WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:

3 You are notified that the National Director will, within 90 days of publication of this notice, apply to the High Court under section 48 of the POCA for an order declaring the property to be forfeited to the state. IT IS HEREBY ORDERED THAT:

The Property

1 This order relates to:

1.1 Tulbagh Road, Saron, Farm number 408 (the farm).

1.2 The cash held in ABSA cheque account number 4076318289 in the name of the second respondent.(collectively referred to as the property)

Prohibition against dealing in any manner with the property

2 In terms of section 38(2) of the Prevention of Organised Crime Act 121 of 1998 (POCA), all persons with knowledge of this

order, are, other than as required and permitted by this order, prohibited from:

2.1 removing, taking possession of or control over, dissipating, interfering with, diminishing the value of, pledging or otherwise hypothecating, attaching or selling in execution or dealing in any other manner with the property to which this order relates;

2.2 disposing of, further encumbering, dissipating, interfering with, attaching or selling in execution, diminishing the value of or dealing in any other manner with the farm to which this order relates.

3 The Registrar of Deeds shall endorse the title deed of the farm with the restriction that the property, or property representing such property, shall not, without the prior leave of this Honourable court, be attached, sold in execution, further mortgaged or otherwise encumbered; provided that such endorsement shall not prevent a transfer of the farm effected in accordance with paragraph 7.

4 Notwithstanding the provisions of this order, any person who has financial obligations in respect of the farm is ordered to fulfil such obligations, including any obligations relating to mortgage bonds, rates, taxes, licences, utilities such as water and electricity accounts, and all interest accruing in respect of such obligations, pending the finalisation of the forfeiture proceedings unless such person signs a consent to judgment in favour of the applicant.

CURATOR BONIS

5 In terms of section 42 of POCA, Andre van Heerden (the curator bonis) a director of Bedford Trust is appointed as curator bonis over the property. The curator bonis shall have all such powers, duties and authority as provided for in POCA and in this order and shall, in addition, be subject to the applicable provisions of the Administration of Estates Act 66 of 1965, as well as the supervision of the Master of the High Court.

6 The curator bonis is authorised to assume control of the property, further he is authorised to take care of the farm; administer the farm and do anything necessary to preserve the farm while the order is in force.

7 It is provided that the curator bonis may dispose of the farm:

7.1 on 30 day's notice to the owner if the obligations in respect of the farm concerned are not being met; or

7.2 by agreement with all parties who have a legal interest in the farm concerned in order to defray the costs of administering the farm.

8 Notwithstanding the provisions set out above, and where appropriate, the curator bonis is entitled to pay any expenses related to the preserved property, which would ordinarily be carried by the owner, out of any income derived from the farm.

9 In the event of the sale of the farm in accordance with this order, the curator bonis may facilitate the sale and pay the commission of the estate agent in terms of the sale agreement, as well as other fees and costs attendant on the transfer of the farm, after the proceeds of the sale have been received and registration of the farm has taken place.

SURRENDER OF THE PROPERTY AND SAFEGUARDS

10 Any person who holds any of the property is directed in terms of section 42(1) (b) of POCA to surrender the property forthwith into the custody of the curator bonis, failing which any member of the South African Police Service is hereby authorised, on the instruction of the curator bonis, to seize the relevant property and place it in the custody of the curator bonis.

11 Before any seizure of property takes place, the person from whose possession property is to be seized, must be afforded a reasonable opportunity, under the supervision of the curator bonis and/or any member of the SAPS who may be present, to summon a legal representative to be present during the seizure.

12 If it should appear to the curator bonis, from circumstances of which he shall keep a contemporaneous note, that the right to summon a legal representative is being made the occasion of needless or unreasonable delay, or that the person concerned appears to be using the delay to create an opportunity to dissipate, conceal or divest themselves of property or in any other manner obstruct the curator bonis in carrying out his functions under this order, the curator bonis may, after warning those present that the search is to commence, authorise the members of the SAPS to proceed with the seizure forthwith, whether or not the legal representative is then present.

13 If any of the property is not surrendered to the curator bonis or seized and placed in his custody in accordance with this order, the curator bonis is authorised to require the person who holds or who held such property to disclose on affidavit, within a reasonable time specified by the curator bonis, full details of the whereabouts of such property or its proceeds.

Report by curator bonis

14 The curator bonis must file a report with the registrar of this Honourable court within 30 days of the granting of the preservation order which shall contain an inventory of the property taken into his custody in terms of this order, in which he shall set out the steps that have been taken by him to give effect to this order, and make any further recommendations as he may deem fit regarding any other steps he might be required to take in order to give effect to the order. The curator bonis must file supplementary reports containing additional relevant information as and when such reports become necessary.

FEES AND EXPENDITURE OF CURATOR BONIS

15 The fees and expenditure of the curator bonis must, in terms of section 42(2) of POCA, be paid from the forfeited property. In the event of no forfeiture order being granted, then such fees and expenditure must be paid by the State, provided further that interest on expenditure incurred by the curator bonis is paid by the State at the prime lending rate of the major financial institutions from the date of expenditure until the date of final payment.
