## HIGH ALERT: SCAM WARNING!!!

### TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

[PROCUREMENT@GPW-GOV.ORG](mailto:PROCUREMENT@GPW-GOV.ORG)

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

*GPW* has an official email with the domain as [@gpw.gov.za](mailto:@gpw.gov.za)

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

*GPW* will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

*Government Printing Works* gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

## Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

### How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at [www.gpwonline.co.za](http://www.gpwonline.co.za)
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

(ACT NO. 107 OF 1998)****AMENDMENT OF SECTION 24H REGISTRATION AUTHORITY REGULATIONS, 2016**

I, Barbara Dallas Creecy, Minister of Forestry, Fisheries and the Environment hereby, in terms of sections 24(5)(e), 24H and 44 of the National Environmental Management Act, 1998 (Act No. 107 of 1998), amend the Section 24H Registration Authority Regulations, 2016, published under Government Notice No. 849 In Government Gazette No. 40154 of 22 July 2016, as set out in the Schedule hereto.

**BARBARA DALLAS CREECY  
MINISTER OF FORESTRY, FISHERIES AND THE ENVIRONMENT**

## SCHEDULE

### Amendment of regulation 22

Regulation 22 of the Section 24H Registration Authority Regulations, 2016, published under Government Notice No. 849 in *Government Gazette* 40154 of 22 July 2016, is hereby amended by the substitution for subregulation (2) of the following subregulation:

"(2) Regulation 14 of these Regulations takes effect 48 months from the date of the appointment of the first registration authority."

### EXPLANATORY MEMORANDUM

1. The Environmental Assessment Practitioners Association of South Africa (EAPASA) was appointed on 8 February 2018 in terms of section 24H of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA).
2. The Section 24H Registration Authority Regulations, 2016 (the Regulations) were gazetted on 22 July 2016 in Government Notice No. 849 in *Government Gazette* 40154 and, with the exception of regulation 14, commenced on 8 February 2018. Regulation 14 of the Regulations provides that no person other than a registered environmental assessment practitioner, registered with a registration authority, may hold primary responsibility for the planning, management, coordination or review of environmental impact assessments (EIAs) and associated environmental management programmes (EMPrs).
3. Regulation 22(2) of the Regulations provides that regulation 14 takes effect 24 months from the date of appointment of the first registration authority, which would have been 8 February 2020. The Minister of Forestry, Fisheries and the Environment has, however decided not to implement regulation 14 but to amend regulation 14 and the date of implementation of the requirements contained therein. The intention to amend this regulation was published under Government Notice No. 40 in *Government Gazette* No. 42967 of 24 January 2020.
4. Apart from the need to provide more time for environmental assessment practitioners (EAPs) to register, it has become clear from comments received during the public consultation period that other amendments to the Regulations will be required. This will be necessary to provide clarity on some aspects contained in the Regulations in order to make the implementation of the Regulations more efficient. As a result, a 24 month period for extension is deemed appropriate in order to prepare, consult on and finalise such additional amendments to the Regulations.
5. Whilst competent authorities will accept applications after 08 February 2020 from non-registered EAPs, EAPs are still strongly encouraged to continue to submit their applications for registration with EAPASA in the interim.

**NOTICE 446 OF 2020**  
**INTERNATIONAL TRADE ADMINISTRATION COMMISSION**  
**CUSTOMS TARIFF APPLICATIONS**  
**LIST 07/2020**

The International Trade Administration Commission (herein after referred to as ITAC or the Commission) has received the following applications concerning the Customs Tariff. Any objection to or comment on these representations should be submitted to the Chief Commissioner, ITAC, Private Bag X753, Pretoria, 0001. Attention is drawn to the fact that the rate of duty mentioned in these applications is that requested by the applicant and that the Commission may, depending on its findings, recommend a lower or higher rate of duty.

**CONFIDENTIAL INFORMATION**

*The submission of confidential information to the Commission in connection with customs tariff applications is governed by section 3 of the Tariff Investigations Regulations, which regulations can be found on ITAC's website at <http://www.itac.org.za/documents/R.397.pdf>.*

*These regulations require that if any information is considered to be confidential, then a non-confidential version of the information must be submitted, simultaneously with the confidential version. In submitting a non-confidential version the regulations are strictly applicable and require parties to indicate:*

- ❑ Each instance where confidential information has been omitted and the reasons for confidentiality;*
- ❑ A summary of the confidential information which permits other interested parties a reasonable understanding of the substance of the confidential information; and*
- ❑ In exceptional cases, where information is not susceptible to summary, reasons must be submitted to this effect.*

*This rule applies to all parties and to all correspondence with and submissions to the Commission, which unless clearly indicated to be confidential, will be made available to other interested parties.*

*The Commission will disregard any information indicated to be confidential that is not accompanied by a proper non-confidential summary or the aforementioned reasons. If a party considers that any document of another party, on which that party is submitting representations, does not comply with the above rules and that such deficiency affects that party's ability to make meaningful representations, the details of the deficiency and the reasons why that party's rights are so affected must be submitted to the commission in writing forthwith (and at the latest 14 days prior to the date on which that party's submission is due).*

*Failure to do so timeously will seriously hamper the proper administration of the investigation, and such party will not be able to subsequently claim an inability to make meaningful representations on the basis of the failure of such other party to meet the requirements.*

### **REASONS AS STATED BY THE APPLICANT:**

- The furniture manufacturing industry faces growing input costs in the manufacture of lounge furniture, which exceed normal Consumer Price Index (“CPI”), which makes it challenging for the industry to manufacture on a sustainable basis.
- The input subject material is currently not manufactured domestically and thus the possible relief of the input cost will enable the industry to maintain and grow employment and remain competitive in the SACU industry, competing amongst other with imported products from the East.

