Notice Submissions Rule: Single notice, single email

Dear Valued Customer,

Over the last six months, GPW has been experiencing problems with many customers that are still not complying with GPW's rule of **single notice, single email** (with proof of payment or purchase order).

You are advised that effective from **18 January 2016**, all notice submissions received that do not comply with this rule will be failed by our system and your notice will not be processed.

In the case where a Z95, Z95Prov or TForm3 Adobe form is submitted with content, there should be a separate Adobe form completed for each notice content which must adhere to the single notice, single email rule.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an electronic Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

To those customers who are complying with this rule, we say Thank you!

Regards,

Government Printing Works

WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:

Renny Chetty (012) 748-6375 (Renny.Chetty@gpw.gov.za),

Anna-Marie du Toit (012) 748-6292 (Anna-Marie.DuToit@gpw.gov.za) and

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Your request for cancellation must be accompanied by the relevant notice reference number (N-).

AMENDMENTS TO NOTICES **take note!**

With effect from **01 October**, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

NOTICE IN TERMS OF SECTION 39(1) OF ACT 121 OF 1998

1 This notice is addressed to the Respondent and to all persons who have an interest in the property listed in Schedule A. It is meant to advise such persons of some of the options available to them.

TAKE NOTICE THAT:

2 The National Director of Public Prosecutions (the National Director) has obtained a Preservation of Property Order (the Order) in terms of section 38(2) of the Prevention of Organised Crime Act 121 of 1998 (POCA) against the property listed in Schedule A. A copy of the Order is attached to this notice.

3 If you have an interest in the property you should understand that it is now at risk because the National Director intends applying to the Port Elizabeth High Court (the Court) for a Forfeiture Order within 90 days of the publication of the Order in the Government Gazette (the Gazette). The Order will remain in force until:

3.1 a Forfeiture Order granted by the Court in respect of the property subject to the Order remains unsatisfied; or

3.2 the National Director fails to apply for a Forfeiture Order within 90 days after publication of the Order in the Gazette; or

3.3 the Order is set aside by the Court before expiry of 90 days from date of its publication in the Gazette.

4 You are advised to obtain legal advice to ascertain if you can protect your interest and, if so, how to protect it. If you wish to oppose this Application, or to apply for an Order excluding your interest in the property from the operation of the Forfeiture Order that may be made, you must give notice of such intention in terms of the Order attached to this notice. The requirements of such notice are dealt with in section 39(3), (4) and (5) of POCA. An appearance must comply with these requirements.

5 If this notice has been served on you or delivered to you, you must within 14 days after that date give notice of your intention to oppose this Application or to apply for an Order excluding your interest in the property from the operation of the Forfeiture Order that may be granted. If you fail to do so within that time your interest in the property may be defeated by a Forfeiture Order granted by default in terms of sections 50 and 53 of POCA.

6 If this notice has not been served or delivered to you, you must within 14 days after the date of publication of the Preservation Order in the Gazette give notice of your intention to oppose this Application or to apply for an Order excluding your interest in the property from the operation of the Forfeiture Order that may be granted.

7 For a notice of intention to oppose this Application to be valid, you must:

7.1 serve or deliver the original to the Registrar of the Court;

7.2 serve or deliver a copy to the State Attorney at 29 Western Road, Central, Port Elizabeth;

7.3 state therein an address within 8 kilometers of the Court at which you will accept notice and service or delivery of all documents relating to this Application; and

7.4 attach to the notice an affidavit in which you set out:

7.4.1 full particulars of the identity of the person giving the notice;

7.4.2 the nature and extent of his or her interest in the property concerned;

7.4.3 whether you intend to oppose the making of the Forfeiture Order, or to apply for an order:

7.4.4 excluding your interest in that property from the operation from the Order; or

7.4.5 varying the operation of the Order in respect of that property;

7.4.6 whether you admit or deny that the property concerned is an instrumentality of an offence referred to in Schedule 1 of POCA, or is the proceeds of unlawful activities;

7.4.7 the facts:

7.4.7.1 on which you intend to rely in opposing the making of a Forfeiture Order or applying for a rescission order;

7.4.7.2 on the basis of which you admit or deny that the property concerned is an instrumentality of an offence referred in Schedule 1 of the Act, or is the proceeds of unlawful activities.

