MANUAL compiled in terms of Section 14(1) of the Promotion of Access to Information, 2000 (Act 2 of 2000)

01 April 2016 – 31 March 2017

Language: English

This gazette is also available free online at **www.gpwonline.co.za**

1. INTRODUCTION

The Promotion of Access to Information Act, 2000 (Act No.2 of 2000), referred to in this manual as the Information Act, originates from section 32 of the Constitution of the Republic of South Africa Act, 1996 (Act No.108 of 1996), referred to as the Constitution in this manual which states:

1.1 Everyone has the right of access to:

1.1.1 Information held by the state and;

1.1.2 Any information that is held by another person and that is required for the exercise or protection of any rights

1.2 National Legislation must be enacted to give effect to this right and may provide for reasonable measures to alleviate the administrative and financial burden on the state.

On 02 February 2000 the National Legislature enacted the Promotion of Access to Information Act (Act 2 of 2000) to comply with section 32 of the Constitution to ensure that the right to access to information is protected. With the exceptions of sections 10, 14, 16 and 51 the Information Act came into effect on the 09 March 2001. Sections 10, 14, 16 and 51 came into effect on the 15th February 2000.

The goal of the Information act is to promote a society in which the people of South Africa have effective access to information to enable them to exercise and protect their rights fully

The Information Act is available to anyone who wishes to request information from a public and private body. The person making the request for information is known as the requester.

Every Public or Private body is required to compile a manual in at least three official languages, a manual that explain how to use Information Act. This manual has therefore been designed (in terms of Section 14 of the Act) to assist a requester who wishes to obtain information from the KwaZulu-Natal Department of Social Development, which is a public body. This manual is available in English, Afrikaans, IsiZulu, IsiXhosa and Brail.

This manual does not contain information about how to make a request to other government departments and/or private bodies. If a requester wishes to make a request to any other government department or private body other than the KWAZULU-NATAL DEPARTMENT OF SOCIAL DEVELOPMENT, the requester should obtain a copy of the manual from the relevant government or private body.

CUSTOMS TARIFF APPLICATIONS

LIST 08/2017

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following application concerning the Customs Tariff. Any objection to or comments on this representation should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001. Attention is drawn to the fact that the rate of duty mentioned in this application is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at http://www.itac.org.za/documents/R.397.pdf.
These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:

- *A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- *In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties.

The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons.
If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due).
Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.
