## NATIONAL TREASURY

NO. 113

22 February 2021

I, Tito Titus Mboweni, Minister of Finance, in my capacity as the Minister of Finance, hereby publish, in accordance with section 16 and 26 of the Division of Revenue Act, 2020 (Act No. 4 of 2020) as amended by the Division of Revenue Second Amendment Act, 2020 (Act No.20 of 2020), the attached Explanatory Memorandum and Schedules and the provincial and local government conditional grant frameworks:

- (a) Roll-over for school infrastructure backlogs grant for the completion of projects that are part of the Sanitation Appropriate for Education (SAFE) initiative;
- (b) Roll-over of un-transferred Urban Settlements Development Grant to fund commitments for bulk infrastructure related projects;
- (c) Additional allocations to provinces to support presidential employment initiative and food relief to alleviate impact of COVID 19.
- (d) Additional allocation to the indirect Water Services Infrastructure Grant for implementation of various water services interventions; and
- (e) Reductions to conditional grant allocations to provinces and municipalities.
- (f) Frameworks for conditional grants to provinces and municipalities.

For ease of reference only and where applicable, the attached Schedules reflect the main allocations, first and second adjustments, and total adjusted allocations.

**TT MBOWENI, MP**  
**MINISTER OF FINANCE**

## **Explanatory Memorandum to the Allocations set out in the attached Schedule**

This *Gazette* is published in terms of Section 16 and 26 of the Division of Revenue Act, 2020 (Act No. 4 of 2020) (DoRA), as amended by the Division of Revenue Second Amendment Act, 2020 (Act No.20 of 2020). Section 16 (2) states that for purposes of correcting an error or omission in an allocation or framework published in terms of subsection (1) (a) or (c), the National Treasury must on its own initiative and after consultation with the relevant transferring officer; or at the written request of the relevant transferring officer, by notice in a *Gazette* amend the affected allocation or framework.

Section 26 provides that any transfers not listed in the Schedules may only be made in terms of Section 6(3) which provides that additional allocations to provinces or municipalities may only be made in an adjustments budget and must comply with such monitoring and reporting requirements determined by the National Treasury. Further, Section 26 also requires that the National Treasury must publish such allocations in the *Gazette*, prior to the transfer of any funds to a province or municipality.

### **PROVINCIAL GOVERNMENT**

#### ***Additional allocations to support presidential employment initiative***

In response to job losses resulting from the COVID-19 pandemic, additional funds have been added as part of the stimulus package to create jobs through labour intensive projects. These funds were provisionally set aside when the Special Adjustment Budget was tabled. The funding includes allocations that are made through conditional grants and provincial equitable share. R213 million is added to the *HIV, tuberculosis, malaria and community outreach grant: community outreach services component* for recruitment, training and procurement of personal protective equipment for 1 250 community health workers and 2 000 outreach team leaders and the procurement of backpack kits for existing and recruited community health workers and outreach team leaders. R180 million is added to the *statutory human resources, training and development grant* for the appointment of 1 045 enrolled nurses and 1 236 assistant/auxiliary nurses.

To provide unemployment risk support to 83 333 early childhood development related workers for six months and top-up payments to 25 500 already employed early childhood development workers to take on compliance support duties, R496 million is added to the *early childhood development grant*. R630 million is added to the *provincial roads maintenance grant* for the creation of 50 000 jobs, through maintenance of provincial roads using the S'hamba Sonke Programme. R7 billion is added to the *provincial equitable share* to employ education assistants at schools and to save school governing body posts at fee paying schools and government-subsidised independent schools where employees have been furloughed or had salaries cut due to reduced income from school fees and fund-raising initiatives that have been curtailed due to COVID-19 related precautionary measures. School governing bodies will appoint education assistants and decide on the specific duties of these assistants (e.g., reading

assistants, classroom assistants, after school assistants, screeners, cleaners) depending on the needs of the school. These changes are shown in Schedule 2, Part A; Schedule 4, Part A and Schedule 5, Part A of the Division of Revenue Second Amendment Act, 2020 (Act No.XX of 2020 "the Act").

#### ***Addition for assistance with food relief***

R500 million is added to the *provincial equitable share* for providing food relief in response to the impact of COVID-19 to mitigate the adverse effects of hunger. This change is shown in Schedule 2, Part A of the Act.

#### ***Roll-over for school infrastructure backlogs grant***

R475 million is rolled over for the *school infrastructure backlogs grant* for the completion of projects that are part of the Sanitation Appropriate for Education (SAFE) initiative, which deals with the replacement and removal of inappropriate and unsuitable sanitation, including pit toilets, at schools. The funds are for schools in Eastern Cape, KwaZulu-Natal and Limpopo.

#### ***Reductions to provincial conditional grants***

In terms of the rescue plan for South African Airways, R10.5 billion is required for this purpose. The reductions are made uniformly across programmes falling within national departments, these include provincial conditional grants. There will be no reductions made to the provincial equitable share for this purpose. With respect to the reductions to conditional grants, these are made proportionately across provinces as much as possible. Provincial conditional grants are reduced by R1.3 billion, made up of:

- R56 million is reduced from the *national tertiary services grant*. This change is shown in Schedule 4, Part A of this Act.
- R14 million is reduced from *community library services grant*. R14 million is reduced from the *comprehensive agricultural support programme grant*. R52 million is reduced from the *health facility revitalisation grant*. R224 million is reduced from the *HIV, TB, malaria and community outreach grant*. R5 million is reduced from the *ilima/letsema projects grant*. R980 000 is reduced from the *land care programme grant*. R4 million is reduced from the *mass participation and sport development grant*. R42 million is reduced from the *national health insurance grant*. R26 million is reduced from the *statutory human resources, training and development grant*. R37 million is reduced from the *title deeds restoration grant*. These changes are shown in Schedule 5, Part A of the Act.
- R336 million is reduced from the *school infrastructure backlogs grant*. R240 million is reduced from the *national health insurance: indirect grant*. These changes are shown in Schedule 6, Part A of the Act.
- R273 million is reduced from the *provincial emergency housing grant*. This change is shown in Schedule 7, Part A of the Act.

