Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- Single notice, single email – with proof of payment or purchase order.
- All documents must be attached separately in your email to GPW.
- 1 notice = 1 form, i.e. each notice must be on a separate form
- Please submit your notice **ONLY ONCE**.
- Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

HOSPITAL GAZETTE 2016

GENERAL INFORMATION / ALGEMENE INLIGTING

THE EMPLOYEE AND THE MEDICAL SERVICE PROVIDER

The employee is permitted to freely choose his own service provider e.g. doctor, pharmacy, physiotherapist, hospital, etc. and no interference with this privilege is permitted, as long as it is exercised reasonably and without prejudice to the employee or to the Compensation Fund. The only exception to this rule is in case where an employer, with the approval of the Compensation Fund, provides comprehensive medical aid facilities to his employees, i.e. including hospital, nursing and other services — section 78 of the Compensation for Occupational Injuries and Diseases Act refers.

In terms of section 42 of the Compensation for Occupational Injuries and Diseases Act the Compensation Fund may refer an injured employee to a specialist medical practitioner of his choice for a medical examination and report. Special fees are payable when this service is requested.

In the event of a change of medical practitioner attending to a case, the first doctor in attendance will, except where the case is transferred to a specialist, be regarded as the principal. **To avoid disputes regarding the payment for services rendered, medical practitioners should refrain from treating an employee already under treatment by another doctor without consulting / informing the first doctor.** As a general rule, changes of doctor are not favoured by the Compensation Fund, unless sufficient reasons exist.

According to the National Health Act no 61 of 2003, Section 5, a health care provider may not refuse a person emergency medical treatment. Such a medical service provider should not request the Compensation Fund to authorise such treatment before the claim has been submitted to and accepted by the Compensation Fund. **Pre-authorisation of treatment is not possible and no medical expense will be approved if liability for the claim has not been accepted by the Compensation Fund.**

An employee seeks medical advice at his own risk. If an employee represented to a medical service provider that he is entitled to treatment in terms of the Compensation for Occupational Injuries and Diseases Act, and yet failed to inform the Compensation Commissioner or his employer of any possible grounds for a claim, the Compensation Fund cannot accept responsibility for medical expenses incurred. The Compensation Commissioner could also have reasons not to accept a claim lodged against the Compensation Fund. In such circumstances the employee would be in the same position as any other member of the public regarding payment of his medical expenses.

Please note that from 1 January 2004 a certified copy of an employee's identity document will be required in order for a claim to be registered with the Compensation Fund. If a copy of the identity document is not submitted the claim will not be registered but will be returned to the employer for attachment of a certified copy of the employee's identity document. Furthermore, all supporting documentation submitted to the Compensation Fund must reflect the identity number of the employee. If the identity number is not included such documents can not be processed but will be returned to the sender to add the ID number.

The tariff amounts published in the tariff guides to medical services rendered in terms of the Compensation for Occupational Injuries and Diseases Act do not include VAT. All accounts for services rendered will be assessed without VAT. Only if it is indicated that the service provider is registered as a VAT vendor and a VAT registration number is provided, will VAT be calculated and added to the payment, without being rounded off.

The only exception is the “per diem” tariffs for Private Hospitals that already include VAT.

Please note that there are VAT exempted codes in the private ambulance tariff structure.

DIE WERKNEMER EN DIE MEDIESE DIENSVERSKAFFER

Die werknemer het ‘n vrye keuse van diensverskaffers bv. dokters, apteekte, fisioterapeute, hospitale ens. en geen inmenging met hierdie voorreg word toegelaat nie, solank dit redelik en sonder benadeling van die werknemer self of die Vergoedings Fonds uitgeoefen word. Die enigste uitsondering op hierdie reël is in geval waar die werkgewer met die goedkeuring van die Vergoedings Kommissaris omvattende geneeskundige dienste aan sy werknemers voorsien, d.i. insluitende hospitaal-, verplegings- en ander dienste — artikel 78 van die Wet op Vergoeding vir Beroepsbeserings en Siektes verwys.

Kragtens die bepaling van artikel 42 van die Wet op Vergoeding vir Beroepsbeserings en Siektes mag die Vergoedings Kommissaris ‘n beseerde werknemer na ‘n ander geneesheer deur homself aangewys verwys vir ‘n mediese ondersoek en verslag. Spesiale fooie is betaalbaar vir hierdie diens wat feitlik uitsluitlik deur spesialiste gelewer word.

*In die geval van ‘n verandering in geneesheer wat ‘n werknemer behandel, sal die eerste geneesheer wat behandeling toegedien het, behalwe waar die werknemer na ‘n spesialis verwys is, as die lasgewer beskou word. **Ten einde geskille rakende die betaling vir dienste gelewer te voorkom, moet geneeshere hul daarvan weerhou om ‘n werknemer wat reeds onder behandeling is te behandel sonder om die eerste geneesheer in te lig.** Oor die algemeen word verandering van geneesheer, tensy voldoende redes daarvoor bestaan, nie aangemoedig nie.*

