DRAFT GUIDELINES PERTAINING TO A REBATE PROVISION FOR REBATE OF THE ANTI-DUMPING DUTY ON BONE-IN CHICKEN PIECES IN TERMS OF THE CUSTOMS AND EXCISE ACT

ENTITY:

Economic Development Department
Private Bag X 149
Pretoria
0001

Reasons for the creation of the rebate provision as provided by **thedti**:

"In order to address some of the concerns that were raised by the United States in the context of the South Africa's continued participation in the Africa Growth Opportunity Act (AGOA) of the United States, the South African Poultry Association (SAPA) started negotiations with the US poultry industry to allow a certain volume of US bone-in chicken pieces in the market without payment of anti-dumping duty.

SAPA and the USA Poultry and Egg Export Council (USAPEEC) and the National Chicken council (NCC) reached an agreement to allow a quota of 65 000 MT of US bone-in chicken cuts into the South African market for which anti-dumping duties will be waived.

After AGOA was extended for 10 years in July 2015, the United States started with an out-of-cycle review of the eligibility of South Africa to receive the benefits under AGOA. South Africa needs to implement the agreement reached in Paris as soon as possible as this will facilitate the continued participation of South Africa in AGOA.”

Note: This rebate provision will not affect the payment of any other duties or taxes applicable to the importation of bone-in chicken as defined above nor the import requirement in terms of any applicable legislation.

Representation on **the draft Guidelines** should be submitted to the above address within **two (2) weeks** of the date of this notice.

The draft Guidelines are available on the ITAC website at www.itac.org.za or a copy can be requested from the following officials:
