## HIGH ALERT: SCAM WARNING!!!

### TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

[PROCUREMENT@GPW-GOV.ORG](mailto:PROCUREMENT@GPW-GOV.ORG)

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

*GPW* has an official email with the domain as [@gpw.gov.za](mailto:@gpw.gov.za)

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

*GPW* will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

*Government Printing Works* gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

## Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

### How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at [www.gpwonline.co.za](http://www.gpwonline.co.za)
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

## **EXPLANATORY MEMORANDUM ON THE DETERMINATION OF TYPES OF MUNICIPALITIES BILL (EASTERN CAPE), 2021**

### **PART 1**

#### **(GENERAL PRINCIPLES)**

##### **1. BACKGROUND**

On the 10 February 2020, the National Assembly passed the Municipal Structures Amendment Act. The President assented to this Municipal Structures Amendment Act 3 of 2021 on the 26 May 2021.

In terms of section 4 and 5 of the amendment act, section 9 and 10 of the Local Government: Municipal Structures Act, have been amended to remove all references to plenary executive system as a type of a municipality.

The Eastern Cape Province is one of the provinces that still has the following plenary types municipalities; Blue Crane Route and Koukamma LM's located under Sarah Baartman District Municipality and Great Kei L.M located under Amathole District Municipality.

##### **2. REASONS AND EFFECT OF THE BILL**

In terms of section 11 of the Local Government: Municipal Structure Act 117 of 1998, *provincial legislation must determine for each category of municipality the different types of municipality that may be established in the province.* The provincial legislation referred to in this section was repealed in its entirety by the Eastern Cape Repeal of Local Government Laws No 6 of 2016.

The Bill is therefore to enable the MEC for local government in the province to redetermine the aforementioned plenary types into types that are permitted in terms of the Local Government: Municipal Structures Act.

##### **3. OBJECTS OF THE BILL**

The object of the Bill is to re-enact the Determination of Types of Municipalities legislation.

#### **4. FINANCIAL IMPLICATIONS**

The estimated costs associated with the publication of the Bill in the Provincial Gazette to solicit public comments will be R10 000-R12 000.00.

#### **5. CONSULTATION**

Consultations will be held with all municipalities in the province. The consultations will also include South African Local Government Association and plenary type municipalities in the province.

In order to meet the provisions of section 154(2) of the Constitution, the bill will be published for public comment before it is introduced in the provincial legislature.
