file with no further order as to costs.

10.6 The First Respondent shall discharge the fair and reasonable fees and expenditures incurred by the *curator* in the property exercise of his duties leading up to the granting of this Order and as approved by the Master of the High Court. The *curator's* fees and disbursements shall be paid simultaneously with the payment to discharge the FNB obligation as described in 10.4 above.

11. The parties expressly agree that upon the fulfillment of the above-mentioned conditions precedent, in accordance with its original intention in August of 2009, the DRDLR shall regard the original LRAD grant as having been regularized and final in every respect and this shall be confirmed with the issue of a Letter confirming same.

12. The DRDLR shall deem the original LRAD grant awarded to the First Respondent as having been properly regularized to its satisfaction and conditions set. The DRDLR shall recognize the ownership of and by the First Respondent of all the movable items listed in Annexure B to the Notice of Motion including but not limited to all vehicles, equipment, implements, and livestock. This shall also expressly include all monies and cash currently sitting with and under the care and control of the *curator bonis*, subject first to discharge of any fees or disbursements of the *curator* by the First Respondent.

13. Upon the issue of this Letter in 11 above, then all title in and to the property in question shall be deemed to vest in and with the First Respondent, to wit Ukwanda Farm (Pty) Ltd, and the First Respondent shall be entitled to deal with the property freely as owner thereof within the confines of its role as an acquisition in terms of the Government's redistribution of land programme.

14. Upon the issuing of this Letter in 11 above, the Applicant shall give Notice of Abandonment to the First Respondent by the Applicant of the Forfeiture Order granted by consent as contemplated by Rule 41 (2) of the Uniform Rules of the High Court.

15. It is specifically recorded that by agreement the First Respondent shall not be entitled to or attempt to apply for an order as to costs in favour of the First Respondent as a result of the effective abandonment of the Forfeiture Order when the Letter described in 11 above has been issued.

16. The First Respondent shall be entitled upon receipt of the Notice of Abandonment to apply to the above Honourable Court on the same papers and under the same case number to have the endorsement of the Registrar of Deeds on the Title Deed relating to the immovable property described in Annexure B to the Notice of Motion be removed, which application shall not be opposed by the Applicant with the express condition that each party agrees to pay their own costs.

17. The DRDLR shall be entitled but not compelled to monitor the progress of and development of the farming operation on a bi-annual basis for a period of 4 years from the date of the Letter described in 11 above.

18. Any failure by the First Respondent to meet any one of the conditions precedent as set out in Clause 10 above shall constitute a material breach of its obligations and may entitle The Applicant to seek the relieve as has been described in 6 above.

19. Further to the above, and in the event of a breach as aforementioned, FNB shall be permitted to enrol the application under case number 9582/2014, for hearing without further notice to Ukwanda Farm (Pty) Ltd.

**ORDERS OF THE COURT (continued) • ORDERS VAN DIE HOF (vervolg)**

20. The First Respondent shall be permitted 4 months from the date of the Court order referred to in Clause 1 above to fulfill the conditions precedent, unless a written extension is afforded to the First Respondent in writing by the DRDLR and the Seventh Respondent signed by a duly authorized official. Should the First Respondent require such an extension, it shall not be unreasonably withheld provided the First Respondent is able to demonstrate it to be mutually beneficial and or without prejudice to the rights of both the DRDLR and or the Seventh Respondent.

21. The parties record again and agree that this agreement is concluded with a view to creating and arriving at a "win/win" scenario for the DRDLR, for FNB, and for the shareholders and beneficiaries of Ukwanda Farm (Pty) Ltd. It seeks to rectify the reputational loss suffered by the participants to the original purchase and allocation, to turn this farm and the LRAD grant which made possible its purchase into a positive example of the DRDLR's land redistribution programme rather than the converse and to meet the objectives of the Government's Land Reform programme, and lastly it seeks to avoid there being a financial loss incurred by FNB and the DRDLR, and against this background the parties agree and undertake to act with the utmost good faith to achieve this.

The parties, though and via their Counsel representing them at the hearing of the main application, confirm these terms to be included in the Court order as referred to above.

Please take note of these guidelines when completing your form.

## **GPW Business Rules**

1. No hand written notices will be accepted for processing, this includes Adobe forms which have been completed by hand.
2. Notices can only be submitted in Adobe electronic form format to the email submission address [submit.egazette@gpw.gov.za](mailto:submit.egazette@gpw.gov.za). This means that any notice submissions not on an Adobe electronic form that are submitted to this mailbox will be **rejected**. National or Provincial gazette notices, where the Z95 or Z95Prov must be an Adobe form but the notice content (body) will be an attachment.
3. Notices brought into GPW by "walk-in" customers on electronic media can only be submitted in Adobe electronic form format. This means that any notice submissions not on an Adobe electronic form that are submitted by the customer on electronic media will be **rejected**. National or Provincial gazette notices, where the Z95 or Z95Prov must be an Adobe form but the notice content (body) will be an attachment.
4. All customers who walk in to GPW that wish to submit a notice that is not on an electronic Adobe form will be routed to the Contact Centre where the customer will be taken through the completion of the form by a GPW representative. Where a customer walks into GPW with a stack of hard copy notices delivered by a messenger on behalf of a newspaper the messenger must be referred back to the sender as the submission does not adhere to the submission rules.
5. All notice submissions that do not comply with point 2 will be charged full price for the notice submission.
6. The current cut-off of all Gazette's remains unchanged for all channels. (Refer to the GPW website for submission deadlines – [www.gpwonline.co.za](http://www.gpwonline.co.za))
7. Incorrectly completed forms and notices submitted in the wrong format will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email [info.egazette@gpw.gov.za](mailto:info.egazette@gpw.gov.za))
8. All re-submissions by customers will be subject to the above cut-off times.
9. All submissions and re-submissions that miss the cut-off will be rejected to the customer to be submitted with a new publication date.
10. Information on forms will be taken as the primary source of the notice to be published. Any instructions that are on the email body or covering letter that contradicts the notice form content will be ignored.

You are therefore advised that effective from **Monday, 18 May 2015** should you not comply with our new rules of engagement, all notice requests will be rejected by our new system.
