Notice Submissions Rule: Single notice, single email

Dear Valued Customer,

Over the last six months, GPW has been experiencing problems with many customers that are still not complying with GPW's rule of **single notice, single email** (with proof of payment or purchase order).

You are advised that effective from **18 January 2016**, all notice submissions received that do not comply with this rule will be failed by our system and your notice will not be processed.

In the case where a Z95, Z95Prov or TForm3 Adobe form is submitted with content, there should be a separate Adobe form completed for each notice content which must adhere to the single notice, single email rule.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an electronic Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

To those customers who are complying with this rule, we say Thank you!

Regards,

Government Printing Works

Your request for cancellation must be accompanied by the relevant notice reference number (N-).

AMENDMENTS TO NOTICES

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

Until then, amendments to notices must be received before the submission deadline.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

COMPETITION COMMISSION**ERRATUM TO THE NOTICE IN TERMS OF SECTION 10(7) OF THE COMPETITION ACT 89 OF 1998 (AS AMENDED): ETIHAD & AIR BERLIN GRANTED CONDITIONAL EXEMPTION, Government Gazette 39220**

The purpose of this erratum is to correct the errors contained in Notice 704 of 2015, published on 18 September 2015. The Notice related to the Competition Commission's granting of a conditional Exemption to Etihad and Air Berlin and publishing of such decision in terms of Section 10(7) Of the Competition Act 89 of 1998, as amended.

The corrections are directed at providing clarity that Etihad and Air Berlin will codeshare on the indirect route between Germany, connecting via Abu Dhabi, and South Africa. Also that Etihad must maintain minimum weekly flight frequencies between Abu Dhabi and Johannesburg (South Africa). These corrections are reflected herein below under paragraph (iv) to the Preamble and Condition 5 of the list of the Exemption Conditions.

1. Correction of paragraph (iv) of the Preamble in Notice 704 of 2015 to read as follows:

"(iv) Etihad and Air Berlin agree to notify the Commission in writing of any material changes to their proposed joint codeshare services or activities between Germany, connecting via Abu Dhabi, and South Africa (both directions)"

2. Correction of Condition (5), List of Conditions, Notice 704 of 2015 to read as follows:

"5. The Exemption granted by the Commission shall only be applicable if Etihad operates at least a minimum of seven (7) weekly flying frequencies between Abu Dhabi and Johannesburg (South Africa). Should Etihad decide for any reason to

reduce the aforesaid weekly flying frequencies below the stipulated minimum level, the Commission must be notified and written consent will be required from the Commission for such a change, which consent shall not be unnecessarily withheld or delayed."

Date: 01 March 2016

COMPETITION COMMISSION**NOTICE IN TERMS OF SECTION 10(7) OF THE COMPETITION ACT 89 OF 1998 (AS AMENDED): SOUTH AFRICAN PETROLEUM INDUSTRY ASSOCIATION GRANTED CONDITIONAL EXEMPTION**

On 22 December 2015, the South African Petroleum Industry Association ("SAPIA") and its members applied to the Competition Commission of South Africa ("Commission") in terms of Section 10(1)(b) of the Competition Act No 89 of 1998, as amended (the "Act") to be exempted from certain provisions of Section 4 of the Act. The exemption was sought for a period of five (5) years from 1 January 2016 ending on 31 December 2020.

Notice is hereby given in terms of Section 10(7) of the Act, that the Commission has, in response to the above mentioned application, granted SAPIA a conditional exemption in terms of Section 10(2)(a) of the Act for a period of 6 (six) months starting from 01 January 2016 and ending on 30 June 2016.

The exemption applied for and granted by the Commission covers a wide range of agreements and practices which, according to SAPIA, are required to ensure the continuity and stability of liquid fuels supply to various sectors and geographic locations of the South African economy. In particular, the exemption covers agreements and practices in the petroleum and refinery industry which are considered by the Commission to be in contravention of Sections 4(1)(a) and (b) of the Act.

SAPIA based its application on the premise that the aforesaid agreements and practices are required to obtain the objective set out under Section 10(3)(b)(iv) of the Act. This is after the Minister of Economic Development Department designated the petroleum and refinery industry for a period of 6 (six) months starting on 01 January ending on 30 June 2016.

After the analysis of the facts, the Commission is satisfied that SAPIA's exemption will contribute towards maintaining the economic stability of the petroleum and refinery industry for the period starting on 01 January 2016 and ending on 30 June 2016.

It should be noted that the exemption does not cover agreements or practices which SAPIA might have at wholesale, commercial and retail trade of the liquid fuels supply chain.

SAPIA or any other person with substantial financial interest affected by this decision may appeal it to the Competition Tribunal in the prescribed manner in terms of Section 10(8) of the Act.
