WARNING!!!

To all suppliers and potential suppliers of goods to the Government Printing Works

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, please contact:

DEPARTMENT OF WATER AND SANITATION

NO. 1261

14 OCTOBER 2016

NORTH WEST PROVINCIAL OPERATIONS: LIMITING THE USE OF WATER FOR URBAN AND IRRIGATION PURPOSES FROM SEHUIJWANE, MARICO-BOSVELD, KROMELLENBOOG, SWARTRUGGENS, PELLA, MADIKWE, MOLATEDI, LINDLEYSPOORT AND KOSTER DAMS

I, **Sifiso Mkhize**, in my capacity as Director-General (Acting) of the Department of Water and Sanitation, on reasonable grounds believe that a water shortage exists in the Elands River catchment upstream of the Koster, Lindleyspoort and Swartruggens Dams as well as within the Marico River catchment due to insufficient rains and that it is necessary to limit the taking of water from Sehujwane, Marico-Bosveld, Kromellenboog, Pella, Madikwe, Molatedi, Lindleyspoort and Koster Dams.

The Minister of Water and Sanitation may in terms of item 6 (1) of Schedule 3 to the Act limit the use of water in the area concerned if the Minister on reasonable grounds believes that a water shortage exists within the area concerned. This power has been delegated to me in terms of section 63 (1) (b) of the Act.

Therefore in my capacity as the Director-General (Acting) of the Department of Water and Sanitation, I hereby under delegated authority in terms of item 6 (1) of Schedule 3 to the Act limit the taking of water from the Elands and Marico subsystems by all users as follows-

1. Sehujwane Dam

- (a) 70% restriction on the full water requirement of 0.916 million m³/annum for domestic use

2. Marico-Bosveld and Kromellenboog Dams

- (a) 50% restriction on the full water requirement of 18.71 million m³/annum for irrigation use

3. Swartruggens Dam

- (a) 100% restriction on the full water requirement of 2.2 million m³/annum for domestic use

4. Pella dam

- (a) 65% restriction on the full water requirement of 0.266 million m³/annum for domestic use

5. Molatedi Dam

- (a) 50% restriction on 7.3 million m³/annum for domestic use in Botswana 50% restriction on 5.0 million m³/annum for domestic use in South Africa
- (b) 75% restriction on 0.18 million m³/annum for irrigation use in Botswana
- (c) 75% restriction on 10.8 million m³/annum for irrigation use in South Africa

6. Lindleypoor Dam

- (a) 50% restriction on the full water requirement of 5.15 million m³/annum for irrigation use

7. Koster Dam

- (a) 80% restriction on the full water requirement of 2.61 million m³/annum for irrigation use
- (b) 40% restriction on the full water requirement of 1.12 million m³/annum for domestic use

8. Madikwe Dam

- a) 20% restriction on the full water requirement of 0.993 million m³/annum for domestic use

The limitations apply from the date of this until further notice.

In exercising the powers, I have given preference to the maintenance of the Reserve, treated all water users on a basis that is fair and reasonable, considered the actual extent of the water shortage, the likely effects of the shortage on the water users, the strategic importance of any water use and any water rationing or water use limitations by a water services institution having jurisdiction in the area concerned under the Water Services Act 108 of 1997.

Placing a limitation on the taking of water use as set out in this notice is an administrative action affecting the rights of the public as contemplated in section 4 of the Promotion of Administrative Justice Act 3 of 2000 (PAJA). After I have taken into consideration all relevant factors, including those referred to in section 4 (4) (b), I have decided that it is reasonable and justifiable in the circumstances to depart from the requirements referred to in section 4 (1) (a) to (e), (2) and (3) and instituted this limitation without allowing the water users affected and other role players to comment on the matter before I institute the limitation.

This notice overrides any other previous authorisation on water restrictions issued by the Department relating to this area.

1. AIM OF THE MANUAL

Section 32 (1) of the Constitution of the Republic of South Africa, 1996 provides that everyone has the right of access to any information held by the state and any information held by another person that is required for the exercise or protection of any right. The Promotion of Access to Information Act, 2000 (Act No. 2 of 2000) (herein after referred to as "PAIA"). PAIA however recognises however that the right of access to information is subject to certain justifiable limitations.

The details of records kept by a public body are contained in a book commonly known as a manual. The manual therefore relates to the records kept by the public body. The records kept pertain to the business / functions of each and every unit. To distinguish between the functions / business of each unit, the records of each unit are numbered differently. Each record also carries a disposal instruction.