8 If you give notice in terms of the Order and comply with the above requirements for the notice you will be entitled to be given 14 days' notice of the Application for the Forfeiture Order.

9 If you should fail to give notice of your intention to oppose validly and in good time, or if you should not have received or become aware of this notice, you may yet have grounds to apply in terms of section 49 of POCA for leave of the Court to give late notice of your intention to oppose.

10 Any person affected by the Preservation Order may apply to the Court to have that Order set aside in the circumstances mentioned in section 47(1) of POCA. In addition, the Court is obliged by the provisions of section 47(1)(b) of POCA to set aside or rescind the Preservation Order when the proceedings against the Defendant concerned are concluded. However, section 50(4) of POCA also provides that the validity of a Forfeiture Order is not affected by the outcome of the criminal proceedings in respect of an offence with which the property is associated.

11 The Order in respect of immovable property may be rescinded or set aside by the Court at any time on the application by a person who is affected by it.

12 A Forfeiture Order must also be published in the Gazette in terms of section 50(5) of POCA. If a Forfeiture Order should have been made before you become aware that it is to be sought, you may have grounds on which to apply to this Court in terms of section 54 of POCA for the exclusion of your interest from the operation of the Forfeiture Order already made, or for an order varying the operation of the Forfeiture Order in respect of the property. NOTICE OF APPLICATION FOR ENVIRONMENTAL AUTHORISATION: IN SUPPORT OF APPLICATION FOR EXPLORATION RIGHT FOR PETROLEUM ON VARIOUS FARMS IN THE MAGISTERIAL DISTRICTS OF MATATIELE AND MOUNT FLETCHER, EASTERN CAPE (295 ER)

Rhino Oil and Gas Exploration South Africa (Pty) Ltd has lodged an application for an exploration right to the Petroleum Agency South Africa (PASA) in terms of section 79 of the Minerals and Petroleum Resources Development Act, 2002. Rhino Oil and Gas has made an application for environmental authorisation of the exploration activities in terms of Chapter 5 of the National Environmental Management Act, 1998 (No. 107 of 1998) (NEMA).

The initial exploration area includes ~220 farms over an area of ~ 120 000 ha. In broad terms the exploration area lies in the northern region of the Eastern Cape. It is bound by the Lesotho boundary to the west, from near Qachas Nek to approximately 20 km north of Mt. Fletcher in the south. The area lies to the west of the R56 road between Matatiele and Mt. Fletcher with the Maria-Linden Mission being just inside the boundary. Protected areas and residential properties within the block are not included. A map and list of included farms are available on request or at ftp.slrconsulting.co.za Username: 1013151013, Password: vwhuigfpi23r2.

Rhino Oil & Gas is only applying for approval to undertake early-phase exploration for oil and gas which may be located underground within suitable geological strata. The purpose of the work would be solely to determine the presence of any possible petroleum resource which could be investigated further. The 3-year exploration work programme will be restricted to non-invasive techniques, as well as the drilling of less than 10 core holes for determining stratigraphy and seismic surveys. No hydraulic fracturing (fracking) is proposed in this application. Rhino will require access to only a few farms for exploration activities and will agree terms with those land owners. No hydraulic fracturing or fracking is proposed.

Notice is hereby given of the following application:

Legislation: National Environmental Management Act (No. 107 of 1998)

Authorisation required and process to be followed: Environmental Authorisation for activity 18 in listing Notice 2 (GNR 984), for which a scoping and EIA process will be undertaken in term of the EIA Regulations 2014.

Competent Authority: Petroleum Agency South Africa: Ref: 12/3/295 ER

SLR Consulting (Africa) (Pty) Ltd has been appointed as the independent environmental assessment practitioner responsible for undertaking the required environmental assessment and conducting the public participation process. The application will be subject to a scoping and environmental impact assessment process as stipulated in the EIA Regulations (GNR 982, 8 December 2014) made under Section 24(5) of the NEMA. A draft Scoping Report will be available shortly for public review.
