DEPARTMENT OF TRANSPORT

NO. 1567

2 December 2021

DISASTER MANAGEMENT ACT, 2002 (ACT NO.57 OF 2002)**DIRECTIONS ISSUED IN TERMS OF REGULATION 4(7) OF THE REGULATIONS MADE UNDER SECTION 27(2) OF THE DISASTER MANAGEMENT ACT, 2002 (ACT NO. 57 OF 2002): THE TAXI RELIEF FUND TOWARDS THE IMPACT OF COVID-19 IN THE TAXI INDUSTRY**

I, **Fikile Mbalula, MP**, Minister of Transport, hereby in terms of regulation 4(7) of the Regulations made under section 27(2) of the Disaster Management Act, 2002 (Act No. 57 of 2002), hereby issue a directive set out in the Schedule hereto on the taxi relief fund towards the impact of COVID-19 in the taxi industry.

**MR F. A. MBALULA, MP****MINISTER OF TRANSPORT**

DATE: 26.11.2021

SCHEDULE

Whereas, the transport sector, across the world, experienced massive ridership drops due to the spread of the novel coronavirus (Covid-19). This followed stringent measures imposed by many countries in an attempt to mitigate and curb the spread of the virus. Some of these measures included restrictions in the movement of people through lockdowns as well as encouragement for people to work from home.

Whereas, in South Africa, the taxi industry bore the brunt of these measures. Initially, taxis were allowed to carry only 50% of their licensed vehicle capacity and this was later increased to 70% when the lockdown restrictions were eased. The industry also had to contend with increased cost of procuring cleaning materials for vehicles and sanitisers for passengers. The net effect of all these to the industry has been a declining revenue base and an increase in costs, which left many operators struggling to stay financially afloat.

Whereas, in response, the Department secured once off *ex gratia* relief funds to the value of R1 135 billion to assist operators towards the impact of COVID-19 in the taxi industry. The relief fund of an amount of R 5000.00 per qualifying operator is not intended to compensate for loss of income.

Whereas, the Department solicited the services of the National Empowerment Fund as the vendor and Implementation Agency to administer the relief scheme to the industry primarily due to their experience and capacity in dealing with such systems but also to authenticate the registration of these operators as business entities.