Apart from records, also called files, the manual also contains information on the addresses of the Head of the Department as well as the Information Officer/s of the public body and also the name of each unit in the public body, its core function and a list of all records kept by the public body.

2. SECTION 10 GUIDE OF ALL MANUALS IN THE REPUBLIC OF SOUTH AFRICA

The South African Human Rights Commission (SAHRC) has in terms of section 10 of PAIA, compiled a guide on the use of PAIA. This guide is available at the offices of the SAHRC.

The Department's categorises the records and information (relevant to the functions and services of the Department) into the following broad categories:

- 5.1 Policies, strategies, delegations, government notices and legislation
- 5.2 Press statements and speeches
- 5.3 Departmental personnel records

Each file has a number and a brief description of the records kept in the file as well as the subject of the file. Each file has its own number, the opening and closing dates and the disposal instruction of that file. The disposal instruction is important because it determines what must happen with the file after a specific period of time has lapsed, e.g. A10 would mean that the file must be sent to NASA (National Archives of South Africa) ten years after the closing date on the file cover. The Tourism Ministry has its own record keeping system, similar to that of the Department.

Everyone has the right to request access to recorded information held by the Department, subject to the request being made on the prescribed form and that the prescribed fees are paid. Access is also subject to the grounds of exclusion found in Chapter 4 of PAIA. The request may be made by anyone who act in their own interests or act on behalf of someone who cannot do so themselves.

A requester must complete the prescribed form which-

- (a) can be found in the Regulations to PAIA;
- (b) is on the website of the SAHR at www.sahrc.org.za;
- (c) is attached to this document as an **Annexure A**; or
- (d) is obtainable from the Department's information centre located at the reception area of the Department's premises.

9.1.2 Process

- (a) The request for information must be submitted to:

Director-General
Private Bag X 424
PRETORIA
0001

Attention: Ms M Mathebula
TEL: +27 12 444 6732
Fax: +27 12 444 7040
Email: vtarage@tourism.gov.za

- (b) A requester must indicate if he or she would like to obtain a copy of the record or would like to inspect the record at the offices of the public body. Alternatively, if the record is not a paper copy document, it can then be viewed in the requested form, where possible.
- (b) If a requester asks for access in a particular form, then he or she will get access in the manner that has been asked for. This principle applies, unless doing so would interfere unreasonably with the running of the Department, or damage the record, or infringe a copyright not owned by the state. If for practical reasons, access cannot be given in the required form, but in an alternate manner, then the fee will be calculated according to the way that the requester first asked for it.
- (c) If, in addition to a written reply to their request for the record, the requester wants to be informed about the decision in any other way, for example, telephonically, this must be indicated.
- (d) If a requester is asking for the information on behalf of somebody else, the capacity in which the request is being made should be indicated.

9.2 Request on behalf of another person

If the request is made on behalf of another person, a requester must submit proof of the capacity in which he or she is making the request, to the reasonable satisfaction of the Deputy Information Officer.

9.3 Request by people with disabilities

The Deputy Information Officer (or his or her delegate) will then complete the form on behalf of the requester and give a copy of the completed form to the requester.
- (b) The Deputy Information Officer (or his or her delegate) will assist a requester to comply with the abovementioned requirements to request access to information, including referring a requester, if it is apparent that the request for information should have been made to another public body, to such other body.

9.4 Transfer of requests

- (a) Requests for records may be transferred to another public body in the following circumstances:
 - (i) When the record is in the possession of another public body;
 - (ii) The subject matter of the record is more closely associated with the functions of another public body;
 - (iii) The record was created for another public body, or was received first by another public body; or
 - (iv) The record contains commercial information relating to economic interests and the financial welfare of the Republic, and commercial activities of public bodies.
- (b) In such instances the Deputy Information Officer (or his or her delegate) would have to transfer the request to the other public body as soon as is reasonably possible, but no later than fourteen (14) days within receipt of the request. If the public body or the Information Officer to whom the request is made is in possession of the record and considers it helpful to do so to enable the Information Officer of the other public body to deal with the request, the record or a copy of the record will be sent to that Information Officer.
- (c) If a request for access to a record has been transferred, it has to be computed from the date it was first received. All the relevant time periods that apply to a request for information have to be adhered to.

9.5 Notification of transfer

- (a) When a request for access has been transferred, the Deputy Information Officer making the transfer will immediately notify the requester of:
 - (i) the transfer;
 - (ii) the reasons for the transfer; and

- (iii) the period within which the request must be dealt with.
