## HIGH ALERT: SCAM WARNING!!!

### TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

[PROCUREMENT@GPW-GOV.ORG](mailto:PROCUREMENT@GPW-GOV.ORG)

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

*GPW* has an official email with the domain as [@gpw.gov.za](mailto:gpw@gpw.gov.za)

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

*GPW* will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

*Government Printing Works* gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

## **Fake Tenders**

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

### **How tender scams work**

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at [www.gpwonline.co.za](http://www.gpwonline.co.za)
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

**PROPOSED AMENDMENT OF THE DETERMINATION MADE BY THE SOUTH AFRICAN CIVIL AVIATION AUTHORITY TO IMPOSE A FUEL LEVY ON THE SALE OF AVIATION FUEL**

It is hereby proposed to increase the fuel levy by Consumer Price Index (CPI) related figures for a period of one financial year commencing on 1 April 2021 and ending on 31 March 2022 as follows:

## Amendment of paragraph 2 of the Determination

1. Paragraph 2 of the Determination is hereby amended by the substitution for subparagraph (1) of the following subparagraph:  
“(1) Subject to the provisions of paragraph (2), a levy of 19.2 cents per litre is payable by consumers (including a wholesale distributor) on the sale of all aviation fuel which is manufactured, distilled, imported or sold in the Republic.”

## Commencement

2. This amendment will come into operation 1 April 2021.

## 3. MOTIVATION

The South African Civil Aviation Authority (“SACAA”) proposes to increase the SACAA Fuel Levy by an annual CPI increase for the 2021/2022 financial year, commencing on the 1st April 2021.

The fuel levy is collected by fuel wholesale distributors or agents from sales of aviation fuel/gas with the exemptions being fuel for flights where the passenger safety charge is collected, fuel exports and where bilateral agreements determines exemption. The passenger safety charge is effecting contribution to the funding of the SACAA from the Commercial Sector (scheduled flights) whereas the fuel levy effects contribution from "General Aviation" (non-scheduled flights, cargo flights and other types of flights). This is used to assist SACAA to comply with its statutory mandate, which includes safety and security oversight on various entities and certificate/license holders for the benefit of travellers and other beneficiaries of SACAA services.

The fuel levy was last increased from 17.3 to 18.3 c/l with effect from 1 April 2020. The Minister of Finance (quoting section 7.3.1 of the Treasury Regulations) requested the SACAA to:

"review, at least annually when finalizing the budget, all fees, charges or the rates, scale or tariffs of fees and charges that are not or cannot be fixed by any law and that relate to revenue accruing to a revenue fund."

SACAA has submitted its Medium-Term Expenditure Framework (MTEF) budgets to National Treasury for the 2021/2022, 2022/2023 and 2023/2024 financial years respectively. As part of the MTEF budget submission, SACAA has budgeted for a CPI increase for the 2021/2022 financial year. The CPI rate assumptions as provided by National Treasury for the three respective years are 5.0%, 4.8% and 4.8% respectively.

In order to continue to carry out its mandate of regulating civil aviation and of enhancing civil aviation safety and security as well as overseeing the development of the civil aviation industry, SACAA submits that it is essential that the proposed levy increase be implemented.