#### ***Reduction to the provincial equitable share***

R25.3 billion is reduced from the *provincial equitable share*. This is because reductions were not included in the calculations of the allocations to provincial government at the time the budget was tabled. This is part of the reduction of

R160 billion to the growth of the public-service wage bill that was announced in the Budget tabled in February 2020. This change is shown in Schedule 2, Part A of the Act.

Additional allocations to provinces for the Presidential Employment Initiative for the education sector are determined in terms of the applications received, food relief is determined in line with the provincial equitable share formula, while the provincial reductions for public service wage bill are determined in line with the individual personnel expenditure in the provinces.

## LOCAL GOVERNMENT

### *Roll-over of funds*

R390 million is rolled over in the *urban settlements development grant* to fund commitments for bulk infrastructure related projects in Nelson Mandela Bay Metropolitan Municipality. R98 million is rolled over in the *public transport network grant* to continue the rollout of the integrated public transport network (IPTN) for public and non-motorised infrastructure in Nelson Mandela Bay Metropolitan Municipality. R307 million is rolled over in the *regional bulk infrastructure grant* for drought and COVID-19 water and sanitation interventions nation-wide.

### *Additional allocation for the water services infrastructure grant*

R12 million has been reprioritised from the department's budget into the indirect component of the *water services infrastructure grant* for implementation of various water services interventions.

### *Reductions to municipal conditional grants*

In terms of the rescue plan for South African Airways, R10.5 billion is required for this purpose. The reductions are made uniformly across programmes falling within national departments, these include local government conditional grants. There will be no reductions made to the local government equitable share for this purpose. With respect to the reductions to conditional grants, these are made proportionately across municipalities as much as possible. Local government conditional grants are reduced by R613 million, made up of:

- R4 million is reduced from the *integrated city development grant*.
- R2 million is reduced from the *infrastructure skills development grant*. R12 million is reduced from the *integrated urban development grant*. R180 million is reduced from the *municipal infrastructure grant*. R12 million is reduced from the *neighbourhood development partnership grant*. R253 million is reduced from the *public transport network grant*. R78 million is reduced from *water services infrastructure grant*.
- R18 million is reduced from the *integrated national electrification programme (Eskom) grant*.
- R55 million is reduced from *regional bulk infrastructure grant*.

## CHANGES TO GAZETTED FRAMEWORKS AND ALLOCATIONS

### ***Additional conditions attached to the approval of Presidential Employment Initiative***

The grant frameworks for the *HIV, tuberculosis, malaria and community outreach grant*, *statutory human resources, training and development grant*, *early childhood development grant* and *provincial roads maintenance grant* are amended to include the conditions attached to the approval of the Presidential Employment Initiative. The conditions include:

- Transferring officers to monitor the progress in the implementation of the interventions, considering the progress reports submitted by the receiving officers on a monthly basis.
- Transferring officers to report monthly on progress to the Presidency.
- One month after the receipt of the allocations, receiving officers to provide a detailed breakdown to the relevant transferring officer, Presidency and National Treasury of the components funded through the allocation.
- Receiving officers to report on the expenditure of the funds in line with the requirements in section 11 and section 12 of the Division of Revenue Act (DoRA), 2020, and the gazetted frameworks for the relevant grant.

### ***HIV, tuberculosis, malaria and community outreach grant***

The grant framework for the *HIV, tuberculosis, malaria and community outreach grant: community outreach services component* is amended to ring-fence the additional funds allocated for the Presidential Employment Initiative.

### ***Statutory human resources, training and development grant***

The grant framework for the *statutory human resources, training and development grant* is amended to make provision for the appointment of enrolled nurses and auxiliary nurses as part of the presidential employment programme. The conditional grant framework currently caters for the training of health science professionals and the hiring of community service posts and does not cater for the hiring of other positions. The grant framework is further amended to make corrections for allocations earmarked in the training and developmental component. The allocations were incorrectly captured due to a rounding error for Mpumalanga and North West.

***Early childhood development grant***

The framework for the *early childhood development grant* is amended to include conditions to allow for spending of the ring-fenced additional funds allocated for the Presidential Employment Initiative.

***Provincial roads maintenance grant***

The grant framework for the *provincial roads maintenance grant* is amended to ring-fence the additional funds allocated for the Presidential Employment Initiative.

***National health insurance indirect grants***

The grant framework for the *national health indirect grant: health facility revitalisation component* is amended to correct for an allocation earmarked for Limpopo Academic Hospital. The allocation is being corrected from R653 million to R454 million, as R198 million was shifted to the *health facility revitalisation grant* during the February 2020 Budget.

***Rural roads asset management systems grant***

The grant framework for the *rural roads asset management systems grant* is amended to correct for the due date of the submission of road condition data that was erroneously captured as 31 September 2020 instead of 30 September 2020. This correction is needed as 31 September 2020 does not exist in the calendar.

**Changes to gazetted allocations**

To correct allocations for ring-fenced sport projects in the *municipal infrastructure grant*, R25 million is shifted to Polokwane Local Municipality from Musina Local Municipality and R9 million is shifted to Swellendam Local Municipality from Mossel Bay Local Municipality. The amounts for each project are corrected in the gazetted list of the *municipal infrastructure grant* ring-fenced funding for sport infrastructure and allocations in the *municipal infrastructure grant*. This correction will ensure that sufficient funds are made available to complete planned sport infrastructure projects in all the affected municipalities.