*Volgens die Nasionale Gesondheidswet no 61 van 2003 Afdeling 5, mag ‘n gesondheidswerker of diensverskaffer nie weier om noodbehandeling te verskaf nie. Die Vergoedingskommissaris kan egter nie sulke behandeling goedkeur alvorens aanspreeklikheid vir die eis kragtens die Wet op Vergoeding vir Beroepsbeserings en Siektes aanvaar is nie. **Vooraf goedkeuring vir behandeling is nie moontlik nie en geen mediese onkoste sal betaal word as die eis nie deur die Vergoedings fonds aanvaar word nie.***

Dit moet in gedagte gehou word dat ‘n werknemer geneeskundige behandeling op sy eie risiko aanvra. As ‘n werknemer dus aan ‘n geneesheer voorgee dat hy geregtig is op behandeling in terme van die Wet op Vergoeding vir Beroepsbeserings en Siektes en tog versuim om die Vergoedingskommissaris of sy werkgewer in te lig oor enige moontlike gronde vir ‘n eis, kan die Vergoedingsfonds geen aanspreeklikheid aanvaar vir geneeskundige onkoste wat aangegaan is nie. Die Vergoedings

Kommissaris kan ook rede hê om 'n eis teen die Vergoedingsfonds nie te aanvaar nie. Onder sulke omstandighede sou die werknemer in dieselfde posisie verkeer as enige lid van die publiek wat betaling van sy geneeskundige onkoste betref.

*Neem asseblief kennis dat 'n **gesertifiseerde afskrif van die werknemer se identiteitsdokument benodig word vanaf 1 Januarie 2004** om 'n eis by die Vergoedingsfonds aan te meld. Indien 'n afskrif van die identiteitsdokument nie aangeheg is nie, sal die eis nie geregistreer word nie en die dokumente sal teruggestuur word aan die werkgewer vir die aanheg van die ID dokument. Alle ander dokumentasie wat aan die kantoor gestuur word moet ook die identiteitsnommer aandui. Indien nie aangedui nie, sal die dokumentasie nie verwerk word nie, maar teruggestuur word vir die aanbring van die identiteitsnommer.*

Die bedrae gepubliseer in die handleiding tot tariewe vir dienste gelewer in terme van die Wet op Vergoeding vir Beroepsbeserings en Siektes, sluit BTW uit. Die rekenings vir dienste gelewer word aangeslaan en bereken sonder BTW.

Indien BTW van toepassing is en 'n BTW registrasienommer voorsien is, word BTW bereken en by die betalingsbedrag gevoeg sonder om afgerond te word.

Die enigste uitsondering is die "per diem" tarief vir Privaat Hospitale, wat BTW insluit.

Neem asseblief kennis dat daar tariewe in die kodestruktuur vir privaat ambulanse is waarop BTW nie betaalbaar is nie.

**CLAIMS WITH THE COMPENSATION FUND ARE PROCESSED AS
FOLLOWS •
EISE TEEN DIE VERGOEDINGSFONDS WORD AS VOLG GEHANTEER**

1. New claims are registered by the Employers and the Compensation Fund and the **employer views the claim number allocated online**. The allocation of a claim number by the Compensation Fund, does not constitute acceptance of liability for a claim, but means that the injury on duty has been reported to and registered by the Compensation Commissioner. Enquiries regarding claim numbers should be directed to the employer and not to the Compensation Fund. The employer will be in the position to provide the claim number for the employee as well as indicate whether the claim has been accepted by the Compensation Fund • *Nuwe eise word geregistreer deur die Vergoedingsfonds en die **werkgewer**. Die **eisnommer is op die web biskikbaar**. Navrae aangaande eisnommers moet aan die werkgewer gerig word en nie aan die Vergoedingskommissaris nie. Die werkgewer kan die eisnommer verskaf en ook aandui of die Vergoedingsfonds die eis aanvaar het of nie*
2. If a claim is **accepted** as a COIDA claim, **reasonable medical expenses** will be paid by the Compensation Commissioner • *As 'n eis deur die Vergoedingsfonds **aanvaar is**, sal **redelike mediese koste** betaal word deur die Vergoedingsfonds.*
3. If a claim is **rejected (repudiated)**, accounts for services rendered will not be paid by the Compensation Commissioner. The employer and the employee will be informed of this decision and the injured employee will be liable for payment. • *As 'n eis deur die Vergoedingsfonds afgekeur (**gerepudieer**) word, word rekenings vir dienste gelewer nie deur die Vergoedingsfonds betaal nie. Die betrokke partye insluitend die diensverskaffers word in kennis gestel van die besluit. Die beseerde werknemer is dan aanspreeklik vir betaling van die rekenings.*
4. If **no decision** can be made regarding acceptance of a claim due to inadequate information, the outstanding information will be requested and upon receipt, the claim will again be adjudicated on. Depending on the outcome, the accounts from the service provider will be dealt with as set out in 2 and 3. Please note that there are claims on which a decision might never be taken due to lack of forthcoming information • *Indien **geen besluit** oor die aanvaarding van 'n eis weens 'n gebrek aan inligting geneem kan word nie, sal die uitstaande inligting aangevra word. Met ontvangs van sulke inligting sal die eis heroorweeg word. Afhangende van die uitslag, sal die rekening gehanteer word soos uiteengeset in punte 1 en 2. Ongelukkig bestaan daar eise waaroor 'n besluit nooit geneem kan word nie aangesien die uitstaande inligting nooit verskaf word nie.*

WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:
