EXPLANATORY MEMORANDUM ON THE AMENDMENT OF THE "LICENSING PROCESSES AND PROCEDURES REGULATIONS FOR CLASS LICENCES, 2010 AND AMENDMENT REGULATIONS, 2016"

1. BACKGROUND AND CURRENT REGULATORY FRAMEWORK

- 1.1. The Independent Communications Authority of South Africa ("ICASA"/ "Authority") is enjoined in terms of section 2 of the Independent Communications Authority of South Africa Act, 2000 (Act No. 13 of 2000) ("ICASA Act"), amongst others, to regulate electronic communications services, broadcasting and postal services in the public interest.
- 1.2. The Authority is empowered in terms of section 4 (1) of the Electronic Communications Act, 2005 (Act No. 36 of 2005) ("ECA") "to make Regulations with regard to any matter which in terms of this Act or the related legislation must or may be prescribed, governed or determined by regulation".
- 1.3. On 14 June 2010, the Authority published the Licensing Processes and Procedures Amendment Regulations 2010 in Government Gazette Number:33297 for registration, amendment, renewal, transfer and surrender of class licences and matters pertaining and applicable to licence exemptions (limited to ECNS and ECS) ("2010 Regulations").
- 1.4. On 30 March 2016, the Authority published the Licensing Processes and Procedures Amendment Regulations 2016 in Government Gazette Number: 39874 for registration, amendment, renewal, transfer and surrender of

class licences and matters pertaining and applicable to licence exemptions (limited to ECNS and ECS) ("2016 Regulations").

- 1.5. The Authority is amending the 2010 and 2016 Regulations to provide clarity on the Authority's process with respect to the licensing of Broadcasting, Electronic Communications and Electronic Communications Network Services for Class Licences, enhance compliance with the Regulations; streamline the process for submitting documents to the Authority and to provide stakeholder effective service to minimise the regulatory burden on both the Authority and licensees.

2. AMENDMENTS TO THE 2010 REGULATIONS AND THE 2016 REGULATIONS

2.1. DEFINITIONS

These Draft Amendment Regulations propose the insertion of the following definitions:

"Low Power Commercial Sound Broadcasting Services"; "Low Power Community Sound Broadcasting Service"; "Special Event Sound Broadcasting Service Licence"; "Special Event"; "Temporary Community Television Broadcasting Service Licence"; of "Community of interest;" and "Geographically-Founded Community".

The Licensing Processes and Procedures Regulations for Class Licences are the primary Regulations that prescribe the processes and procedures for the various class Electronic Communications Service ("ECS"), Electronic Communications Network Service ("ECNS"), and Broadcasting Service licences issued by the Authority in terms of Chapter 3 of the ECA. As such, the Authority deemed it proper to incorporate all other provisions or definitions that relate to processes and procedures applicable to class

licences into this current amendment of the 2010 Regulations to streamline the processes and procedures.

The Draft Amendment Regulations also propose the amendment of the definition "***Historically Disadvantaged Persons***".

This proposed amended definition is in line with the Draft Historically Disadvantaged Persons and -Broad Based Black Economic Empowerment Regulations.

2.2. **AMENDMENT OF REGULATION 3 OF THE 2010 REGULATIONS**

The Draft Amendment Regulations propose the amendment of Regulation 3 with the following substitution:

"3. *Application of these Regulations* *"These Regulations apply to all class licences."*

The revised text is intended to simplify Regulation 3 of the 2010 Regulations and clarify the scope of the Regulations. As a result, all further references to the term "class licence", with the exception of the annexed forms, in the 2010 and 2016 Regulations have been amended and replaced with the term "licence".

2.3. **AMENDMENT OF REGULATION 4 OF THE 2010 REGULATIONS: THE PRESCRIBED FORMS**

The Draft Amendment Regulations propose the amendment of Regulation 4 with the following substitution:

(a) Regulation 4(1) of the 2010 Regulations

- i. The proposed amendment of Regulation 4(1)(a) (**Form A**) is to provide a clear distinction between registration for ECS or ECNS versus Broadcasting Services.
- ii. The proposed amendment of Regulation 4(1)(b) (**Form B**) has made inclusion of Special Event Community Sound Broadcasting Services, Temporary Community Television Broadcasting Services and Low Power Community Sound Broadcasting Services as part of the scope of form B. This is in order to streamline the application process for community broadcasting services.
- iii. The proposed amendment of Regulation 4(1)(i) (Form N) introduces a new Form N and incorporates it into the Regulations to accommodate Low Power Commercial Sound Broadcasting Services ("LPCS"). LPCS' are a form of hybrid service in terms of the class licensing framework. The services fall within both the prescript of a class licence (with geographic limitations due to the maximum prescribed broadcast of 1 watt as well as providing commercial broadcasting services.

As a result of the above, the application requirements would be different from those specified in Form B.

- iv. The proposed insertion of Regulation 4 (1) (j) (Form P) to the Regulations, "*Form P: Application for a Broadcasting Spectrum licence*".

2.4. AMENDMENT OF REGULATION 5 OF THE 2010 REGULATIONS (REGULATION 3 OF THE 2016 REGULATIONS): SUBMISSION OF APPLICATIONS, REGISTRATIONS, AND OTHER DOCUMENTS

(a) Regulation 3 (1A) of the 2016 amendment Regulations:

Regulation 3 (1A) of the 2016 Regulations requires registrants to submit at least five (5) hard copies when filing/submitting a registration notice (including amendment, renewal, licence transfer and surrender) and must further provide one (1) electronic copy of the documents submitted.”

The proposed amendment of Regulation 3 (1A) now requires that *“Registrants/Applicants submit two (2) hard copies (including an original) of the application as well as a soft copy of the application on a USB or a disc.”*

This revised requirement has been aligned with the Position Paper on Unreserved Postal Services¹ and will reduce the number of copies required by the Authority for applications.

(b) Regulation 5 (2) of the 2010 Regulations:

Regulation 5 (2) of the 2010 Regulations stated that *“Where any document is required in terms of these Regulations, it must be submitted to the Authority before 16h00 hours during working days.”*

The proposed amendment of Regulation 5 (2) is as follows:

“Where any documentation is required in terms of these Regulations, it must be submitted to the Authority before 16h30 during working days. If the Registration/Application is submitted after 16h30, the Registration/Application will be considered to have

¹ Position Paper on Unreserved Postal Services published in GN: 438, GG:42323 on 22 March 2019

been received the next day". This is in line with the Authority's operating hours to ensure proper acknowledgment and receipt of documentation.

(c) Regulation 5 (5) of the 2010 Regulations:

Regulation 5 (5) of the 2010 Regulations states that "The Authority will not consider any application, notice or registration where an applicant or registrant fails to pay the applicable fee."

The Amended Regulation now reads as Regulation 5 (6) as follows: *"The Authority will not consider any application, notice or registration where an applicant or registrant:*

- (a) fails to pay the applicable fee;*
- (b) is not compliant with sub regulation (1), (3) and (4); and*
- (c) is in arrears with respect to any fees and/or is not compliant to the Compliance Procedure Manual Regulations."*

The Authority introduced the Compliance Procedure Manual Regulations Forms as a prerequisite to ensure that Applicants/Registrant are in overall compliance with relevant Regulations as well as to streamline the requirements for Applicants/Registrant.

2.5. AMENDMENT OF REGULATION 7 OF THE 2016 REGULATIONS: REGISTRATION FOR A CLASS LICENCE (SECTION 16 AND 17 OF THE ACT)

(a) Regulation 7 (1) and (2) of the 2016 Regulations

Regulations 7(1); (2); (5) and (8) of the 2016 Regulations are deleted. The provisions of the deleted subregulations are covered

extensively in the Community Broadcasting Services Regulations of 2019².

Regulation 7(1) of the 2016 Regulations is replaced with the amendment of Regulation 7(3) of the 2016 Regulations which stated that *"Notice of a registration for a licence in terms of sections 16(2) and 17(1) of the Act, must be in the format as set out in Form A. Community broadcasting service registrant must not complete Form A."*

The proposed amendment of Regulation 7 (1) is as follows:

"Notice of a registration for a licence in terms of sections 16(2) and 17(1) of the Act, must be in the format as set out in Form A."

While Regulation 7(2) of the 2016 Regulations is replaced with the amendment of Regulation 7(4) which stated as follows:

"Notice of registration for a licence to provide a Community Broadcasting Services in terms of sections 16(2) and 17(1) of the Act, must be in the format as set out in Form B."

The proposed amendment of Regulation 7(2) is as follows:

*"Notice of registration for a licence to provide a Community Broadcasting Service or a Special Event Community Sound Broadcasting Service or a Temporary Community Television Broadcasting Service or Low Power Community Sound Broadcasting Service in terms of sections 16(2) and 17(1) of the Act, must be in the format as set out in **Form B.**"*

² Community Broadcasting Services Regulations of GN: 439, GG: 42323 of 2019

The earlier proposed amendments of regulation 5(1) stipulated the scope of each annexed form in that Form A is for the exclusive use for class ECS and ECNS. The proposed amendments of Regulation 5(1) further extended the scope of Form B to include community broadcasting services and its stipulated variations.

(b) Regulation 7 (6) of the 2016 Regulations

Regulation 7(6) of the 2016 Regulations reads as follows:

"The registration application must be accompanied by the founding documents of the applicant, the certificate, including the Constitution and Memorandum of Incorporation (MOI) and any other related information." is amended to read as Regulation 7(3) with the text: *"The notice of registration (Form A) must be accompanied by the founding documents of the registrant, i.e. the registration certificate, including MOI and any other related information in respect of electronic communications services and electronic communications network services."*

As a result of the proposed deletions, Regulation 7 (4) will read as follows: *"The Authority will make a determination and publish a notice on the provinces/areas in which it invites registrations for community broadcasting services licences."*

**2.6. AMENDMENT OF REGULATION 8 OF THE 2016 REGULATIONS:
APPLICATION TO AMEND A CLASS LICENCE**

(a) Regulation 8(5) and (6) of the 2016 Regulations

Regulation 8(5) of the 2016 Regulations reads as follows:

"Incomplete registration forms will be rejected and returned to the prospective registrant." Regulation 8(6) of the 2016 Regulations reads as follows: *"The Authority will not consider an application or*

registration if the licensee or registrant is in arrears with respect to any fees prescribed by the Authority or legislated in terms of the Act."

These provisions are deleted because their content is covered in the proposed amendment and insertion of Regulation 5(5).

2.7. AMENDMENT OF REGULATION 9 OF THE 2016 REGULATIONS:

Regulation 9(4) and Regulation 10(d) of the 2016 Regulations read as follows: *"The Authority will not consider any application if the licensee or registrant is in arrears with respect to any fees prescribed by the Authority or legislated in terms of the Act."*

The provisions of Regulation 9(4) and Regulation 10(d) are included in the proposed amendments and insertion of Regulation 5(5)(c) which reads as follows: *"The Authority will not consider any application if the licensee or registrant is in arrears with respect to any fees prescribed by the Authority or legislated in terms of the Act."*

Regulation 9(4) and Regulation 10(d) of the 2016 Regulations are therefore deleted.

2.8. AMENDMENT OF REGULATION 11 OF THE 2010 REGULATIONS: SURRENDER OF A CLASS LICENCE

(a) Regulation 11 (3) of the 2010 Regulations

Regulation 11(3) of the 2010 Regulations reads as follows:

"A licensee that intends to surrender its licence must take appropriate steps to inform end-users, of the cessation of the service in advance."

The proposed amendment of regulation 11(3) will read: *"A Licensee may not cease providing services prior to notification of the surrender of its licence to the Authority."*

(b) Regulation 11(4) of the 2010 Regulations

Regulation 11(4) of the 2010 Regulation reads as follows:

"Upon receipt of an application referred to in regulation 10, the Authority may stipulate the steps to be taken by the licensee in order to comply with its obligations in terms of regulation 11(3).

The proposed amendment of Regulation 11(4) will read:

"The Licensee that intends to surrender its licence must take appropriate steps to inform its customers/listeners/viewers of its intention to cease its services two (2) months prior to the cessation."

The reason for the proposed amendment is to protect *customers/listeners/viewers and* provide timelines within which the licensee should inform its customers/listeners/viewers of its intention to cease services.

(c) Regulation 11 (6) of the 2010 Regulations

The amendment of Regulation 11(6) of the 2010 Regulations will read:

"All amounts due and payable to the Authority must be paid within one calendar month of the date on which the service provided in terms of the licence is discontinued, except where the Authority, upon the request by the licensee and on good cause shown, extends the time in this regard." The rationale is premised on how debtors are aged.

