Explanatory Memorandum to the Allocations set out in the attached Schedule

This *Gazette* is published in terms of Section 26 of the Division of Revenue Act, 2019 (Act No. 16 of 2019) (DoRA), as amended by the Division of Revenue Amendment Act, 2019 (Act No.30 of 2019). Section 26 provides that any transfers not listed in the Schedules may only be made in terms of Section 6(3) which provides that additional allocations to provinces or municipalities may only be made in an adjustments budget and must comply with such monitoring and reporting requirements determined by the National Treasury. Further, Section 26 also requires that the National Treasury must publish such allocations in the *Gazette*, prior to the transfer of any funds to a province or municipality.

PROVINCIAL GOVERNMENT

This notice affects the National Health Insurance Indirect Grant and the Health Facility Revitalisation Grant,

1. In compliance with Section 21 of the Division of Revenue Act, 2019 the National Department of Health converts R206 million and R133.3 million for the National Health Insurance Indirect Grant into the Health Facility Revitalisation Grant for Eastern Cape and Limpopo respectively

The Division of Revenue Act, 2019, as amended prescribes that:

- 1.1. Section 19(1) "The National Treasury may, at its discretion or at the request of a national transferring officer, stop the transfer of a schedule 4 or 5 allocation if the National Treasury anticipates that a province or municipality will substantially under-spend on that programme or allocation in the financial year."
- 1.2. Section 19(4) "Any stopping of an allocation contemplated must, together with an explanatory memorandum, be published by the National Treasury in the *Gazette*."
- 1.3. Section 20(1) "The National Treasury may, where it stops an allocation in terms of section 19 after consultation with the transferring officer, determine that a portion or the allocation that will not be spent be re-allocated to one or more provinces or municipalities on condition that the allocation will be spent in the current or next financial year."

LOCAL GOVERNMENT

Re-allocation of funds between municipalities

2. The Neighbourhood Development Partnership Grant (NDPG Schedule 5, part B and Schedule 6, part B) is being stopped from twelve and re-allocated to 10 municipalities due to under performance by municipalities against their 2019/20 allocations. These funds are being re-allocated to municipalities that have fast tracked the implementation of their projects and have accelerated expenditure against their original allocations. These municipalities also have capacity and capability to absorb the additional allocations.

3. The Infrastructure Systems Development Grant (ISDG) is being stopped with an amount of R10.1 million from five municipalities due to anticipated underspending during the 2019/20 financial year. The municipalities that are affected by the stopping are: Buffalo City, City of Johannesburg, Gert Sibande, Sol Plaatjie and the City of Cape Town in the Eastern Cape, Gauteng, Mpumalanga, Northern Cape and the Western Cape province respectively. The same amount will be re-allocated to three municipalities, namely: eThekweni, Govan Mbeki and John Taolo Gaetsewe District Municipality in Kwa-Zulu Natal, Mpumalanga and Northern Cape province respectively.

Roll over of funds

4. A roll over application was approved for the Regional Bulk Infrastructure Grant indirect component amounting to R242 million. The approved funds will fund the emergency Vaal River System (VRS) pollution remediation intervention in Emfuleni Municipality. The changes are published under schedule 6 (B) of the DoRAA.

Conversion from Schedule 5B (indirect) to Schedule 6B (direct)

5. The 2019/20 NDPG Schedule 5, part B (direct) allocation amounting to R19.5 million is converted to the NDPG Schedule 6, part B (indirect). This is to ensure the completion of roads upgrades which were approved in 2017 for the West Rand District Municipality (DM) and Emfuleni Local Municipality (LM). Through the conversion, R12 million is being converted for West Rand DM and R7.5 million for Emfuleni LM.
6. The conversion is done in terms of Section 21 subsection (2) (a) of DoRA which states: The National Treasury may, after consultation with the relevant transferring officer, receiving officer and provincial treasury, convert any portion of an allocation listed in Part B of Schedule 5 to one listed in Part B of Schedule 6 if it is satisfied that- (a) the conversion shall prevent under-expenditure or improve the level of service delivery in respect of the allocation in question.
7. The NDPG (NDPG Schedule 5, part B and Schedule 6, part B) is being stopped from three and re-allocated to 9 municipalities due to under performance by municipalities against their 2019/20 allocations. These funds will be re-allocated to municipalities that have fast tracked the implementation of their projects and have accelerated expenditure against their original allocations. The funds are also being re-allocated to municipalities that have the capacity and capability to absorb the additional allocations.

Reduction to the indirect grants

8. Reductions were made to indirect grants to municipalities in order to keep within the expenditure ceiling. The reduction resulted in the following indirect grants to be reduced Municipal Systems Improvement Grant, Regional Bulk Infrastructure Grant and Integrated National Electrification Grant (Eskom) amounting to R10.5 million, R185 million, and R250 million respectively.

Shifts in Municipal Infrastructure Grant allocations

9. To correct allocations for ring-fenced sport projects in the Municipal Infrastructure Grant (MIG), R3.6 million is shifted to Prince Albert LM in Western Cape made up of R1.6 million and R2 million respectively from Ethanjeni and Magareng LMs in Northern Cape. The amounts for each project are shown correctly in the gazette list of the MIG ring-fenced funding for sport infrastructure. However, the allocations were not captured correctly in the MIG allocations, necessitating this correction. The correction will ensure that sufficient funds are made available to complete planned sport infrastructure projects in all three affected municipalities.

Allocation of unallocated funds in the Municipal Disaster Recovery Grant

10. There was R133.2 million in the Municipal Disaster Recovery Grant (MDRG) that was unallocated at the beginning of the financial year is allocated to eThekweni Metropolitan Municipality and Ugu DM in KwaZulu-Natal for the repair of roads damaged by floods in the year 2017. From the R133.2 million, R113 million is allocated to eThekweni Metropolitan Municipality and R20.3 million is allocated to Ugu DM.

Amendments to the local government payment schedule

11. The 2019/20 original payment schedule was approved by the Director-General on 25 June 2019 in terms of Section 23 of the DoRA, 2019.
12. All the proposed changes to the original payment schedule in this submission form part of the 2019 Adjustments Appropriation Act, (Act No. 29 of 2019) and will translate into an amendment in the flow of funds which means the originally scheduled allocations have to be amended likewise. The original payment schedule approved by the Director-General will accordingly be adjusted within the requirements of the Division of Revenue Act, 2019 as amended. This will be done in a separate submission.
