ISSUED BY THE DIRECTOR-GENERAL:  
NATIONAL TREASURY**

---

The following statements of revenue, expenditure and borrowing are published in terms of Section 32 of the Public Finance Management Act of 1999 and Section 31(2) of the Division of Revenue Act No 1 of 2015.

Extraordinary receipts and payments which were previously published in Table 3 are now brought into the budget framework in line with global standards, in particular the International Monetary Fund's *Government Finance Statistics Manual 2001* and are now referred to as National Revenue Fund receipts and payments (refer to Annexure W2 of the 2014 Budget Review). Detailed information on these transactions is provided in Table 5.

The figures of Revenue, Expenditure and Borrowing are as per the Budget Review tabled in Parliament in February 2015. These figures will be updated once the New Development Bank Special Appropriation Bill and the Adjustments Appropriation Bill have been signed by the President.

National government revenue and expenditure are detailed in Tables 1 and 2, respectively.

Revenue and expenditure for the fiscal year to date are also expressed as a percentage of the 2015/16 budget for the current year and audited outcome for 2014/15. The tables below indicate revenue and expenditure for the reporting month, together with comparable figures for the previous year.

1) A positive/negative change indicates a reduction/increase in cash balances

A cash flow schedule for the Exchequer Account is included as table 4, summarising exchequer revenue to and departmental requisitions from the National Revenue Fund. These flows differ from the actual receipts and outlays in tables 1 and 2, mainly because of timing differences between the cashbook transactions of departments and the South African Revenue Service.

Tables 1-5 are available on the website of the National Treasury at [www.treasury.gov.za](http://www.treasury.gov.za); click on the Communications & Media link – Press Releases – Monthly Press Releases.

# **WARNING!!!**

## **To all suppliers and potential suppliers of goods to the Government Printing Works**

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:
