Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwnline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above.

Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect from 01 October, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- Single notice, single email – with proof of payment or purchase order.
- All documents must be attached separately in your email to GPW.
- 1 notice = 1 form, i.e. each notice must be on a separate form
- Please submit your notice **ONLY ONCE**.
- Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

IMPORTANT NOTICE:

THE GOVERNMENT PRINTING WORKS WILL NOT BE HELD RESPONSIBLE FOR ANY ERRORS THAT MIGHT OCCUR DUE TO THE SUBMISSION OF INCOMPLETE / INCORRECT / ILLEGIBLE COPY.

No FUTURE QUERIES WILL BE HANDLED IN CONNECTION WITH THE ABOVE.

B-BBEE FACILITATOR STATUS

INDUSTRIAL DEVELOPMENT CORPORATION

The B-BBEE Codes of Good Practice as amended (“the codes”) states that the Minister of Trade and Industry may designate certain Organs of State or public entities to be B-BBEE Facilitators. The facilitators’ status was introduced for certain types of public entities in particular the Development Finance Institutions (DFIs) to facilitate B-BBEE ownership. The aim is for them to use the status to be able to raise capital or to accumulate resources that can be used for the empowerment of black people. Therefore, when a designated organ of state or public entity own shares in a private or listed company the shares will be treated as follows:

- 100% by black people
- 40% by black women
- 20% by Black designated groups.

Profile of IDC

IDC is a national development finance institution set up to promote economic growth and industrial development. IDC is 100% owned by the South African Government under the supervision of the Economic Development Department.

By focussing on having a transformational impact on communities, IDC aims to broaden ownership of the economy and ensure the benefits of growth reach a wider range of participants. IDC outcomes related to promoting entrepreneurship and building black entrepreneurs aim at greater and active involvement of black people to play a more active role in determining the shape of industry in South Africa.

IDC has several instruments available to promote black economic empowerment. Internally it should ensure that it excels in all elements of broad-based empowerment as envisaged in the Codes of Good Practice. A much more powerful instrument however is its ability to influence B-BBEE through the funding that it provides.

IDC’s role in Broad-Based Black Economic Empowerment

IDC’s role in B-BBEE is guided by its objective of leading industrial capacity development. This objective means that IDC should always first consider growth and development of the economy and the resultant impact on job creation. However, while pursuing this growth, IDC should continuously aim to ensure that black people participate meaningfully in the economy. This participation is not only intended to help create a more equitable society through wider distribution of the economic benefits, but also seeks to empower black entrepreneurs to participate in building the industries required to grow the economy.

The outcomes of which should be job creation, promoting entrepreneurial development, having transformational impact on communities and growing black industrialists directly address black economic empowerment.

IDC submitted to the Minister of Trade and Industry an application to be granted the B-BBEE facilitator status. The facilitator status would have positive impact in advancing and addressing the challenges faced by our government, such as access to finance, local procurement and creation of black industrialists.

WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.
