Charter

From pick up place situated within a 30km radius from place of business situated at 34 Chestnut Crescent, Eastridge, Mitchells Plain to points within the Republic of South Africa and return. * neither the operator nor the driver charges the passengers individual fares; * the person hiring the service has the right to decide the route, date and time of travel; and * the passengers are conveyed to a common destination, and includes vehicles hired Staff Service --- From Mandalay, Mitchells Plain, Strandfontein, Pelican Park, Lotus Rivier to Pollsmoor and return on same route. The following conditions are imposed on this staff service operating licence in terms of section 57(5) of the NLTA --- a) As per the definition of staff services in the NLTA, the vehicle specified in the operating licence must be used exclusively for the conveyance of employees. b) The operating licence is only issued for the validity period of the contract and where the contract is terminated prematurely, the operating licence will automatically be cancelled. c) The operating licence will only be renewed if a new contract is awarded to the operator to provide the same service. d) The service may not be provided outside of the hours specified in the operating licence. e) A copy of the identification document of each member of staff is kept in the vehicle as well as a passenger list showing the addresses of these staff members. The following conditions are imposed on this charter service operating licence in terms of section 57(5) of the NLTA. --- a) The holder of this operating licence is authorised to transport groups of persons with a common interest or purpose to a particular destination (the same place)(previously known as the transportation of organised parties). In other words it should be a homogeneous group which could for example be members of a church or community organisation going to a wedding, funeral or conference. The group must hire the vehicle and driver and can determine the route, date and time of departure. b) Passengers may not be charged fares individually by either the driver or the operator and fares must be arranged beforehand. c) The holder may not solicit passenger trips by requesting passengers to put their names and contact details on a waiting list. This does not constitute a group with a common interest or purpose and this practice is not allowed in terms of this operating licence. Law enforcement officers should prohibit the random conglomeration (grouping) of people to load a particular vehicle. This will result in a heterogeneous group (people that are randomly grouped together without a common purpose) that will more than likely disembark at different places. The NLTA explicitly stipulates that passengers must go to a common (same) destination. d) The holder of this operating licence must keep a detailed logbook showing the names and contact details of the client, time of departure, destination, trip purpose and arrival time. This logbook must be submitted to the Provincial Regulatory Entity every six months and where the holder applies for the renewal of the operating licence. Such logbook must also be presented to the PRE and Law Enforcement Officers on request. e) The vehicle specified in this operating licence may not leave the zone or area of operation specified in this operating licence. f) Where a charter authority is issued, the holder must ensure that the passenger list is kept in the vehicle, bar weddings, funerals and sporting trips where it is impossible to determine who will make use of the service. g) Charter operating licences cannot be used to form a minibus-taxi association or to apply for membership of a minibus-taxi association. Holders of charter licences cannot affiliate to a minibus-taxi association unless the operator also holds a valid operating licence(s) to provide minibus-taxi type services on the route or routes served by the association. h) Where the vehicle specified in this operating licence is observed at a municipal taxi or bus rank or providing services on bus or taxi route, the operating licence will be cancelled using the provisions of section 79 of the NLTA. The same action will be taken where the operator violates any of the conditions of the operating licence. i) A passenger list showing the name and address of the passenger as well as the name and contact details of a person that can be contacted in the unlikely event of an accident be kept on file by the operator. A copy of this list must be kept in the vehicle. j) Luggage must be properly labelled with the name of the passenger. The driver of the vehicle will be held responsible for any luggage that is not properly labelled in the event of illegal goods/contraband being discovered in such unmarked luggage during search operations.