### **PUBLICATION PERIOD:**

Representation should be submitted within **four (4) weeks** of the date of this notice.

**2. REVIEW OF THE DESCRIPTION OF REBATE ITEM 304.07/0404.10/01.06 FOR DEMINERALISED WHEY POWDER FOR THE MANUFACTURE OF PREPARED INFANTS FOOD IN PART 1 OF SCHEDULE NO.1 TO THE CUSTOMS AND EXCISE ACT, NO. 91 OF 1964, WHICH READS AS FOLLOWS: “DEMINERALISED WHEY POWDER, FOR THE MANUFACTURE OF PREPARED INFANTS FOOD”**

The review is conducted with a view to review the conditions of rebate item 304.07/0404.10/01.06 and clarify the limitation to demineralised whey powder taking into account the practices of the infant foodstuffs industry.

**THE REASONS PROVIDED FOR THE REVIEW IS AS FOLLOWS:**

- a) The rebate item is currently contentious due to the lack of clarity as to what constitutes demineralised whey powder (DWP) and what the parameters are of its constituents.
- b) It has become increasingly difficult for SARS to administer the rebate item in view of the fact that some local manufacturers of infant food utilise whey protein concentrate (WPC) as a substitute for DWP as WPC has a similar composition to DWP.
- c) There is no consistency insofar as the specification for DWP and WPC is concerned and there is a possible overlap, in some instances, depending on which standard is being used. The said standards do not aid in providing a clear distinction between DWP and WPC.
- d) Trade data shows that goods imported under rebate item 304.07/0404.10/01.06 have been decreasing and ceased completely in 2019.

**PUBLICATION PERIOD:**

Representation should be submitted to the above address within **four (4) weeks** of the date of this notice.

**3. DIRECTIVE TO INVESTIGATE AND EVALUATE THE CREATION OF REBATE FACILITIES TO ADDRESS THE SUPPLY OF TEXTILES FOR USE IN THE MANUFACTURE OF APPAREL**

Creation of a 4th Schedule rebate, as follows: “Textile fabrics, classifiable in Section XI, for the manufacture of articles of apparel and clothing accessories, classifiable in Chapters 61 and 62, in such quantities, at such times and subject to such conditions as the International Trade Administration Commission may allow by specific permit, provided the fabric is not specifically covered by another rebate provision in Schedule No. 3 for the same industry and purpose”. Such rebate to be subject to, *inter alia*, the following conditions:

- a) ITAC may limit the rebate provision to a list of qualifying fabrics, should it be deemed necessary. Such list to be determined and published by ITAC on its website, which is aligned and attached to reciprocal off-take commitments as identified by the DTIC, within the ambit of the R-CTFL Masterplan.
- b) Current volume and value offtake from local Textile Mills not to be reduced
- c) Develop opportunities to deepen the value chain
- d) Price Restraint
- e) Time-limited basis/Rebate review

[*Note: Comments must be provided in the format of a questionnaire obtainable on ITAC’s website at [www.itac.org.za](http://www.itac.org.za), by following the links: ‘Services - Tariff investigations - Government Gazette Notices – Other publication notices.’]*

**THE REASONS PROVIDED FOR THE REVIEW IS AS FOLLOWS:**

- a) Under the R-CTFL Masterplan, Government has committed to creating an enabling environment for investment and growth in the industry. In particular, commitment four calls for strategic use of tariffs and rebates.

Action points under commitment four include, *inter alia*, the review of rebate provisions on imported primary materials and components to support localisation of manufacturing, subject to:

- i) Demonstrated, measurable and enforceable employment and investment growth benefits;
  - ii) Future rebates subject to strict conditionalities (e.g. Bargaining Council compliance, tax compliance);
  - iii) Effective enforcement to prevent abuse; and
  - iv) Taking account of employment and production across the value chain, including textiles.
- b) The Government has been approached by retailers in the clothing sector, who have highlighted challenges in obtaining sufficient apparel due to disruption in their supply chains due to the spread of the COVID-19 virus. These issues were ventilated at inaugural Executive Oversight Committee meeting on the 12 March 2020, which was attended by representatives across the Retail, Clothing, Textile, Footwear and Leather (R-CTFL) value chain. Stakeholders have advised that appropriate would support accelerated localisation of apparel manufacturing in South Africa.”

**PUBLICATION PERIOD:**

Representations should be submitted to the above ITAC officials within **two (2) weeks** of the date of this notice, given the Minister’s Directive to urgently investigate and evaluate the subject matter.

**4. REBATE FACILITY FOR THE IMPORTATION OF:**

Flat-rolled products of iron or non-alloy steel, clad, plated or coated with tin (“tinplate”), classifiable under tariff subheadings 7210.11, 7210.12.10, 7210.12.90, and 7212.10.