2.9. **AMENDMENT OF REGULATION 12 OF THE 2010 REGULATIONS: NOTICE OF CHANGE OF INFORMATION IN RESPECT OF A LICENCE**

The amendment of Regulation 12 of the Regulations will read:

12.2 (2) *"A licensee must submit the notice within fourteen (14) days of the change occurring"* to allow licensees ample time to notify the Authority.

12.2. (2) (a) *"Name and contact details of the Licensee changes"* has been substituted with *"Name, principal place of business and/or contact details of the licensee changes."* The reason for the substitution is because mostly the physical address provided by stakeholders is not necessarily a principal place of business. The term principal place of business is in accordance with section 5(8)(b) of the ECA and essential for compliance monitoring.

12.2. (2) (b) *"Nature of service/s provided in terms of the licence change"* has been amended to the *"Type of the service being provided"*, The rationale is for the Authority to be aware of the services provided by the licensees and for consumer protection purposes.

2.10. **AMENDMENT OF REGULATION 13 OF THE REGULATIONS**

The amendment of Regulation 13 is to cater for Electronic Communications Service (ECS) licence exemption services and to provide the distinction and regulatory certainty between the two types of services.

2.11. **AMENDMENT OF 13A OF THE REGULATIONS**

The amendment of Regulation 13A is to consolidate the Standard Terms and Conditions for Low Power Sound Broadcasting Regulations, 2003 and the Regulations relating to application for Special Events Community Sound

Broadcasting licence or Temporary Television Broadcasting licences, 2005 with the Class Broadcasting services.

2.12. AMENDMENT OF REGULATION 14 OF THE REGULATIONS

The rationale for the amendment of the Regulation 14 is to align the application process to the Community Broadcasting Services Regulations which requires the Authority to publish the notice in the Government Gazette to invite interested parties during the registration phase.

2.13. AMENDMENT OF REGULATION 14A OF THE REGULATIONS

The rationale for the amendment of Regulation 14A is to relieve the Authority of the administrative burden associated with incomplete applications.

2.15. ANNEXURES: PRESCRIBED FORMS

(a) Form A: REGISTRATION FOR A CLASS LICENCE (REGULATION 7(1))

(i) Contact Persons

The proposed amendment and insertion of the requirement to provide a maximum of two designated contact persons i.e. a primary and secondary contact person to effectively locate applicants and licensees.

(ii) Street Address

The proposed deletion and replacement of Registrants' street addresses is to provide Registrants' principal places of business. This amendment has arisen due to applicants confusing this requirement with personal residential address. In order to avoid this the physical address for the principal place of business is now required as opposed to the street address.

(iii) Contact Details

The proposed inclusion of the mobile numbers of the Registrant's designated contact persons as well the inclusion of the requirement is to provide the Registrant's designated contact persons' e-mail addresses.

(b) FORM B: REGISTRATION OF A CLASS LICENCE TO PROVIDE A COMMUNITY BROADCASTING SERVICE (Regulation 7(2))

The proposed amendment of the heading to "*REGISTRATION OF A LICENCE TO PROVIDE A COMMUNITY BROADCASTING SERVICE/SPECIAL EVENT COMMUNITY SOUND BROADCASTING SERVICES/TEMPORARY COMMUNITY TELEVISION / LOW POWER COMMUNITY SOUND BROADCASTING SERVICE*".

This amendment is as earlier discussed in the amendment of Regulation 5(1) in which the scope of Form B has been revised.

(i) Nature of Events

The proposed inclusion of: "*Nature of Events (Only for special event community sound broadcasting services and temporary community television broadcasting services), the event which will be covered by the station if a licence is granted, details including the dates of events, the nature of the event and a motivation for how a broadcasting licence will positively contribute towards the event, dates the licence required*" under the heading "NATURE OF SERVICES TO BE LICENSED"

The proposed insertion of the wording "*5.7. In the case of a special event community sound broadcasting licence, the programming content must be 60% or more related to the special event.*"

(ii) Control and Management

The proposed insertion of the wording "9.2. ***Attach the proposed organogram***" under the section "**BOARD AND MANAGEMENT**".

Proposal to amend clause 9.2.1 of Form B with the insertion of the following wording: "9.2.1 *Provide details of any persons in a position of control of the registrant who is a foreign citizen, or an entity registered or incorporated in any country other than South Africa: indicate whether any member of the Board of the registrant is a foreign citizen or an entity registered or incorporated in any country other than South Africa. Please provide details below.*"
