CATHSSETA**INVITATION TO REGISTER ON THE CATHSSETA SUPPLIER DATABASE**

CATHSSETA seeks to establish a database of suppliers that it can call upon from time to time for the provision of goods and/or services in compliance with the Public Finance Management Act (PFMA).

The purpose of this database is to give all prospective suppliers an equal opportunity to compete fairly in satisfying the CATHSSETA requirements.

In accordance with the CATHSSETA Supply Chain Management Policy, CATHSSETA may call upon suppliers in the database by way of quotations, request for proposals and/or tenders.

Importantly, the registration of an organisation on the Supplier database does not guarantee a business opportunity.

CATHSSETA is committed to the principle of B-BBEE. The participation of empowered organisations and SMME's is encouraged.

The award of business to providers will be subject to the General Conditions of Contract issued in accordance with Treasury Regulations 16A published in terms of the PFMA, 1999 (Act 1 of 1999).

Where, however, the special conditions of contract are in conflict with the General Conditions of contract, special conditions of contract will prevail.

Interested organisations and suppliers are invited for all the commodities listed on our website.

Copies of request for information (RFI) are available on the CATHSSETA web-site, visit www.cathsseta.org.za or on request via e-mail from supplychain@cathsseta.org.za

The closing date for submissions of the database registration forms is 6 March 2015 at 11h00.
